The Perfect Sex Guide How to Make Her Explode - Tino Mario 2017-02-21

Have you ever wondered what it was that appeals to woman about Italian men? French men also have a certain "je ne sais quoi" but do you know why this is? In this book, I will explain

why the appeal is so universal among women and what it is that these men have that perhaps you don't. Ask a woman about a fantasy romance, and no doubt, the idea of making love with a passionate Italian may figure in her dreams. It's not that she's even interested in being with a man of another culture. It's just that Italians have long since learned the art of lovemaking and do it with panache. Men, on the other hand, may think of an Italian woman as being hot, but it's the combination of man and woman that makes them like that. So what is it in the approach that is different? What makes a woman explode with passion? Well, I have been studying the subject for a rather long time and my findings may not be what you expect to read. However, they are accurate, bearing in mind both the male and female point of view. You may think that your macro approach to sex is working, but you may actually be surprised to know that being macho is low on the list of priorities when it comes to

How To Ask A Woman To Go To Bed With You

pleasing a woman in bed. Macho men are all about proving what they can do. They are less interested in caring about what the woman thinks or feels. These are the guys who boast about knowing all the secret parts of a woman, but who are least likely to be in the know. Why? Well, the fact is that women don't usually discuss their delicate parts with someone who has this attitude. Thus, it will only be by a sheer fluke of nature that she may actually climax during lovemaking. Wouldn't you prefer that your approach was what made sure she would be satisfied? As you read through the book, be prepared to see that a traditionalist approach is not going to gain you any brownie points. If you really want to make a woman sexually stimulated and happy, you need to appreciate that her part in the whole act of lovemaking is every bit as vital as his. It's not just a case of how hard you are. Neither is it a case of how much thrust you have. It's a two-way process and she needs to feel secure

enough to let go. That won't happen if you don't teach her that she can relax and be herself with you, and most women can't do that, left to their own devices. It's an unfair world, though the classic view of a woman is that she doesn't have opinions when it comes to sex, or at least should not express them. If you are of this opinion, then this book is not written for you. It is written for those open minded enough to realize that the part a woman and man play in bed is equal or for those who wish it to be. I will show you what Italian men do that you may never have thought of! Here is a Preview of what You'll Learn... The Approach The purpose of foreplay The Different Types of Climax for a Woman The heavy uncontrollable climax Locating the G-spot Sex Toys.... And Much, Much More!

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the

practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective

approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts

of things that turned my life around for the better. I hope it does the same for you.

“Liaozhai” 聊齋; Strange Tales from a Chinese Lonely Studio (Complete Translation) - Pu Songlin

Liaozhai Zhiyi (Liaozhai; Chinese: 聊齋, or 聊齋志異), called in English Strange Tales from a Chinese Lonely Studio is a collection of Classical Chinese stories by Pu Songling comprising close to five hundred "marvel tales" in the zhiguai and chuanqi styles which serve to implicitly criticise societal issues then. Dating back to the Qing dynasty, its earliest publication date is given as 1740. Since then, many of the critically lauded stories have been adapted for other media such as film and television. The main characters of this book apparently are ghosts, foxes, immortals and demons, but the author focused on the everyday life of commoners. He used the supernatural and the unexplainable to illustrate his

ideas of society and government. He criticized the corruption and injustice in society and sympathized with the poor. The book is complete translation of all volumes (Vol. 1 to 12) of Liaozhai.

To Have, to Hold, and to Never Let Go - Cattina C. Coleman
2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when
