

How To Develop Good Relationship With God

The People Factor - Van Moody 2014-01-14

The relationships in your life will make the difference between happiness and misery. The right relationship will launch you to the heights of achievement; the wrong one will tether you to mediocrity. Your relationships will be your sources of greatest joy and your venues of greatest pain. Van Moody says, "When people show you who they are, pay attention." We need to undertake the important task of evaluating our relationships intelligently. We need to recognize the people with whom God has called us to walk in mutually beneficial relationships and to identify those who will derail our destinies or hinder His purposes for our lives. It is high time we cultivate our Relational IQs,

understanding not only how to build great relationships but also how to avoid or skillfully exit bad ones. Van Moody saw this need every day of his pastoral life, but he could not find a concise, practical resource for people who need to become more relationally savvy. He needed a beyond-the-basics study guide for Relational IQ. The People Factor is his solution. God works in our lives through our relationships. Yet, all too often, we get our relationship advice from the most toxic sources we can find. The People Factor is based on the most effective, trustworthy relationship book of all time: the Bible. If you hunger for a richer, more fulfilling life, your Relational IQ is the place to start. If you put The People Factor principles to work,

you will become stronger, happier, and healthier in all your relationships. You will be a better spouse, a better friend, a better boss, a better parent, and a better person.

5 A. M. with God - Keaires Roberson
2017-11-02

We can have everything this world has to offer, yet still feel a void deep within us. The beautiful thing is that God can fill every void we could ever have. Life can throw blows at times that make us feel as though we are alone, hopeless, and doomed for disaster. We go through seasons where we lose people we love, jobs we need, and even things that make our lives easier. While we can never live life storm free, the peace of God allows us to handle those storms a lot better when they come. The peace of God is unexplainable. When it rests on us, we can be in any manner of hell yet still remain calm. The peace of God reminds us that though everything may not be going good, it will work out for the good! Would you like this peace? It can be yours. Put away your checkbook, for this peace cannot be purchased. It can only be attained by spending intentional time in the presence of God. 5 a.m. with God is a guide for believers to

learn more about God and how to live a life that is pleasing to Him. When we strive to live a life that is pleasing to God, we gain the endurance, peace, and contentment we need to make it through each day. Living a life that is pleasing to God isn't as difficult as it seems. When we spend time with the Father and delight ourselves in His Word, His desires for our lives become our desires for our lives. In His presence, we experience His love. In His Word, we gain knowledge, instruction, and strategy. The only way we can truly be transformed from the inside out is by experiencing His Love, and hiding the truth of His Word in our hearts. For this reason, we cannot overlook the importance of spending time with the Father and reading His Word. The purpose of this book is to encourage you to have a closer, more intimate relationship with God.

Building a Personal Relationship with God -

Johnson Mbabazi Frsph 2019-09-14

The Bible shows you the way to salvation, with a special focus on where you stand with God, how

your sin keeps you from knowing him, and how Christ connected the gap between humanity and God. This book explains how you can rebuild a strong relationship with God. This can only be achieved by initiating your journey with genuine strong faith. If you build a strong relationship with God, God will guide you through challenges and storms using the Holy Spirit. If God causes a situation to fail is using that situation for you teach others and rescue others in similar positions and elevate you only by his will provided it is God's will and not your will .This means you are not the causation of a situation .It must be entirely God's will to build a strong relationship with you. There must be strong faith, trust and loyalty. A strong relationship with God is built through fearing Him to acquire wisdom and understanding, praying without ceasing, fasting, meditating the scripture and practising what you understand only by his word. The best relationship is built with God is through understanding his mind than rather

How to Develop an Intimate Relationship with God - Cedric Iglehart 2021-08-20

Salvation is the greatest thing that can happen to any human. At the very moment that you wholeheartedly surrender everything to the Lord Jesus Christ, the old things pass away as you become a new creature and are truly set free from the bondage and dominion of sin. But salvation isn't the end, it's only the beginning. It's an entryway into the process of sanctification, which is the means through which every Christian becomes transformed into the very image of Jesus. Following the path from salvation to sanctification can only be done

under the guidance of the Lord, and His guidance is only made totally available to those who are close to Him. This means that having a relationship with the Most High God is His intention for you; it's the reason He extended His grace toward you in the first place. This book will show you how to navigate from salvation into service, and from there, into sanctification by enlightening your understanding of what it means to be spiritually mature. This book will take you through the truths of Scripture and reveal God's will for your life to you. It will show you how to develop an intimate relationship with God by making you aware of your responsibilities in your interactions with Him and by showing you how to keep them through the practical application of the Word to your everyday life.

than our relationship with God. God doesn't need to spend time with us to get to know us. After all, he is the all-seeing, all-knowing, ever-present God. However, we need to spend quality time with God to get to know him. In getting to know God, we are strengthened, encouraged, and empowered. Within the pages of this book, you will find a journey that creates time for you to spend with God. Daily reads and tasks are perfect for everyone, even the busy. The love letters have been strategically ordered by God and sectioned into three parts. While they are my personal words to God, read them as though they were coming from you. Embrace the message in each letter. In addition, you will be asked to honestly reflect on your life in ways you might never have reflected. Be true to yourself. More importantly, be true to God. Finally, each poem has a day set aside for you to meditate on God's Word and listen to what God is saying to you personally. While reading straight through the book is tempting, it is recommended you

take each step one day at a time. God has designed this journey to be thirty-six days for a reason. Just as he took his time creating the earth in all its beauty, God wants this time spent with him to establish a beauty he has designed especially for you. All you have to do is open your heart to God as you travel. Quote from the book: "No one does more for us than God. Even when we forget about God, he doesn't forget about us."

Everyone wants satisfying, intimate relationships, but not everyone agrees on the best way to achieve them. In *Building Better Relationships*, readers go to the source of truth about making relationships thrive: the Bible. This interactive study, ideal for individuals or small groups, starts with the premise that fulfilling relationships with people begins with a right relationship with God. As readers discover, accept and believe who they are in God's eyes, the Beloved, they are empowered and secure to build relationships that flow out of God's love for them. *Building Better Relationships* includes eight weeks of study. Topics include "Loving Our Neighbors," "Honoring One Another," "Handling Confrontation," "Learning to Listen" and much more. Each week's study examines a particular challenge of relationships, digs into Scripture to find out what God's Word has to say about that

challenge, offers readers the opportunity to reflect on their own relationships and suggests practical action steps to help readers apply what they have learned.

Hearing God - Dallas Willard 2021-12-07

Being close to God means communicating with him—telling him what is on our hearts in prayer and hearing, and understanding what he is saying to us. But how do we hear God's voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says bestselling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this beloved classic, you'll gain rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom. God Wants A Relationship With You! - Bruce Geary
2021-03-05

The sixteen shortened biblical stories are told through the lens of relationships, which is a fresh way of telling them. This book will get you thinking about the Biblical character of God. God's stories uncover His love for every human being as you read His stories of how He had a

relationship with ancient characters. From these stories you can see how much God cares and wants an intimate relationship with you. The stories reveal how you can build relationships with others too. Most chapters focus on traits of a healthy relationship, like trust and listening. All this is wonderful news for those who are seeking healthy relationships with God, family members, and friends. Come and see how God invites you to a healthy loving relationship with Him.

Finding My Way - Manuel Ubante Ferrer
2016-04-02

Relationship has become foremost in the hearts and souls of every human being on this planet and beyond. Daily, a dedicated group of people are constantly bombarding the space outside earth's spheres with clarion calls wishfully waiting for the 'truth out there' to be legitimized to prove detractors wrong and to convince all else once and for all that 'we are not alone'.

How To Develop Good Relationship With God

have cats for company, men enjoy alpha-male status and perks among groupings, religions have cell groups, challenged ones have support facilities; no one is left alone. Relationships are forged and fought for. Alliances between nations against other nations are cemented through conventions, countries band together against global warming, governments partner against terrorism and even migration, treaties are signed for common stand of concerns as lofty as world peace and as academic as waste segregation, and marginalized mobs (imagined or otherwise) rise together to denounce Wall Street's crass materialism, Illuminati's gross conspiracies and LGBT's sex and freedom issues. Relationship or the clamor for meaningful ones is at the forefront of all these denunciations, demarcations, divisions and oppositions. It sounds remarkable in the light of the accepted truth that relationships are viewed as union and communion between warring factions and differing positions of opinions poles apart. It is

touted that relationships can achieve unity in diversity until differences are ironed out, washed away or totally eradicated. The Triune God (Biblically portrayed and written as, the Godhead) first introduced unity in diversity. The Bible's first verse - In the beginning (b-rashith), Elohim (plural form of El, God) bra (he-created, singular) the heavens and the earth - unequivocally declares this. Relationship within, among and between the One Supreme Spirit Being in three distinct Persons is the ultimate word on union and communion. Mankind is called to such. Mankind is based on such. Mankind is moving forward to such. Relationship is the basis of creation; relationship is the reason for redemption. This book is about relationship & how you can build a closer relationship with God.
