**Frozen 3 Script. The Fire Awakens** - Ion Bogdan Purcaru 2020-05-31

It is March 2020. I am working as a sales agent in the roof industry and I have decent income. It's risky

because I have to climb old buildings roofs but I like it. Suddenly due to COVID-19 my county dictates a state an emergency and I have no other choice but to stay with my kids at home. My wife is working in the medical system so it's her duty to help by going to work. Because she had a greater risk to be infected by the new virus I had to stay alone with my kids to protect my older parents that were helping me before, prior the COVID era... I love my kids, a boy, age five and a girl age two so I've made everything possible to take care of them while keeping them entertained. I've cooked, sang, played with them in every possible way and from time to time we've watched an animation movie. One of those movies watched together was Frozen 2. After we've watched the movie, with the kids enjoying it some ideas engulfed my mind. I wrote my ideas into a word document called Frozen 3 script. John Steinbeck said "Ideas are like rabbits. You get a couple and learn how to handle them, and pretty soon you have a dozen." My rabbits multiplied therefore after one month of writing and watching over my kids the script was ready... It wasn't perfect as it had many spelling and expression problems as I am not a native English writer but the ideas inside and the actual story were in my opinion at least great... You see I wrote before, self-published a book on Amazon and I have an YouTube Channel where I wrote stories and amazingly 33k subscribers enjoyed the way I write despite in English the imperfect style. I know when a story has a lot of potential that's why I've decided to share the story to Disney, the legal owners of Frozen. God knows I've tried every possible way to contact them but I've always received the same answer "It's our policy not to accept any unsolicited creative ideas and submissions" and other similar replies. After one and a half month of trying and failing to contact anyone from Disney I am tired so I've decided to publish the script because I love it and I don't want to die buried deep inside my computer's bits. I don't have time to correct it thoroughly or adapt it

from a script to a literal form because the state of emergency ended fourteen days ago and I've returned to my job. I have to work to sustain my family. I want to share this story/script to everyone interested to read it... I want objective and honest answers about the actual story. I won't mind if you criticize me for not using the best expression to describe the story or because of my misspelling yet the scope of this writing is to deliver an amazing story. I wanted to imprint a Disney Frozen style logical, not violent, funny, interesting, dramatic and musical while maintaining everything we loved in Anna, Elsa, Kristoff, Olaf and Sven including their personalities in a logical no nonsense story. I also wanted to deliver a reason for Elsa's powers, why was she born with the ability to create ice. You will tell me if I've succeeded or not !
