

I M A Girl

I'm a Girl! - Yasmeen Ismail 2015-08-13

I'm supposed to be made of sugar and spice and all things nice. But I'm sweet and sour and not a little flower. I am a girl! I am a girl! I am a girl! The girl in this book likes to win, she likes to be spontaneous, fast and strong, and because she also likes to dress in t-shirt and shorts, she is forever getting mistaken for a boy. And when she meets a boy who likes wearing princess dresses and playing dolls, they both quickly discover that they share interests that are wide and varied. I am a Girl! is a wonderful celebration of being who we are and not being pigeon-holed or restricted by gender stereotypes. Most of all it is full of energy and laugh-out-loud funny. Who says that pink is for girls and blue is for boys?

Boy vs. Girl - Na'ima B. Robert 2010-08-19

DIVFarhana swallowed and reached for the hijab. But then she saw with absolute clarity the weird looks from the other girls at school, and the smirks from the guys. Did she dare? And then there was Malik... What should she do about him? Faraz was thinking about Skrooz and the lads. Soon he would finally have the respect of the other kids at school. But at what price? He heard Skrooz's voice, sharp as a switchblade: "This thing is powerful, blud. But you have to earn it, see? Just a few more errands for me..." They're twins, born 6 minutes apart. Both are in turmooil and both have life-changing choices to make, against the peaceful backdrop of Ramadan. Do Farhana and Faraz have enough courage to do the right thing? And can they help each other - or will one of them draw the other towards catastrophe? Because I am a Girl - Rosemary McCarney 2014-10-11

Rosemary McCarney, President and CEO of Plan International Canada, has followed up the her popular picture book Every Day is Malala Day with a book for middle grade readers, also inspired by her international development work. Working with Plan, Rosemary helped craft its Because I am a Girl global initiative to end gender inequality, promote girls' rights, and lift millions of girls out of poverty, and helped lead the charge for the United Nations to declare October 11th the "International Day of the Girl" - a day each year to recognize and advocate for girls' rights globally. This book illustrates the Because I am a Girl call to change by telling the stories of individual girls throughout the world. They tell us: "Because I am a

girl, I eat if there is food left over when everyone is done" and "I am the poorest of the poor." The later stories are about hope, with chapters like "Because I am a girl, I will share what I know" and " I am the heart of my community" and "I can change the world." Illustrated with Plan's amazing photographs and including "Did You Know" fact sections.
