Unequal Opportunity - Richard J. Wolitski 2008

Most public health students, academicians, and practitioners recognize the association between racial/ethnic minority status and the disproportionate burden of preventable disease in the United States. Much less attention has been directed, however, toward health disparities that affect gay and bisexual men. These disparities affect the lives of an estimated 5.3-7.4 million American men, and are an important concern for public health. Until very recently, the relative invisibility of this group and a paucity of empirical data have hampered attempts to identify health disparities experienced by gay and bisexual men. This book reviews and synthesizes evidence of health disparities among gay and bisexual men, identify individual and community factors that contribute to these disparities, and articulate strategies for public health efforts to eliminate disparities. To date, these disparities have been largely discussed in isolation in the research literature in a manner that does not permit a comprehensive examination of these problems, their underlying causes, and potential solutions. Thus, a primary emphasis of the book is documenting health disparities among gay and bisexual men while also describing public health solutions to these challenges.

Those Who Wait - Haley Cass 2020-03-31

Sutton Spencer's ideas for her life were fairly simple: finish graduate school and fall in love. It would be a lot simpler if she could pinpoint exactly what she should do when she graduates in less than a year. Oh, and if she could figure out how to talk to a woman without feeling like a total mess, that would be great too. Charlotte Thompson is very much the opposite. She's always had clear steps outlining her path to success with no time or inclination for romance. Her burgeoning career in politics means everything to her and she's not willing to compromise it for something as insignificant as love. Fleeting, casual, and discreet worked

perfectly fine. When they meet through a dating app, it's immediately clear that they aren't suited for anything more than friendship. Right?

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or

equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Adam's Gift - Jimmy Creech 2011-04-04

The inspiring first-person account of a minister whose ordination credentials were revoked by The United Methodist Church after he performed same-gender commitment ceremonies.

A Love Story for Bewildered Girls - Emma Morgan 2019-02-07

Grace loves a woman. Annie loves a man. Violet isn't quite sure. But you'll love them all... Grace has what one might call a 'full and interesting life' which is code for not married and has no kids. Her life is the envy of her friends, who assume she doesn't want the trappings of married life. But all this time she has been waiting in secret for someone to hit her so hard that she would run out of breath, like the way a wave in a rough sea knocks you over... When Grace meets a beautiful woman at a party, she falls suddenly and desperately in love. At the same party,

lawyer Annie meets the man of her dreams - the only man she's ever met whose table manners are up to her mother's standards. And across the city, Violet, who is mostly afraid of everything, is making another discovery of her own: that for the first time in her life she's falling in love with a woman. *A Love Story for Bewildered Girls* is a hilarious and heart-warming novel tale of female friendship and first love in all its guises. 'I absolutely loved this book by Emma Morgan which follows 3 women's very different love lives... I inhaled it' Emma Gannon, Sunday Times best-selling author and host of the podcast *Ctrl-Alt-Delete*

Sexual Fluidity - Lisa M. Diamond 2008

Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

Rosewater - Liv Little 2023-04-20

THE HOTTEST DEBUT NOVEL OF 2023 "Frank, sexy, and so tender. Little's pen shines" Bolu Babalola, author of *Love in Colour* "A beautifully rendered story about love's possibilities and its limits. I laughed, I cried, couldn't put it down" Monica Heisey, author of *Really Good, Actually* "An effervescent and irresistible new voice" Coco Mellors, author of *Cleopatra and Frankenstein* "A wonderfully fresh, zesty and sexy debut novelist who is putting black queer lives, loves and longings centre stage, where they belong" Bernardine Evaristo, author of *Girl, Woman, Other* "Full of energy, wit and excitement, this is a book to watch" Stylist "Bold debut novel . . . free-spirited . . . amazing" *Cosmopolitan* "A paeon to a queer love affair that's sexy, complex and romantic. Effortlessly capturing our uncertain zeitgeist" *Evening Standard* Elsie is a sexy, funny, and fiercely independent woman living in South London. But, at just 28, she is also tired. Though she spends her days writing tender poetry in her journal, her nights are spent working long hours for minimum wage at a neighbourhood gay bar. The difficulty of being estranged from her family, struggle of being continually rejected from jobs, and fear of never making money doing what she loves, is too great. But Elsie is determined to keep the faith, for a little longer at least.

Things will surely turn around. They have to. As she tries to breathe through the panic attacks, sleeping with her hot and spirited co-worker Bea isn't exactly straightforward and offers Elsie just another place to hide. As Elsie tries to reconnect with her best friend Juliet, her fragile world spirals out of control. Can Elsie steady herself and not fall through the cracks?

The Transformation of Intimacy - Anthony Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

One Last Stop - Casey McQuiston 2021-06-01

INSTANT NEW YORK TIMES BESTSELLER *INSTANT USA TODAY BESTSELLER* *INSTANT #1 INDIE BESTSELLER* From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft

smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, otherworldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal* and *Party for Two*

Domestic Violence and Sexuality - Donovan, Catherine 2014-04-29

This book provides the first detailed discussion of domestic violence and abuse in same-sex relationships, offering a unique comparison between same-sex and heterosexual contexts. Catherine Donovan and Marianne Hester examine how experiences of domestic violence and abuse are shaped by gender, sexuality, and age, seeking to understand what factors drive victims to seek?or not seek?help. Employing a pioneering methodology that includes both quantitative and qualitative research, they provide a new framework of analysis?what they call ?practices of love"?that challenges heteronormative models of engaging domestic violence in research, policy, and practice.

Paper Love - Jae 2018-08-29

Susanne Wolff isn't thrilled when she's sent to save her uncle's stationery store. Paper Employee Anja instantly dislikes the digital-loving snob who's her fill-in boss. Thanks to a meddling cat and an armada of origami boats, Susanne discovers how sexy pens, notebooks, and certain stubborn employees can be in this sweet lesbian romance.

Employment Statutory Code of Practice - Equality and Human Rights Commission 2011-01-01

On cover and title page: Equality Act 2010 code of practice

Lesbian, Gay, Bisexual & Transgender Campus Organizing - Curtis Frederic Shepard 1995

Bound to be the definitive work for years to come, this user-friendly manual contains resources, strategies, suggestions, tips, photographs, charts, lists, and other information for gaining antidiscrimination protections, forming support groups, increasing visibility, and securing equality in higher education.

Love is for Losers - Wibke Brueggemann 2021-01-21

A laugh out loud look at first love, loss and trying to avoid the girl of your dreams. What a stupid expression that is in the first place: To fall in love. Like you fall into a ditch or something. Maybe people need to look where they're going. As far as Phoebe Davis is concerned, love is to be avoided at all costs. Why would you spend your life worrying about something that turns you into a complete moron? If her best friend Polly is anything to go by, the first sniff of a relationship makes you forget about your friends (like, hello?), get completely obsessed with sex (yawn) and bang on constantly about a person who definitely isn't as great as you think they are. So Phoebe isn't going to fall in love, ever. But then she meets Emma . . . Love is for Losers by Wibke Brueggemann is a hilarious, life-affirming novel about all the big stuff: love, sex, death, family, heartbreak, kittens . . . and kisses that turn the whole world upside down.

The Health of Lesbian, Gay, Bisexual, and Transgender People - Institute of Medicine 2011-06-24

At a time when lesbian, gay, bisexual, and transgender individuals--often referred to under the umbrella acronym LGBT--are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status. While LGBT populations often are combined as a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and age, any of which can have an effect on health-related concerns and needs. The Health of

Lesbian, Gay, Bisexual, and Transgender People assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report examines the health status of these populations in three life stages: childhood and adolescence, early/middle adulthood, and later adulthood. At each life stage, the committee studied mental health, physical health, risks and protective factors, health services, and contextual influences. To advance understanding of the health needs of all LGBT individuals, the report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. The Health of Lesbian, Gay, Bisexual, and Transgender People is a valuable resource for policymakers, federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers.

The Lesbian Sex Haiku Book (with Cats!) - Anna Pulley 2016-04-19

Lesbian sex has been confounding people since the dawn of time. What is it that two women do together exactly? The Lesbian Sex Haiku Book (with Cats!) is a humorous guide to lesbian sex, dating rituals, and relationships, and aims to dispel all myths. Haiku paired with hilarious watercolor illustrations of cats in various stages of sexual awkwardness will enlighten, demystify, remystify, and most importantly entertain as you learn about all the aspects involved in girl-on-girl action. From lesbian pick-up lines: Pronounce Annie Proulx's name correctly—watch lady's cargo pants fall off. To icebreaker haiku for first dates: It has been MANY years, but I'm not done griping about The L Word. To, of course, the mechanics of lesbian sex: It's like straight sex but afterwards we ask ourselves, "We just had sex, right?" Lesbian sex is like water polo—no one really knows the rules. This laugh-out-loud book is the perfect gift to amuse and educate your friends, loved ones, and lovers.

Lesbian Ethics - Sarah Lucia Hoagland 1988

Challenging control in lesbian relationships, this book develops an ethics relevant to lesbians under oppression.

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Anne Frank's Tales from the Secret Annexe - Anne Frank 2010

"In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps.
