Christmas Prince and Hallmark's Christmas Camp comes this new heartwarming holiday romance. Mamma Mia meets The Bachelorette in Christmas Ever After... While promoting her next novel, a Christmas love story, author Riley Reynolds is caught off guard when she's asked during a live national television interview how she can write about romance when she still hasn't found "the one" herself. Scrambling for an answer, she quickly answers that she has had great love in her past and that love inspired her novels. Little does she know that this one offhanded remark will turn her world upside down. Three of her ex-boyfriends see the interview, and each, believing she's talking about him, shows up for her Christmas Camp book event at the Christmas Lake Lodge, determined to rewrite his happily-ever-after with her! Over the festive weekend, Riley's old boyfriends compete to win her heart, pulling out all the stops while planning the most romantic Christmas dates on the planet.

Despite herself, Riley starts falling for each guy- again-but for different reasons. As Riley revisits each relationship and discovers more about herself, she embraces the magic of Christmas and finally finds true love and her own Christmas ever after... part-Sioux nieces—one an infant. Jake knows the baby can't survive the harsh western winter without a wet nurse. A marriage of convenience with this grieving mother seems to be the only answer. That Wild Cowboy - Lenora

Worth 2014

It was just a kiss... Producer Victoria Calhoun couldn't care less that famous cowboy Clint Griffin doesn't even remember it. The kiss meant that much to her, too. And all that baggage doesn't mean she has to like working with him--if you can call it work, watching him parade around on her reality TV show. She won't fall for his

charms again, even if Clint is trying to convince her he's much more than his swagger. Even if the way he looks at her makes her want to believe him. She'll do her job and get out with her heart intact. Her heart, though, seems to have its own ideas....

A Southern Reunion - Lenora Worth 2011-11-29

The story was for her own good. No matter how many times Cal Collins repeats this he still regrets breaking Cassandra Brennan's heart. Yet what choice did he have all those years ago? The truth would have destroyed her family. But Cassie is back in her South Georgia home once more, and Cal is rethinking that decision. From the moment they meet again all those intense feelings reignite and he wants another chance. First, he'll have to win her trust, which means revealing the truth. Then he can prove that a future with him is for her own good now.

The Life of Riley - Lenora Worth 2012-10-30

"Georgia socialite Riley Sinclair

is finally embracing the life she wants. But the news of her successful embryo implant pregnancy--her second chance at motherhood--brings her face-to-face with her ex-husband, Jackson. Fine. She knows how to handle him ... most of the time. Too bad the unresolved passion is complicating matters. Worse, the problems that pulled them apart are back, too! Sure, he seems to be handling their relationship differently. But with all that's gone on between them, can Riley really believe he's changed his run-when-things-get-tough habits? Some impressive proof is certainly required. And when Jackson delivers exactly that ... well, Riley might have to say yes!"--Publisher.
