[Breasts and Eggs](#) - Mieko Kawakami 2020-08-20  
'Breathtaking' - Haruki Murakami author of Norwegian Wood A beguiling novel about three women struggling to determine their own lives in contemporary Tokyo. A New York Times 'Notable Book of the Year' and one of Elena Ferrante's 'Top 40 Books by Female Authors' On a hot summer's day in a poor suburb of Tokyo we meet three women: thirty-year-old Natsuko, her older sister Makiko, and Makiko's teenage daughter Midoriko. Makiko, an ageing hostess despairing the loss of her looks, has travelled to Tokyo in search of breast enhancement surgery. She's accompanied by Midoriko, who has recently stopped speaking, finding herself unable to deal with her own changing body and her mother's self-obsession. Her silence dominates Natsuko's rundown apartment, providing a catalyst for each woman to grapple with their own anxieties and their relationships with one another. Eight years later, we meet Natsuko again. She is now a writer and finds herself on a journey back to her native city, returning to memories of that summer and her family's past as she faces her own uncertain future. In Breasts and Eggs Mieko Kawakami paints a radical and intimate portrait of

contemporary working class womanhood in Japan, recounting the heartbreaking journeys of three women in a society where the odds are stacked against them. This is an unforgettable English language debut from a major new international talent. 'Bold, modern and surprising' - An Yu, author of Braised Pork 'Incredible and propulsive' - Naoise Dolan, author of Exciting Times Shortlisted for the Warwick Prize for Women in Translation. Translated from the Japanese by Sam Bett and David Boyd.

**The Decameron** - Giovanni Boccaccio  
2023-07-07

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio

imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy. *Matchpoint* - Elise Sax 2013-07-30

Lovably troublesome Gladie Burger runs into sizzling danger and a fiery love triangle in the second installment of Elise Sax's hilarious and sexy Matchmaker romance series. Since joining the family matchmaking business run by her eccentric Grandma Zelda, Gladie is always looking for love. But when an unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing, but her dentist is dead—and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda a man and keep her from being locked up behind bars. As if that weren't enough distraction, two gorgeous men are vying for Gladie's attention: Spencer, the playboy chief of police, and Holden, Gladie's secretive, gorgeously muscled neighbor. Still, Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult. She may have met her match—and if she's not careful, it could be her last. Praise for Elise Sax and Matchpoint "Elise Sax will win your heart."—New York Times bestselling author Jill Shalvis "With quirky characters reminiscent of Janet Evanovich's Stephanie Plum series and a small-town heroine redolent of Charlaine Harris' Sookie Stackhouse, Sax's second Matchmaker novel will no doubt delight fans and new readers alike. With its charming cast and an intriguing mystery, this fast-paced, zany story provides great fun and features some impressive ingenuity. The love triangle woven into the plot adds an amusing diversion to the main story and will keep readers gleefully trying to guess whodunit."—RT Book Reviews "Sax's second novel is a fun, funny romp of a mystery mixed with a sexy love triangle. Gladie is an endearing mess of a character, and the book is fast-paced and amusing, with a large cast of quirky, small-town characters that flesh out a well-crafted, entertaining storyline. A lighthearted and

amusing caper with a sexy side order of romance."—Kirkus Reviews "A cheeky series that has plenty of romantic complications, danger and humor to keep pages going!"—The Parkersburg News and Sentinel "Elise Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out."—New York Times bestselling author Christie Craig From the Paperback edition.

Uncomplicated Choices - Cara Dee 2017-07-08

When life gave you lemons, you learned who stayed and made lemonade with you. Or something to that effect. And the day Ellis Hayes kidnapped me-or, borrowed a yacht and didn't know I was on board-he'd definitely been handed too many lemons. We faced a dilemma when I woke up hungover in the middle of the ocean. He needed to get the hell out of town to do some soul searching and decide whether or not to divorce his wife, and I needed to get back on land because humans didn't belong on the water. There was also better cell service on land, and I had my four-year-old daughter on vacation in Paris to check in with. Then I remembered I wasn't a complete tool. Ellis wasn't doing all right, and we were practically family. I had to stay and make lemonade with him. Of course, me being me, seemingly undateable and complicated, I had to develop feelings for him, too.

Living Backwards - Tracy Sweeney 2013-01-01

Twenty-nine-year-old Jillian Cross refuses to believe that a pair of skinny jeans has led to her untimely demise. Life just isn't that cruel. But when an overly-enthusiastic attempt at

squeezing herself into them leads her to fall and lose consciousness, she is faced with just that possibility. When she awakens with both a bruised ego and a bump on her head, she's not in her tiny apartment but her childhood bedroom circa 1999-the spring of her senior year in high school. Jillian knows that time travel isn't logical. But then again, neither was her decision to wear skinny jeans. As she attempts to navigate her way through the halls of Reynolds High, walking the same path and making the same choices she made years before, she knows that any change she makes can have a catastrophic effect on her future. But when she strikes up an unexpected friendship with motorcycle-riding, cigarette-smoking Luke Chambers, can she pretend to be the same shy girl she once was? At least she has her pink sparkly flask to take the edge off. One little change won't hurt, right?

**A Perfect Ten** - Linda Kage 2019-12-17

Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

**Portrait of a Killer** - Patricia Cornwell 2008-09-04

Using the firsthand expertise she has gained through writing the bestselling Dr Kay Scarpetta novels, Patricia Cornwell has used the demanding methods of modern forensic investigation to re-examine the contemporaneous evidence in the Jack the Ripper murders. These include state-of-the-art DNA testing on various materials, computer enhancement of watermarks and expert

examinations of hand-writing, paper, inks and other relics. She has also used her knowledge of profiling on the possible suspects, as well as consulting experts in the field. On presenting her conclusions to a very senior Metropolitan Police officer she learned that had the investigators of the time been presented with the facts she has unearthed her suspect would definitely have been arrested and would probably have faced trial. In the first edition of this book Patricia Cornwell named the killer as the artist, Walter Sickert. This paperback includes even more evidence for her compelling and credible conclusion. **The Source** - James A. Michener 2013-11-26

In his signature style of grand storytelling, James A. Michener transports us back thousands of years to the Holy Land. Through the discoveries of modern archaeologists excavating the site of Tell Makor, Michener vividly re-creates life in an ancient city and traces the profound history of the Jewish people—from the

persecution of the early Hebrews, the rise of Christianity, and the Crusades to the founding of Israel and the modern conflict in the Middle East. An epic tale of love, strength, and faith, *The Source* is a richly written saga that encompasses the history of Western civilization and the great religious and cultural ideas that have shaped our world. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *The Source* "Fascinating . . . stunning . . . [a] wonderful rampage through history . . . Biblical history, as seen through the eyes of a professor who is puzzled, appalled, delighted, enriched and impoverished by the spectacle of a land where all men are archeologists."—*The New York Times* "A sweeping [novel] filled with excitement—pagan ritual, the clash of armies, ancient and modern: the evolving drama of man's faith."—*The Philadelphia Inquirer* "Magnificent . . . a superlative piece of writing both in scope and technique . . . one of the great books of this generation."—*San Francisco Call Bulletin* *Talk Me Down* - Victoria Dahl 2015-11-16

"A fun, feisty and relentlessly sexy adventure . . . a winning tale full of endearing oddballs, light mystery and plenty of innuendo and passion."—*Publishers Weekly* Molly Jennings has one naughty little secret: her job as a bestselling erotic fiction author. Until her inspiration runs dry—thanks to a creepy ex—and it's time to skip town and move back to tiny Tumble Creek, Colorado. One look at former high school hunk chief of police Ben Lawson and Molly is back in business. The town gossip is buzzing at her door and, worse still, a stalker seems to be watching her every move. Thankfully, her very own lawman has taken to coming over, often. The only problem now is that Molly may have to let the cat out of the bag about her chosen profession, and straitlaced Ben will definitely not approve . . . "Sassy and smokingly sexy, *Talk Me Down* is one delicious joyride of a book!"

—Connie Brockway, *New York Times*-bestselling author "Sparkling, special, and oh-so-sexy—Victoria Dahl is a special treat!" —Carly Phillips, *New York Times*-bestselling author

*Sexing the Body* - Anne Fausto-Sterling  
2020-06-30

Now updated with groundbreaking research, this award-winning classic examines the construction of sexual identity in biology, society, and history. Why do some people prefer heterosexual love while others fancy the same sex? Is sexual identity biologically determined or a product of convention? In this brilliant and provocative book, the acclaimed author of *Myths of Gender* argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.

**No Longer A Gentleman** - Mary Jo Putney  
2011-10-24

The New York Times bestselling author delivers a Regency adventure “packed with an abundance of sizzling sexual chemistry and dangerous intrigue” (Booklist). Grey Sommers, Lord Wyndham, never met a predicament he couldn't charm his way out of. Then a tryst with a government official's wife during a bit of casual espionage in France condemns him to a decade in a dungeon, leaving him a shadow of his former self. Yet his greatest challenge may be the enigmatic spy sent to free his body—the only woman who might heal his soul. Cassie Fox lost everything in the chaos of revolution, leaving only a determination to help destroy Napoleon's empire through her perilous calling. Rescuing Grey is merely one more mission. She hadn't counted on a man with the stark beauty of a ravaged angel, whose desperate courage and vulnerability thaw her frozen heart. But a spy and a lord are divided by an impassable gulf

even if they manage to survive one last, terrifying mission . . . Praise for the *Lost Lords* series “Romance at its best!”—Julia Quinn “Intoxicating, romantic and utterly ravishing. . .”—Eloisa James “Intoxicating and not-to-be missed.”—*Romantic Times* (4 ½ Stars, Top Pick) “Rich with historical detail and multifaceted characters.”—*Publishers Weekly* (starred review) “Exquisitely and sensitively written.”—*Library Journal* (starred review)
