Missing Girl is edge-of-your-seat compelling from beginning to end." —#1 New York Times bestselling author Chloe Gong For fans of A Good Girl's Guide to Murder and Veronica Mars, this whip-smart thriller follows a sapphic detective agency as they seek the truth behind a growing trail of missing girls in small-town Louisiana. A year ago, beloved cheerleader Stella Blackthorn vanished without a trace. Devastated, her younger sister, Iris, launched her own investigation, but all she managed to do was scare off the police's only lead and earn a stern warning: Once she turns eighteen, more meddling means prison-level consequences. Then, a year later, the unthinkable happens. Iris's ex-girlfriend, Heather, goes missing, too—just after dropping the polarizing last episode of her true crime podcast all about Iris's sister. This time, nothing will stop Iris and her amateur sleuthing agency from solving these disappearances. But with a suspicious detective watching her every move, an enemy-turned-

friend-turned-maybe-more to contend with, and only thirty days until she turns eighteen, it's a race against the clock for Iris to solve the most dangerous case of her life.

Could her adoptive parents really have been responsible for kidnapping her? Running away from her family to seek out the truth, Lauren's journey takes her deeper and deeper into danger as she realises that someone wants to stop her uncovering what really happened when she was a baby. *Girl, Missing* is the book that launched the queen of teen thrillers, Sophie McKenzie, and is a must-have for readers that are yet to discover this modern classic. *Boy, Missing, the page-turning World Book Day 2022 book set in the Missing world is out now!* Other books by Sophie McKenzie: *Sister, Missing* *Missing Me* *Boy, Missing* *Hide and Secrets* *Truth or Dare* Praise for *Girl, Missing*: 'Page-turning' *The Independent* 'Will have you gripped for hours' *Sunday Express* 'Please read this book: it is brilliant!' *The Guardian* 'Whenever I hear the phrase YA thriller I only ever think of one name - and that's Sophie McKenzie. Why? Because nobody does it better' Phil Earle, award-winning author 'Sophie's thrillers are brilliant...

you can't stop reading' Robert Muchamore, bestselling author 'Brilliantly described, scary and touching' *The Daily Mirror*

[The Missing Girls of Alardyce House](#) - Heather Atkinson 2022-06-15

'Heather Atkinson is my no.1 author. She keeps you glued to her books from beginning to end.' Edinburgh 1880. When Amy Osbourne's parents are lost at sea, she is forced to leave her London home and is sent to live with her aunt and uncle at the opposite end of the country. *Alardyce House* is depressing and dreary, her aunt haughty and cruel. Amy strikes up a friendship with her cousin Edward but his older brother Henry is just as conceited as his mother, and a mutual loathing develops between him and Amy. As her weeks of mourning pass, the realisation begins to dawn on Amy that her aunt has designs on her inheritance and the candidate she favours to be her niece's husband fills Amy with horror. Struggling in this strange, unwelcoming environment, Amy begins to

Twenty years ago 21-year-old Sophie Collier
vanishes one night. She leaves nothing behind
but a trainer on the old pier - and a hole in the
heart of her best friend Francesca. Now A body's
been found. And Francesca's drawn back to the
seaside town she's tried to forget. Perhaps the
truth of what happened to Sophie will finally
come out. Yet Francesca is beginning to wish
she hadn't returned. Everywhere she turns,
ghosts from her past appear. The same old faces
that always haunted her. But if someone knows
what really happened to Sophie that night, then
now's the time to find out . . . Isn't it? Except

sometimes discovering the truth can cost you everything you hold dear - your family, your sanity and even your life . . . _____ PRAISE FOR CLAIRE DOUGLAS: 'Thrillingly tense and twisty' B A Paris 'Perfect for fans of The Girl on the Train' Marie Claire 'Packed with a killer twist' Closer 'Superb plotting' Jenny Blackhurst 'Will give you chills' Sunday Mirror 'Gripping' Closer

Trust in Me - Sophie McKenzie 2014-09-11
The bestselling author of Close My Eyes returns with a chilling psychological thriller. Julia has always been the friend that Livy turns to when life is difficult. United fifteen years ago by grief at the brutal murder of Livy's sister, Kara, they've always told each other everything. Or so Livy thought. So when Julia is found dead in her home, Livy cannot come to terms with the news that she chose to end her own life. The Julia that Livy knew was vibrant and vivacious, a far cry from the selfish neurotic that her family seem determined to paint her as. Troubled by doubt

but alone in her suspicions, Livy sets out to prove that Julia was in fact murdered. But little does she realise that digging into her best friend's private life will cause her to question everything she thought she knew about Julia. And the truth that Livy discovers will tear the very fabric of her own life apart.

of their life just to try and make it back home. Mr. and Mrs. Brown are terrified of what just may have happened to the girls. Presley Brown has the ability to push her sister Haley to fight on through her fear and distract her from wanting to go home. So sit back and prepare yourself for this amazing adventure story, and don't forget...MAGIC IS REAL!

The Missing Trilogy - Sophie McKenzie
2013-12-19

What would you do if you saw yourself as a toddler on a Missing Children's website? Lauren has always known she was adopted but when a little research turns up the possibility that she was snatched from an American family as a baby, suddenly Lauren's life seems like a sham... and it seems that the circumstances of her disappearance are murky and Lauren's kidnappers are still at large and willing to do anything to keep her silent... Two years after the events of *Girl, Missing* and life is not getting any easier for sixteen-year-old Lauren, as exam

pressure and a recent family tragedy take their toll. Lauren's birth mother takes Lauren and her two sisters on holiday in the hope that some time together will help, but when one of the sisters disappears, under circumstances very similar to those in which Lauren was taken years before, Lauren fears the nightmare might happen all over again. Six years have passed since the end of *Sister, Missing* and Madison is now a teenager. During a visit to older sister Lauren, she learns more about their biological father and sets out to track him down. Her search bears fruit sooner than she expects, but is the father she discovers all he seems? As Madison gets drawn into a mysterious investigation involving missing girls and secret hideaways, she finds herself in more and more danger... This ebook bind-up includes *Girl, Missing*; *Sister, Missing* and *Missing Me*, plus a bonus chapter of when Wolfe met Madison.

Nineteen-year-old Cash Blackbear helps law enforcement solve the mysterious disappearance of a local girl from Minnesota's Red River Valley. 1970s, Fargo-Moorhead: it's the tail end of the age of peace and love, but Cash Blackbear isn't feeling it. Bored by her freshman classes at Moorhead State College, Cash just wants to play pool, learn judo, chain-smoke, and be left alone. But when one of Cash's classmates vanishes without a trace, Cash, whose dreams have revealed dangerous realities in the past, can't stop envisioning terrified girls begging for help. Things become even more intense when an unexpected houseguest starts crashing in her living room: a brother she didn't even know was alive, from whom she was separated when they were taken from the Ojibwe White Earth Reservation as children and forced into foster care. When Sheriff Wheaton, her guardian and friend, asks for Cash's help with the case of the missing girl, she must override her apprehension about leaving her hometown—and her rule to

never get in somebody else's car—in order to discover the truth about the girl's whereabouts. Can she get to her before it's too late?

[The Missing Girls and Women of China, Hong Kong and Taiwan](#) - Hua-Lun Huang 2014-01-10

In the past century, tens of millions of women and girls have disappeared in China, Hong Kong, and Taiwan. There are many reasons: the women variously were sold as “foreign spouses”; imprisoned for their political beliefs; taken to night clubs or massage parlors to work as “escorts”; provided as “comfort women” to soldiers; or murdered by female corpse dealers and sold as “ghost brides” to families looking to give their deceased sons wives in the afterlife. The youngest girls fell victim to infanticide, the tragic result of a “one child” law in a male-dominated society. As a result of the gender imbalance these disappearances created, countless young males now suffer from the “marriage squeeze,” remaining single without families of their own. This sociological study

Downloaded from
legacy.opendemocracy.net on 2023-09-14

explores the institutional factors, develops a typology for these populations, and lays a foundation for the examination of lost populations in the future.

Isolated (The Missing Children Case Files, Book 2) - M. A. Hunter 2020-11-06

The Missing Children Case Files: Case 2 'Mind-blowingly addictive!' Samantha Lee Howe, USA Today-best-selling author of *The Stranger in Our Bed*

Missing Children - James N. Tedisco 1996-01-01
Child abduction is the most widespread form of child victimization studied. In 1992 alone, a total of 27,553 cases of missing children were reported in New York State through the Missing Children Register. The majority of missing children cases involved suspected runaways. Abduction cases accounted for one percent of the total report; those committed by family members comprised the most frequent form of abduction (as opposed to abduction by strangers). In addition, 88 percent of the

children reported missing were age 13 or older, 60 percent were girls, and 58 percent were white. Child abduction is a serious socio-economic problem. Until now there has been no text that addresses the incidence, psychological dimensions, and explanatory models of child abductions. This book fills a need by focusing on variables that assist in confronting and preventing child abductions, including teacher training, public education and awareness, psychotherapeutic techniques for families and friends of abducted children as well as the children themselves.

Village of the Lost Girls - Agustín Martínez 2019-01-24

'Gripping and atmospheric' - Sunday Times
A breath-taking missing persons thriller set under the menacing peaks of the Pyrenees. Five years after their disappearance, the village of Monteperdido still mourns the loss of Ana and Lucia, two eleven-year-old friends who left school one afternoon and were never seen again.

Downloaded from
legacy.opendemocracy.net on 2023-09-14
by guest

Now, Ana reappears unexpectedly inside a crashed car, wounded but alive. The case reopens and a race against time begins to discover who was behind the girls' kidnapping. Most importantly, where is Lucia and is she still alive? Inspector Sara Campos and her boss Santiago Bain, from Madrid's head office, are forced to work with the local police. Five years ago fatal mistakes were made in the investigation conducted after the girls first vanished, and this mustn't happen again. But Monteperdido has rules of its own. 'Addictive, atmospheric and haunting, one of the best books you'll read this year' - Jo Spain, internationally bestselling author of *The Confession*

[The Oregon City Girls](#) - Linda O'Neal 2006
Recounts the disappearances and murders of twelve-year-old Ashley Pond and her best friend Miranda Gaddis, who were sexually abused and murdered within two months of each other by Ward Weaver.

[All the Missing Girls](#) - Megan Miranda

2017-02-02

It's been ten years since Nicolette Farrell left her rural hometown after her best friend, Corinne, disappeared without trace. Then a letter from her father arrives - 'I need to talk to you. That girl. I saw that girl.' Has her father's dementia worsened, or has he really seen Corinne? Returning home, Nicolette must finally face what happened on that terrible night all those years ago. Then, another young woman goes missing, almost to the day of the anniversary of when Corinne vanished. And like ten years ago, the whole town is a suspect. Told backwards - Day 15 to Day 1 - Nicolette works to unravel the truth, revealing shocking secrets about her friends, her family, and what really happened to Corinne. Like nothing you've ever read before, *All the Missing Girls* is a brilliantly plotted debut thriller that will leave you breathless.

The Missing Girl - Jacqueline Doyle 2017

Fiction. A driver lures a young girl into his car. A

woman recalls a not-so- innocent childhood game. A man reveals much more than he'll ever tell the police. After a high school girl is murdered, everyone has an opinion. A girl wakes beside a dumpster to find slut scrawled on her body--and that's not the worst thing that happened last night. A girl speaks up after a crime--but is she telling the truth? And could you blame her if she's not? The girls who populate Jacqueline Doyle's *THE MISSING GIRL* have vanished. Or their childhoods have gone missing. In Doyle's collection of flash fictions, the voicelessness of the missing is palpable, the girls' stories whispered into a vacuum or recounted from the point of view of a predator, murderer, or voyeur. Violence lurks below the surface here, haunts the back pages of newspapers, takes up residence in your dreams. You know a missing girl. "Full of sex, lies, and vivid insights into the human compulsion to do the wrong thing, these stories go down easy but hit hard. A powerful and provocative collection."

-Frances Lefkowitz "In these dark and edgy stories, Jacqueline Doyle has made a dispassionate study of the degradation of girls and the twisted hearts of those who harm them. Most chilling is the ease with which these characters fall prey to violence and how quickly depravity finds its way past the surface of ordinary situations. Prepare to be very disturbed."--Elizabeth McKenzie "Jacqueline Doyle knows where you live. The stories in her collection, *THE MISSING GIRL*, have your address and even after the first read (and you will be back, she knows that), these stories will be moving in to stay. Whatever your usual role in a culture with an undeniable instinct for violence, Doyle's writing lures you to do more than dismiss it, more than abhor it, and yet this isn't a welcome to merely spectate, there is nothing gratuitous here unless life itself is gratuitous. In fact, Doyle has found the thread through that menace that surrounds us and is in us and is calling you in to hold onto your bit of it,

to witness. Here, Doyle choreographs the everyday dance between safety and terror, between taking the chances we need to live and not living at all. THE MISSING GIRL is a masterful work and a must read."--Tupelo Hassman "Dark, haunting, relevant, cohesive, and incredibly well conceived. I absolutely loved THE MISSING GIRL."--Simone Muench
Lost and Found - John James Kennedy
2019-05-10

In 1979, the Chinese government famously introduced The Single Child Policy to control population growth. Nearly 40 years later, the result is an estimated 20 million "missing girls" in the population from 1980-2010. In *Lost and Found*, John James Kennedy and Yaojiang Shi focus on village-level implementation of the one-child policy and the level of mutual-noncompliance between officials and rural families. Through in-depth interviews with rural parents and local leaders, they reveal that many had strong incentives not to comply with the

birth control policy because larger families meant increased labor and income. In this sober exploration of China's Single Child Policy throughout the reform period, the authors more broadly show how governance by grassroots cadres with greater local autonomy has affected China in the past and the challenges for resolving center-versus-locality contradictions in governance that lie ahead.

The Missing Girls - Rick Watson 2007-01-02
Ashley Pond was only twelve years old when she vanished from a school bus stop in a town south of Portland, Oregon. As a shocked community came together and police began a frantic search, another tragedy was just about to take place. Miranda Gaddis was Ashley's best friend. Just two months after Ashley's disappearance, Miranda was on her way to school when she, too, was abducted. Nobody knew the scandalous, unspeakable secret that the two girls shared...except for one man who lived just one block away. The police and FBI managed to

*Downloaded from
legacy.opendemocracy.net on 2023-09-14
by guest*

overlook the girls' neighbor whose daughter was a friend of Miranda and Ashley's—and who had a catalog of sexual-assault allegations behind him. Author Linda O'Neal was a private investigator

intimately involved in this shocking case. Now, she and her co-authors—also participants in the case—tell the chilling story of one town's devastating loss...and how the murderer was finally found.
