Things I Wish I'd Known Before We Got Married - Gary Chapman 2010-09-01

OVER 500,000 COPIES SOLD! "Most people spend far more time in preparation for their vocation than they do in preparation for marriage." With more than 45 years of experience counseling couples, Gary has found that most marriages suffer due to a lack of preparation and a failure to learn to work together as intimate teammates. So he put together this practical little book, packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage they envision, such as: What the adequate foundation for a successful marriage truly is What to expect about the roles and influence of extended family How to solve disagreements without arguing How to talk through issues like money, sex, chores, and more Why couples must learn how to apologize and forgive Ideal for newly married couples and those considering marriage, the material lends itself to heart-felt, revealing, and critical conversations for relational success. Read this book and you'll be prepared for—not surprised by—the challenges of marriage. - Bonus features include: Book suggestions and an interactive websites to enhance the couples' experience "Talking it Over" questions and suggestions to jumpstart conversations over each chapter Appendix on healthy dating relationships and an accompanying learning exercise

The Quick-Reference Guide to Sexuality & Relationship Counseling - Dr. Tim Clinton 2010-04-01

One of the foremost counseling needs in our day is help with sexuality and relationship issues. But sometimes those who are faced with helping the hurting could use a little more information about the problems that people bring to them. *The Quick-Reference Guide to Sexuality and Relationship Counseling* provides the answers. It is an A-Z guide for assisting people—helpers—pastors, professional counselors, youth workers, and everyday believers—to easily access a full array of information to aid them in (formal and informal) counseling situations. Each of the 40 topics covered follows a helpful eight-part outline and identifies: 1) typical symptoms and patterns, 2) definitions and key thoughts, 3) questions to ask, 4) directions for the conversation, 5) action steps, 6) biblical insights, 7) prayer starters, and 8) recommended resources. Happily Ever After - Gary Chapman 2011-12-09

"My husband and I can't seem to agree on anything!" "You spent how much!?" "My wife's parents are driving me crazy!" "You never listen to me!" Let's face it—even the best of marriages hit an occasional bump in the road now and then. The secret to marital bliss lies in how you and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man "who wrote the book" on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come.

What Are the 5 Love Languages? - Gary Chapman 2015-06-10

Simple ideas, lasting love—all in a short read In this abridged version of the New York Times bestseller *The 5 Love Languages*®, relationships expert Dr. Gary Chapman offers a trimmed-down explanation of his transformational approach to love. People express and receive love in 5 different ways, called love languages: quality time, words of affirmation, gifts, acts of service, and physical touch. The sooner you discover your language and that of your loved one, the sooner you can take your relationship to new heights. And with this summary version of the award-winning book, you don't have to read long to find out. With disarming wit, clear explanations, and inspiring storytelling, Dr. Chapman only needs a moment of your time to transform your love life.

Making Love - Gary Chapman 2008

"Let's make love." "Let's have sex." Is there a difference? You bet there is! While sex is the joining of two bodies, love is the joining of two souls. Sex without love will never be ultimately satisfying, but sex that grows out of love will take a marriage to a whole new level of satisfaction. In his trademark simple, straightforward style, Dr. Gary Chapman explores the Judeo-Christian teachings on love and sex and teaches couples that if they desire greater sexual satisfaction, they must first learn how to love.

What Makes Love Last? - John Gottman 2013-09-10

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. *A Love You Can Trust* shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of—"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. *A Love You Can Trust* guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"

The Act of Marriage After 40 - Tim LaHaye 2019-07-23

Yes, lovemaking does change after 40, but it is still the most thrilling experience two married people of the opposite sex can experience on this earth! In this practical, fun-to-read, illustrated guidebook, Tim and Beverly LaHaye cover a broad spectrum of key topics and show married couples how to experience a more satisfying and joy-filled sex life long after age 40. Millions of married couples have questions about sexual intimacy. Yet all too often, their questions go unasked . . . or unanswered. This easy-reading, medically sound book candidly addresses issues of intimacy: Does sexual desire actually reverse with aging? How does menopause affect a woman's sex drive? How can exercise and nutritional supplements improve our sex life? Is there such a thing as male menopause? What can we do to put more spark into our lovemaking? You'll learn about sexual desire and dysfunction. Understand the risk and temptation of extramarital affairs. Gain a better understanding of menopause and the dangers of breast and prostate cancer. Learn how to prepare for, and adjust to, physical changes affecting lovemaking. You and your spouse can rekindle that sexual spark in your marriage--or build even stronger intimacy and commitment.

Colored Television - Marla Frederick 2015-12-16

The presence of women and African Americans not simply as viewers, but also as televangelists and station owners in their own right has dramatically changed the face of American religious broadcasting in recent decades. Colored Television looks at the influence of these ministries beyond the United States, where complex gospels of prosperity and gospels of sexual redemption mutually inform one another while offering hopeful yet socially contested narratives of personal uplift. As an ethnography, Colored Television illuminates the phenomenal international success of American TV preachers like T.D. Jakes, Creflo Dollar, Joyce Meyer, and Juanita Bynum. Focusing particularly on Jamaica and the Caribbean, it also explores why the genre has resonated so powerfully around the world. Investigating the roles of producers, consumers, and distributors, Marla Frederick takes a unique look at the ministries, the communities they enter, and the global markets of competition that buffer them.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com.

The 4 Seasons of Marriage - Gary Chapman 2012-08-31

Spring, summer, winter, fall. Marriages are perpetually in a state of transition, continually moving from one season to another—perhaps not annually, as in nature, but just as certainly and consistently. Sometimes we find ourselves in winter—discouraged, detached, and dissatisfied; other times, we experience springtime with its openness, hope, and anticipation. On other occasions, we bask in the warmth of summer—comfortable, relaxed, enjoying life. And then comes fall with its uncertainty, negligence, and apprehension. The cycle repeats itself many times throughout the life of a marriage, just as the seasons repeat themselves in nature. The seasons of marriage come and go. Each one holds the potential for emotional health and happiness, and each one has its challenges. The purpose of this book is to describe these recurring seasons of marriage, help you and your spouse identify which season your marriage is in, and show you how to enhance your marriage in all four seasons.

Fazer amor - Gary Chapman 2012-01-01

Deus se superou quando criou o sentimento do amor entre homens e mulheres, e o sexo como prática definitiva desse amor. Mas como tudo o que Deus criou e estabeleceu, com o tempo desvirtuamos os

objetivos do Criador. Vivendo numa sociedade de extremos, em que ora vulgariza o sexo ora o conserva em tabu, temos dificuldade em desfrutá-lo até mesmo no casamento. Nele, o sexo é capaz de conduzir a relação aos mais elevados níveis de satisfação e estabelecer vínculos psicológico e espiritual únicos. Gary Chapman atesta em "Fazer amor" que o sexo, quando resultante do amor, torna-se não apenas uma experiência profundamente emocional e prazerosa, mas constitui fator de união e, conseqüentemente, de realização pessoal entre duas pessoas. No fundo, é isso que todos os casais querem, mas nem todos alcançam. Por isso, Gary Chapman, valendo-se de mais de 30 anos de aconselhamento conjugal, vem ajudar e orientar vocês. Vocês dois. Afinal este é um livro para ser lido a dois, embaixo do lençol.

Getting the Love You Want - Harville Hendrix 2001

I know of no better guide for couples who genuinely desire a maturing relationship. M. Scott Peck, author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships. Ann Roberts, former president, Rockefeller Family Fund

How Not to Hate Your Husband After Kids - Jancee Dunn 2017-03-23

'Clever, honest and hilarious . . . her book should become a baby shower classic.' Publishers Weekly 'Funny, honest and helpful.' Grazia 'Loads of useful, achievable advice.' The Pool How did I become the 'expert' at changing a nappy? Jancee Dunn wondered. This, combined with a lack of sleep, a suddenly unfair division of household chores and her husband's new found passion for very long bike rides, meant that Jancee found it hard to look at her well-meaning, clever, funny husband playing with his iPhone without feeling a white-hot rage. Like many expectant parents, they'd spent weeks researching the safest car seat but little time thinking about the titanic impact the baby would have on their marriage — and the way their marriage would affect their child. Tired of having the same fights over and over, Dunn consults the latest relationship research, solicits the counsel of renowned sex and couples therapists, canvasses friends and parents, and even consults an FBI hostage negotiator on how to effectively contain an 'explosive situation'. Could it be that the person who got her into this position is the ally she'd forgotten she had? Funny, honest and actually helpful, this book can't do the washing but it might just save your marriage.
