Star Attraction: An Erotic Romance Mike Timmons is a superstar with a hot body who plays Brody on the hit TV series "The Bend in the Road". With his awesome good looks and brooding eyes, he's every

woman's dream man. He could have his pick of any woman he chose. Shelly Davis is an assistant editor on the show and is one of Mike's closest friends. She's the one that the directors call on to talk to Mike when he's in a snit. She's had a crush on Mike for the longest time, but hasn't been able to bring herself to tell Mike for fear of rejection. Push comes to shove, however, when Shelly starts coaching Mike on some acting technique. Shelly becomes bold and finally reveals her attraction for Mike. It starts a flaming affair that quickly consumes them. 2. Shawna's Revenge: A Lesbian Seduction Story Shawna's husband has grown distant and she suspects that something is wrong. When she sees him with another woman, she is furious. She decides to confront the other woman about the relationship. Diana doesn't hesitate in seducing Shawna. Although it is Shawna's first experience with another woman, she is extremely satisfied. Shawna battles with the decision of what to do after

her morning of passion with Diana before deciding what to do. 3. Rebecca's Roommate: A Lesbian Erotica Story Susan comes home from a bad date with her boyfriend to find her roommate feeling horrible also. Over drinks the two of them reveal to each other what has made them feel as bad as they do. As the alcohol removes inhibitions, the two of them end up pleasuring each other in ways that they had never thought of in the past. 4. The Research Assistant: First Lesbian Erotica Stephanie had grown bored with writing typical love stories. After careful consideration, she decided to try her hand at writing an erotic lesbian romance. She didn't have any experience to build on for the story so she posted an ad on a dating site to hook up with another woman. After her experience, she detailed it in a story. Steve, her boyfriend, loved the idea of her and this other woman and encouraged her to do a little more research for more stories. 5. Getting a Bone: An Erotic Romance

When a stray dog shows up at Cal Rogers' door, he has no idea that he's about to meet a sexy, pet store clerk who will captivate and titillate him. Mandy Parker is like no other woman Cal's ever known. Mandy is an impulsive animal lover and when the big, handsome construction worker comes into her store to buy supplies for a dog he's recently taken in, she can't resist giving him her number. Things quickly heat up between Mandy and Cal. Cal discovers that Mandy is adventurous in the bedroom. She's not afraid of sex and introduces Cal to some new, sensual ways to please each other. Cal is a true man and believes in satisfying Mandy's every need. Brought together by a stray dog, they can't deny the animal attraction they feel for one another.

Stories) What straight woman hasn't fantasized about the sweet touch of another girl? In this scorching collection from bestselling erotica author Nancy Brockton, five beautiful women experience the thrill of a first lesbian sex encounter.

It's lesbian seduction as only Brockton could write it. 1.

**KELLY'S SEDUCTION (A First Lesbian Sex Erotica Story)**

Kelly's enjoying her first year at college, and a big part of that is her beautiful roommate Tina. They love being friends, and they tell each other everything. Well...not everything. Kelly has a crush on a boy and keeps it to herself. That's too bad because she comes home one night and accidentally walks in on Tina and the boy right in the middle of a blowjob! When she talks to Tina about it, her roommate decides to cheer Kelly up...with a scorching first lesbian sex experience! 2. **WHEN**

**COURTNEY SEDUCED AMY (A First Lesbian Sex Experience)**

Amy and Courtney celebrate the end of finals by heading to a frat party. There, to stave off

the advances of one of the boys attending, Courtney makes a show of kissing Amy right in front of everyone. It's not all pretend, though, because as soon as they get away from the party, Courtney takes things a whole lot farther than that, and before long Amy discovers the sweet joy of another woman as she has her first lesbian sex encounter. 3. **ELENA**

**SEDUCES ME (A First Lesbian Experience Erotica Story)** I'd

had dinner with Elena before, but this night was different. This was the night that felt like a date, not like a couple of friends together for kicks. I was nervous. Was I ready? Was I really going to do it? Would I let her kiss me, touch me, hold me? Was I ready to let Elena practice her perfect art of lesbian seduction on me?

Would I let her give me my first lesbian sex experience? 4.

**SEDUCED AT THE TANNING SALON (A First Lesbian**

**Experience Erotica Story)** Jen really wants a tan, but she's terrified of getting horribly sunburned because of her very fair skin. A soft tan would

really compliment her flame-red hair, though, and she'd like to find a way to make it happen. When her friends suggest a tanning salon, she figures she has it made. She's got it made in more ways than one because an employee at the salon has her eyes set squarely on her, and before long Tina gives Jen more than just a tan; she gives her a torrid first lesbian sex experience! 5. SEDUCED BY AURORA (A Reluctant First Lesbian Sex Erotica Story) Kim hasn't made much of an effort to get to know the people in her neighborhood, so when she attends the neighbor's party, she's uncomfortable and ready to slip out early. The lovely Aurora has different plans, though, and she takes Kim under her wing to help her interact with the other people there. That's not all she has planned, though, because before the night is over, Kim will have her first lesbian experience, and Aurora isn't really interested in whether or not she thinks she's ready for it. Reluctant lesbian sex or not,

Aurora is ready to do anything it takes to make it happen!

**Murder by the Book?** - Sally Rowena Munt 2003-09-02  
Murder by the Book? is a thorough - and thoroughly enjoyable - look at the blossoming genre of the feminist crime novel in Britain and the United States. Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics; whether the pleasures of detective fiction can be truly transgressive; and when exactly it was that the dyke detective appeared as the new super-hero for today. Along the way Munt poses some critical questions about the relations between fiction and activism, politics and representations, the writer and the reader. This will be an enticing book both for addicts of the genre and for

~~teachers and their students.~~
