**Top Five Regrets of the Dying** Bronnie Ware 2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

**Tales from the Colony Room** Darren Coffield 2020-04-16 'Entertaining, shocking, uproarious, hilarious . . . like eavesdropping on a wake, as the mourners get gradually more drunk and tell ever more outrageous stories' Sunday Times This is the definitive history of London's most notorious drinking den, the Colony Room Club in Soho. It's a hair-raising romp through the underbelly of the post-war scene: during its sixty-year history, more romances, more deaths, more horrors and more sex scandals took place in the Colony than anywhere else. *Tales from the Colony Room* is an oral biography, consisting of previously unpublished and long-lost interviews with the characters who were central to the scene, giving the reader a flavour of what it was like to frequent the Club. With a glass in hand you'll move through the decades listening to personal reminiscences, opinions and vitriol, from the authentic voices of those who were actually there. On your voyage through Soho's lost bohemia, you'll be served a drink by James Bond, sip champagne with Francis Bacon, queue for the loo with Christine Keeler, go racing with Jeffrey Bernard, get laid with Lucian Freud, kill time with Doctor Who, pick a fight with Frank Norman and pass out with Peter Langan. All with a stellar supporting cast including Peter O'Toole, George Melly, Suggs, Lisa Stansfield, Dylan Thomas, Jay Landesman, Sarah Lucas, Damien Hirst and many, many more.

**Medical Heroes and Heretics** Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and

certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

Marvelous." --AJ Finn, author of *The Woman in the Window* My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. *Alice in Wonderland* Lewis Carroll 2009-01-01 *Alice in Wonderland* (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. No One Ever Asked Me Hollis Dorion Stabler 2005-01-01 As a young adolescent, Hollis Dorion Stabler underwent a Native ceremony in which he was given the new name Na-zhin-thia, Slow to Rise. It was a name that no white person asked to know during Hollis's tour of duty in Anzio, his unacknowledged difference as an Omaha Indian adding to the poignancy of his uneasy fellowship with foreign and American soldiers alike. Stabler's story?coming of age on the American plains, going to war, facing new estrangement upon coming home?is a universal one, rendered wonderfully strange and personal by Stabler's uncommon perspective, which embraces two worlds, and by his unique voice. ø Stabler's experiences during World War II?tours of duty in Tunisia and Morocco as well as Italy and France, and the loss of his brother in battle?are at the center of this powerful memoir, which tells of growing up as an Omaha Indian in the small-town Midwest of Nebraska, Iowa, Kansas, and Oklahoma in the 1920s and 1930s. A descendant of the Indians who negotiated with Lewis and Clark on the Missouri River, Stabler describes a childhood that was a curious mixture of progressivism and Indian tradition, and that culminated in his enlisting in the old horse cavalry when war broke out?a path not so very different from that walked by his ancestors. Victoria Smith, of Cherokee-Delaware descent, interweaves historical insight with Stabler's vivid reminiscences, providing a rich context for this singular life.

Families on the Edge Elizabeth Carpenter-Song 2023-08-15 An intimate account of rural New England families living on the edge of homelessness, as well as the practices and policies of care that fail them. *Families on the Edge* is an ethnographic portrait of families in rural and small-town New England who are often undercut by the very systems that are set up to help them. In this book, author and medical anthropologist Elizabeth Carpenter-Song draws on a decade of ethnographic research to chart the struggles of a cohort of families she met in a Vermont family shelter in

2009, as they contend with housing insecurity, mental illness, and substance use. Few other works have attempted to take such a long-term view of how vulnerability to homelessness unfolds over time or to engage so fully with existing scholarship in the fields of anthropology and health services. Research on homelessness in the United States has been overwhelmingly conducted in urban settings, so much less is known about its trajectory in rural areas and small towns. Carpenter-Song's book identifies how specific aspects of rural New England—including scarce affordable housing stock, extremely limited transportation, and cultural expectations of self-reliance—come together to thwart opportunities for families despite their continual striving to “make it” in this environment. Carpenter-Song shines a light on the many high-stakes consequences that occur when systems of care fail and offers a way forward for clinicians, health researchers, and policymakers seeking practical solutions.

**Nobody Will Tell You This But Me** Bess Kalb 2021-04-20 NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOKPAGE • NEW YORK POST • WIRED "I have not been as profoundly moved by a book in years." —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother, who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.
