Confessions of a Sex Kitten -

Eartha Kitt 1991

This is the story of Eartha Kitt's incredible life--as told by Kitt herself--from her impoverished childhood to an international show business and recording career. A self-made Cinderella, Kitt takes readers on an unforgettable tour of her often harrowing life offset by tragedy, treacherous lovers, jealous rivals, crooked club owners, and even the CIA--who branded her a "sadistic nymphomaniac". Orson Welles called Kitt, "The most exciting woman in the world".

*Dancing Down the Barricades* -

Matthew Frye Jacobson

2023-02-07

A deep dive into racial politics, Hollywood, and Black cultural struggles for liberation as reflected in the extraordinary life and times of Sammy Davis Jr. Through the lens of Sammy Davis Jr.'s six-decade career in show business—from vaudeville to Vegas to Broadway, Hollywood, and network TV—*Dancing Down the Barricades* examines the workings of race in American

culture. The title phrase holds two contradictory meanings regarding Davis's cultural politics: Did he dance the barricades down, as he liked to think, or did he simply dance down them, as his more radical critics would have it? Davis was at once a pioneering, barrier-busting, anti-Jim Crow activist and someone who was widely associated with accommodationism and wannabe whiteness. Historian Matthew Frye Jacobson attends to both threads, analyzing how industry norms, productions, scripts, roles, and audience expectations and responses were all framed by race against the backdrop of a changing America. In the spirit of better understanding Davis's life and career, *Dancing Down the Barricades* examines the complexities of his constraints, freedoms, and choices for what they reveal about Black history and American political culture.

Lie With Me - Philippe Besson

2019-04-30

The award-winning, bestselling French novel by Philippe Besson—"the French

Brokeback Mountain” (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I’m frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I’m holding on to him, that I’m holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he’s never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in

English by Ringwald in her first-ever translation, Besson’s powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

Class Act - Cholly Atkins  
2003-04-09

Cholly Atkins's career has spanned an extraordinary era of American dance. He began performing during Prohibition and continued his apprenticeship in vaudeville, in nightclubs, and in the army during World War II. With his partner, Honi Coles, Cholly toured the country, performing with such jazz masters as Louis Armstrong, Cab Calloway, and Count Basie. As tap reached a nadir in the fifties, Cholly created the new specialization of "vocal choreography," teaching rhythm-and-blues singers how to perform their music by adding rhythmical dance steps drawn from twentieth-century American dance, from the Charleston to rhythm tap. For the burgeoning Motown record label, Cholly taught such artists as the

Supremes, Smokey Robinson and the Miracles, the Temptations, Gladys Knight and the Pips, and Marvin Gaye to command the stage in ways that would enhance their performances and "sell" their songs. *Class Act* tells of Cholly's boyhood and coming of age, his entry into the dance world of New York City, his performing triumphs and personal tragedies, and the career transformations that won him gold records and a Tony for choreographing *Black and Blue* on Broadway. *Chronicling* the rise, near demise, and rediscovery of tap dancing, the book is both an engaging biography and a rich cultural history.

**The Year's Work in Showgirls Studies** - Melissa Hardie 2024-02-06

*The Year's Work in Showgirls Studies* is a fan culture volume that deconstructs how and why *Showgirls*, a 1995 drama with a female lead bent on becoming a famous performer in Las Vegas, became a much-contested cult film despite being a critical failure when it

released. The collection orchestrates a conversation between scholarly essay work and archival documentation offering a magnificent representation of the array of responses generated by the film, its makers, its promoters, and its audience. A multifaceted approach to the film, its popularity, and its social relevance results in a new text for understanding normative social hierarchies of sexuality, race, and gender. *The Year's Work in Showgirls Studies* engages with the figurative and actual place of sex work and feminized affective labor in our society. [The Oxford Companion to the American Musical](#) - Thomas S. Hischak 2008

An authoritative reference for this highly popular genre, this book covers Broadway, Hollywood and television in one volume. With more than two thousand entries, this book offers a wealth of information on musicals, performers, composers, lyricists, producers, choreographers, and much more.

**Rejuvenate!** - Eartha Kitt

2002-01-25

The purr-fect guide to staying mentally and physically healthy and vital from the legendary star who defines longevity.

From her hit songs in the 1950s and television stardom as Catwoman on Batman in the 1960s to her sold-out shows at New York's Café Carlyle in the 1990s, her Tony-nominated role on Broadway in 1999, and her hilarious performance as Yzma, the villainess in Disney's *The Emperor's New Groove* in 2000, Eartha Kitt is one of America's most versatile and enduring performers. Now, at seventy-four and still going strong, Kitt reveals her secrets of vitality in *Rejuvenate!*, an elegant and inspiring book. Seductive, provocative, amusing, and calming, she combines the lessons of her life -- from a difficult childhood in the South and in Harlem to the joys and challenges of her life in the public eye -- to offer this wise window into her incredible mental and physical vigor and an open invitation to the joys of aging in style.

*Rejuvenate!* is a simple, user-friendly guide that doesn't require a gym, a personal trainer, or even exercise equipment. Each of the nine chapters, with titles such as "Bend," "Stretch," and "Rock-and-Roll," features one basic exercise for the body with easy-to-follow instructions and an entertaining, inspiring message for the mind.

*The Origin of Consciousness in the Breakdown of the Bicameral Mind* - Julian Jaynes  
2000-08-15

National Book Award Finalist:

"This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch

At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually

every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

**Divas on Screen** - Mia Mask  
2010-10-01

This insightful study places African American women's stardom in historical and industrial contexts by

examining the star personae of five African American women: Dorothy Dandridge, Pam Grier, Whoopi Goldberg, Oprah Winfrey, and Halle Berry. Interpreting each woman's celebrity as predicated on a brand of charismatic authority, Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema, independent film, and network television. Mask examines the function of these stars in seminal yet underanalyzed films. She considers Dandridge's status as a sexual commodity in films such as *Tamango*, revealing the contradictory discourses regarding race and sexuality in segregation-era American culture. Grier's feminist-camp performances in sexploitation pictures *Women in Cages* and *The Big Doll House* and her subsequent blaxploitation vehicles *Coffy* and *Foxy Brown* highlight a similar tension between representing African

American women as both objectified stereotypes and powerful, self-defining icons. Mask reads Goldberg's transforming habits in *Sister Act* and *The Associate* as representative of her unruly comedic routines, while Winfrey's daily television performance as self-made, self-help guru echoes Horatio Alger narratives of success. Finally, Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible.
