

Penelope Pan A Dark Satirical Comedy In Which Sex Politics And Terrorism Collide English Edition

Wonder, Horror, Mystery - Morgan Meis 2021-12-22

Wonder, Horror, Mystery is a dialogue between two friends, both notable arts critics, that takes the form of a series of letters about movies and religion. One of the friends, J.M. Tyree, is a film critic, creative writer, and agnostic, while the other, Morgan Meis, is a philosophy PhD, art critic, and practicing Catholic. The question of cinema is raised here in a spirit of friendly friction that binds the personal with the critical and the spiritual. What is film? What's it for? What does it do? Why do we so intensely love or hate films that dare to broach the subjects of the divine and the diabolical? These questions stimulate further thoughts about life, meaning, philosophy, absurdity, friendship, tragedy, humor, death, and God. The letters focus on three filmmakers who challenged secular assumptions in the late 20th century and early 21st century through various modes of cinematic re-enchantment: Terrence Malick, Lars von Trier, and Krzysztof Kieślowski. The book works backwards in time, giving intensive analysis to Malick's *To The Wonder* (2012), Von Trier's *Antichrist* (2009), and Kieślowski's *Dekalog* (1988), respectively, in each of the book's three sections. Meis and Tyree discuss the filmmakers and films as well as related ideas about philosophy, theology, and film theory in an accessible but illuminating way. The discussion ranges from the shamelessly intellectual to the embarrassingly personal. Spoiler alert: No conclusions are reached either about God or the movies. Nonetheless, it is a fun ride.

Paro - Namita Gokhale 2011-06-09

First published in 1984, to both notoriety and critical acclaim, *Paro* remains a social comedy without parallel in contemporary Indian writing. *Paro*, heroic temptress, glides like an exotic bird of prey through the world of privilege and Scotch that the rich of Bombay and Delhi inhabit. She is observed closely by the acid Priya, voyeur and obsessive diarist, who lost her heart to the sewingmachine magnate BR, and then BR to *Paro*. But he is merely one among a string of admirers. *Paro* has seduced many: Lenin, the Marxist son of a cabinet minister; the fat and sinister Shambhu Nath Mishra, Congress Party éminence grise; Bucky Bhandpur, test cricketer and scion of a princely family; Loukas Leoras, a homosexual Greek film director; and, very nearly, Suresh, the lawyer on the make whom Priya has married . . .

Violent Modernists - Kai Evers 2013-10-31

Accounts of rape, murder, mutilation, and torture run like a bloodred thread through modernist literature in the German language. Previous accounts of German literary modernism have linked its fascination with violent destruction either to the militant avant-garde on the left or to fascist modernism on the right. Critics have noted that high modernists depicted violence through its impact on their own victimized protagonists. But by minimizing and ignoring the often disturbing attraction to aggression in the works of Franz Kafka and others, these prevalent readings have filtered out much of the provocative and productive potential of German modernism. Kai Evers's *Violent Modernists: The Aesthetics of Destruction in Twentieth-Century German Literature* develops a new understanding of German modernism that moves beyond the oversimplified dichotomy of an avant-garde prone to aggression on the one hand and a modernism opposed to violence on the other. Analyzing works by Robert Musil, Franz Kafka, Karl Kraus, Walter Benjamin, Elias Canetti, and others, Evers argues that these authors are among the most innovative thinkers on violence and its impact on contemporary concepts of the self, history, and society.

Curiosities Of Literature - Isaac Disraeli 1834

Hollywood Genres: Formulas, Filmmaking, and The Studio System - Thomas Schatz 1981-02

The central thesis of this book is that a genre approach provides the most effective means for understanding, analyzing and appreciating the Hollywood cinema. Taking into account not only the formal and aesthetic aspects of feature filmmaking, but various other cultural aspects as well, the genre approach treats movie production as a dynamic process of exchange between the film industry and its audience. This process, embodied by the Hollywood studio system, has been sustained primarily through genres, those popular narrative formulas like the Western,

musical and gangster film, which have dominated the screen arts throughout this century.

Print, Publicity, and Popular Radicalism in the 1790s - Jon Mee 2016-05-26

Reveals the development of the idea of 'the people' through print and publicity in 1790s London. This title is also available as Open Access.

High & Low - Kirk Varnedoe 1990

Readings in high & low

Tragedy and Myth in Ancient Greece - Jean-Pierre Vernant 1981

Epistemologies of the South - Boaventura de Sousa Santos 2015-11-17

This book explores the concept of 'cognitive injustice': the failure to recognise the different ways of knowing by which people across the globe run their lives and provide meaning to their existence. Boaventura de Sousa Santos shows why global social justice is not possible without global cognitive justice. Santos argues that Western domination has profoundly marginalised knowledge and wisdom that had been in existence in the global South. She contends that today it is imperative to recover and valorize the epistemological diversity of the world.

Epistemologies of the South outlines a new kind of bottom-up cosmopolitanism, in which conviviality, solidarity and life triumph against the logic of market-ridden greed and individualism.

Greek Rural Postmen and Their Cancellation Numbers - Derek Willan 1994

Cachets / numbered handstamps of Greece / cancellation types / Nummernstempel.

The Film Book - Ronald Bergan 2021-03-30

Beyond Nineteen Eighty-four - William Lutz 1989

This book probes the efforts at manipulation individuals face daily in this information age and the tactics of persuaders from many sectors of society using various forms of Orwellian "doublespeak." The book contains the following essays: (1) "Notes toward a Definition of Doublespeak" (William Lutz); (2) "Truisms Are True: Orwell's View of Language" (Walker Gibson); (3) "Mr. Orwell, Mr. Schlesinger, and the Language" (Hugh Rank); (4) "What Do We Know?" (Charles Weingartner); (5) "The Dangers of Singlespeak" (Edward M. White); (6) "The Fallacies of Doublespeak" (Dennis Rohatyn); (7) "Doublespeak and Ethics" (George R. Bramer); (8) "Post-Orwellian Refinements of Doublethink: Will the Real Big Brother Please Stand Up?" (Donald Lazere); (9) "Worldthink" (Richard Ohmann); (10) "'Bullets Hurt, Corpses Stink': George Orwell and the Language of Warfare" (Harry Brent); (11) "Political Language: The Art of Saying Nothing" (Dan F. Hahn); (12) "Fiddle-Faddle, Flapdoodle, and Balderdash: Some Thoughts about Jargon" (Frank J. D'Angelo); (13) "How to Read an Ad: Learning to Read between the Lies" (D. G. Kehl); (14) "Subliminal Chainings: Metonymical Doublespeak in Advertising" (Don L. F. Nilsen); (15) "Doublespeak and the Polemics of Technology" (Scott Buechler); (16) "Make Money, Not Sense: Keep Academia Green" (Julia Penelope); (17) "Sensationspeak in America" (Roy F. Fox); and (18) "The Pop Grammarians--Good Intentions, Silly Ideas, and Doublespeak" (Charles Suhor). Three appendixes are attached: "The George Orwell Awards," "The Doublespeak Award," and "The Quarterly Review of Doublespeak." (MS)

Strategic Imaginations - Anke Gilleir 2020-12-15

Imaginations of female rule and the imaginative strategies of women rulers What is the gender of political power? What happens to the history of sovereignty when we reconsider it from a gender perspective? Political sovereignty has been a major theme in European thought from the very beginning of intellectual reflection on community. Philosophy and political theory, historiography, theology, and literature and the arts have, often in dialogue with one another, sought to represent or recalibrate notions of rule. Yet whatever covenant was imagined, sovereign rule has consistently been figured as a male prerogative. While in-depth studies of historical women rulers have proliferated in the past decades, these have not systematically explored how all women rulers throughout the entirety of European culture have had to operate in a context that could not think power as female – except in grotesque terms.

Strategic Imaginations demonstrates that this constitutive tension can only be brought out by studying women's political rule in a comparative and longue durée manner. The book offers a collection of essays that brings together studies of female sovereignty from the Polish-Lithuanian to the British Commonwealth, and from the Middle Ages to the genesis of modern democracy. It addresses historical figures and takes stock of the rich yet unsettling imagination of female rule in philosophy, literature and art history. For all the variety of geographical, social, and historical contexts it engages, the book reveals surprising resonances between the strategies women rulers used and the images and practices they adopted in the context of an all-pervasive skepticism toward female rule.

Frank Zappa, Captain Beefheart and the Secret History of Maximalism - Michel Delville 2005

A comparative account of the musical and cultural acts of Zappa and his cohort, collaborator and antagonist Captain Beefheart. Written in the iconoclastic spirit of Zappa's art, this book traces the mixed media experiments of California freakdom through the dada blues of Beefheart, mapping out the pleasures of imaginative excess.

Punk 57 - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Twelve Angry Men - Reginald Rose 2006-08-29

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character

study and an examination of the American melting pot and the judicial system that keeps it in check, *Twelve Angry Men* holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Sticking Up for Siblings - Colin Brazier 2013

Sticking Up For Siblings: Who's Deciding the Size of Britain's Families? explains how recent shifts in academic thought are consistently showing a brother or sister to be a potentially powerful vector for social adjustment, moral capital, emotional intelligence, and even exam performance.

Ulysses - James Joyce 2022-10-19

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

Sexual Personae - Camille Paglia 1990-09-10

From ancient Egypt through the nineteenth century, *Sexual Personae* explores the provocative connections between art and pagan ritual; between Emily Dickinson and the Marquis de Sade; between Lord Byron and Elvis Presley. It ultimately challenges the cultural assumptions of both conservatives and traditional liberals. 47 photographs.

The Routledge History of Literature in English - Ronald Carter 2001

This is a guide to the main developments in the history of British and Irish literature, charting some of the main features of literary language development and highlighting key language topics.
