**Scars and Stripes** - Tim Kennedy 2022-06-07

INSTANT NEW YORK TIMES BESTSELLER From decorated Green Beret sniper, UFC headliner, and all around badass, Tim Kennedy, a rollicking, inspirational memoir offering lessons in how to embrace failure and weather storms, in order to unlock the strongest version of yourself. Tim Kennedy has a problem; he only feels alive right before he's about to die. Kennedy, a Green Beret, decorated Army sniper, and UFC headliner, has tackled a bull with his bare hands, jumped out of airplanes, dove to the depths of the ocean, and traveled the world hunting poachers, human traffickers, and the Taliban. But he's also the same man who got kicked out of the police department, fire department, and as an EMT, before getting two women pregnant four days apart, and finally, been beaten up by his Special Forces colleagues for, quite simply, "being a selfish asshole." In *Scars and Stripes*, Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today. Through unbelievably vivid, wild anecdotes Kennedy reveals all the dumb, violent, embarrassing, and undeniably heroic things he's done in his life, including multiple combat missions in Afghanistan, building a school in Texas for elementary kids, and creating two-multimillion-dollar businesses. You will learn that failure isn't the end—rather it's the first step towards unearthing the best version of yourself and finding success, no matter how overwhelming the setbacks may feel.

**Roca Springs Sweet Romance** - Amy Sparling

The Roca Springs Romance series is a collection of heart-warming, page-turning full-length romances that all feature a strong love story and a happy ending. This book includes all three books from the series: Book 1: *Flirting with the Personal Trainer* Dani Clarke has never been a beauty queen. She's been overweight her whole life and she's sick of it. She didn't graduate college and get a great job just to still be miserable and single. She needs to do something. She just doesn't know what. Brent Castro's dreams of being his own boss have finally come true. With his two best friends, he owns Roca Springs Fitness, the luxury gym his clients love. But the success isn't bringing him happiness. He's lonely. He

wants a girl that's all his, not just some random fangirl comments on his fitness Instagram. When his co-owner gives out free memberships, Dani decides to risk utter humiliation and join up at the gym. She thinks Brent is way out of her league, but he falls for her the second he sees her and offers free personal training just so he can get close to her. Dani thinks training with this hot guy will give her the body she wants, but what she doesn't realize is there's already someone who likes her just as she is. And he's right in front of her. Book 2: *Flirting with the Boss* Tasha Bryan is way too young to take on raising her sixteen year old niece, but she's doing it anyway. With no other family to support her, she's working long hours and barely scraping by. She doesn't have time for friends or relationships until she gets back on their feet. For now, all she wants is another job, and a part time gig at a gym fits perfectly with her schedule. Noah Hunter is a perfectionist. Owning and operating a local gym was his dream, and he loves his job but it's time to bring on some help. There hasn't been room in his life for a woman, but when he meets Tasha, suddenly his priorities change. She's the happiest part of his day, and he wants nothing more than to win her over. Tasha has been down this road before—trusting a handsome man and then getting her heart broken. She's not sure she wants to risk it again. There is too much at stake if she dates her boss. But flirting with him is starting to be the best part of her day. And once some lines are crossed, it's impossible to go back. Book 3: *Flirting with the Bad Boy* Lanie plays by the rules. Working at the family business has her constantly under the watchful eyes of her three older brothers. If she breaks any rules, they'll know about it. And if she dates someone they don't approve of? Well, they won't allow it. Now that she's out of college, Lanie is tired of being treated like a kid. She decides to find a broody, bad influence and bring him home to the family. You know... just to annoy her brothers. She doesn't expect to fall in love. Kris has been on more first dates than he cares to think about. Finding a date is easy, but wanting to go on a second one? Impossible. He just doesn't feel anything with the women who flirt with him. He wants something real. Something worth fighting for. But when the cute girl who works at his supplier asks him on a fake date, he agrees to go along

with it. Because after all, it's not like he'd want a second date. Right?

*Come Out Swinging* - Lucia Trimbur 2013-08-25

A nuanced insider's account of everyday life in the last remaining institution of New York's golden age of boxing Gleason's Gym is the last remaining institution of New York's Golden Age of boxing. Jake LaMotta, Muhammad Ali, Hector Camacho, Mike Tyson—the alumni of Gleason's are a roster of boxing greats. Founded in the Bronx in 1937, Gleason's moved in the mid-1980s to what has since become one of New York's wealthiest residential areas—Brooklyn's DUMBO. Gleason's has also transformed, opening its doors to new members, particularly women and white-collar men. *Come Out Swinging* is Lucia Trimbur's nuanced insider's account of a place that was once the domain of poor and working-class men of color but is now shared by rich and poor, male and female, black and white, and young and old. *Come Out Swinging* chronicles the everyday world of the gym. Its diverse members train, fight, talk, and socialize together. We meet amateurs for whom boxing is a full-time, unpaid job. We get to know the trainers who act as their father figures and mentors. We are introduced to women who empower themselves physically and mentally. And we encounter the male urban professionals who pay handsomely to learn to box, and to access a form of masculinity missing from their office-bound lives. Ultimately, *Come Out Swinging* reveals how Gleason's meets the needs of a variety of people who, despite their differences, are connected through discipline and sport.

*From Wack to Mack: the Art of Being a Player* - Roc 25 2020-01-21

This isn't for the guy who wants to win the girl in apartment 2B, or the one who wants to date the cute girl in his Western Civ class, or the girl that sits alone in the coffee shop. This book is intended for the guy who wants to fuck all three girls. Sure, if you want to use this book as a means of "winning the heart" of such said girl, cool. I won't tell anyone you used a book designed to get multiple women at your disposal. The ones who are tired of not having stories to tell. The ones who are tired of getting rejected and want to be "The Man". The Player is a chameleon. Comfortable in any surrounding. Can be in a room full of Eighteen-year-old girls and then in a room full of Fifty-year-old women and still feel comfortable at least half the room would sleep with him. A Player is like a Mob Boss, everyone knows he committed the crime, but it can never be proven. You are always going to be indicted, you should never be convicted. Some of you on these dating sites/apps send pics of your dick to a girl, before you even say hi. Are y'all for real? No Dime is going to talk to you doing that. That porn you watch warped your brain. Those are paid actresses. If you don't have the cash, you ain't getting a Porn Star (talking from experience). Anyway, the problem with a lot of you guys is that you don't know how to talk to girls, either because you are scared or you simply don't know. Before you know how to talk to girls, you must look right first. If you look like a scrub, no girl is going to hear what you have to say. So Player, let's get to it and go from wack to mack!

Susan Cambridge's childhood was horrendous. Unwanted and neglected,

She slept in a locker for seven years without anyone knowing, went days without eating proper food, and bounced from foster home to foster home. Fortified by her faith in God, and against all odds, Susan pursued her education and a career in child social services. After working in the field for almost three decades, Susan made it her mission to ensure that all social service professionals and foster parents fully understand and appreciate the way in which childhood trauma endures and impacts its victims for the rest of their lives. That mission is this book: *Hopeless and Unwanted*. Intended as an eye-opening dive into the experiences and lasting impacts of childhood trauma and their intersection with the child welfare system, Susan invites survivors of childhood trauma and social workers alike to leave damaging cycles behind and find lasting healing.

**Pacific Island Women and Contested Sporting Spaces** - Yoko Kanemasu 2023-06-26

This book focuses on the variety of strategies developed by women athletes in the Pacific Islands to claim contested sporting spaces - in particular, rugby union, soccer, beach volleyball, recreational sports and exercise - as a prism to explore grassroots women's engagement with heavily entrenched postcolonial (hetero)patriarchy. Based on primary research conducted in Fiji, Samoa, Solomon Islands, and Vanuatu, the book investigates contested sporting spaces as sites of infrapolitics intersected primarily by gender and also by other markers of inequality, including ethnicity, sexuality, class and geopolitics. Contrary to historical and contemporary representations of Pacific Island women as victims of gender injustice, it explores how these athletes and those who support them actively carve out space for their transformative agency. Pacific Island Women and Contested Sporting Spaces: Staking Their Claim focuses on a region underexamined by sport or gender studies researchers and will be of key interest to scholars and students in Gender Studies, Sport Studies, Sociology and Pacific Studies as well as sport practitioners and policymakers.
