After some online chatting and playing sessions, Nina takes a train and comes to visit Anna and Jonathan for a weekend. A very hot and steamy weekend with a little bit of taboo. Good In Bed Jennifer Weiner 2008-09-04 From the bestselling author of *In Her Shoes*, *All Fall Down* and the forthcoming novel *Who Do You Love*, *Good in Bed* is a funny and tender story full of heart. *Cannie Shapiro* never wanted to be famous. And for the past twenty-eight years, things have been tripping along nicely for *Cannie*. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend *Bruce*. But now this... 'Loving

Unfortunately, the board of directors had other ideas—they accepted a buyout offer from a health care conglomerate with plans to close the hospital's doors to the community that depended on it. And Presley Worth, a high-powered corporate financier, came to town to oversee the closure. Funny thing was, no one asked Harper, and she had no intentions of following anyone's orders but her own—no matter how beautiful, smart, or commanding the new boss might be.

Sex When You Don't Feel Like It Cyndi Darnell 2022-06-10

"Distinguishes between love and desire to breakdown myths around sex and help readers cultivate an authentic sex life"--

Risky Words Allie J. Wright 2021-06-01 I land my dream job as a feature columnist. The catch? They think I'm a "sexpert." Now I'm writing about sex toys and visiting the notorious Club XTC. That's right-sexually inexperienced, sheltered, lil ol' me, at a swingers club. You'd think my husband David would be thrilled that I'm learning new tricks to bring home at night, right? You'd be so wrong. Listen. I'll admit it. Our sex life has been on a bit of a hiatus lately. But that's to be expected after the honeymoon period is over, isn't it? Plus, who has the time? I'm working overtime to juggle the column, my new TV gig, and writing a book proposal. The rare time I am home? He's out wining and dining my gorgeous colleague, Crystal. She's writing a major profile on his floundering company, and it requires a suspicious amount of alone time with David. If I don't find a way to get out of this mess, Crystal's going to steal my job, my husband, and my happily-ever-after.

Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

Facility, deep in California's Central Valley. Outside is the world from which she has been severed: her young son, Jackson, and the San Francisco of her youth. Inside is a new reality: thousands of women hustling for the bare essentials needed to survive; the bluffing and pageantry and casual acts of violence by guards and prisoners alike; and the deadpan absurdities of institutional living, portrayed with great humor and precision. Stunning and un sentimental, *The Mars Room* is "wholly authentic...profound...luminous" (The Wall Street Journal), "one of those books that enrage you even as they break your heart" (The New York Times Book Review, cover review)—a spectacularly compelling, heart-stopping novel about a life gone off the rails in contemporary America. It is audacious and tragic, propulsive and yet beautifully refined and "affirms Rachel Kushner as one of our best novelists" (Entertainment Weekly).

Master The Art Of: Picking Up Women, Sex & Seduction, Dating

Women (3 books in 1) Kelly Wallace 2020-07-07 I've been a relationship expert for a couple of decades now and mainly help women. As a counselor they trust me with their hearts and souls. They share everything with me; things they wouldn't tell anyone else, not even their closest friend. Over the years I've gathered a lot of information from these ladies and discovered why it's so hard for guys to pick them up and hang on to them. The fairer sex really isn't as difficult to understand as you might think, but one thing is for certain: you've probably been going about it all wrong. So how do you attract lots of women to date or find the one perfect woman and eventually marry her? How do you say the right things so you don't turn her off? How can you learn to attract women even if you're terribly shy? How can you please her like no other man has before? How can you find true love even after you've been burned over and over again? out! In part one of the book I'll share tips on attracting women, flirting, creating sexual tension, and more. In part two we'll cover seducing a woman, how to be an incredible kisser, being great in bed, and other topics. In part three we'll focus on dating online, offline, and how to have more dates than you can keep up with or find "the one".

LOVE SEASON (HOT STORY) Bennet Thomas 2022-12-29 In their late 20s, Anna and Jonathan are a contented married couple. However, Anna has a fantasy about one specific female who she would like to invite into her pair for a committed, long-term commitment. A little touch of sweet and sensual taboo starts off a very hot and steamy weekend... A concerning Three-way Weekend of Love, Friendship, and Happiness Read some sexy short stories in bed Stories of very graphic adult sex and erotica ideal for men and women who enjoy sophisticated and sexy hardcore sex A tried-and-true collection of sexy hardcore sex stories for women, men, and couples looking for traditional easy-to-read erotica and sex stories for women with very explicit sex scenes is called "Sexy Short Stories to Read in Bed." Consider this. Don't we all need some lovely, spicy, and sexy short stories to read before bed before going to sleep so we can wind down and have a little fun? In the morning, to start your day off well, or even on those protracted and monotonous commutes where a little sensuality might... You know, I guess... The third book in the series is titled "Sexy Short Stories to Read in Bed - A Difficult Three-Way Weekend Between Friendship and Love..." Unlike the preceding two volumes, it just has one plot and features three characters: Anna, her husband Jonathan, and Nina, their sassy and mischievous companion. However, the narrative is broken up into a number of little erotica and sex stories that will have you biting your lips one after the other. possibly even more This book's narrative is pretty simple to describe. her pair for a committed, long-term commitment. After engaging in some online playing and speaking, Nina boards a train and travels to spend the weekend with Anna and Jonathan. an extremely hot, steamy, and rather scandalous weekend. This collection of short stories is not about romance, just as the other book in the series. My short stories always have a love, friendship, and cheeky theme, but they are quite direct and have very frank sex scenes. They are written to be read quickly and easily multiple times in five to ten minutes. My book was created for you if you occasionally want to indulge in a little selfish sex! Oh, but if you're with someone else, reading them aloud is also an option. Your decision! slyly yours...

Deflowered Rosebuds Andrea Tuppens 2020-07-23 How would you like to read this story? The Call Girl Mistake (When Three Men Took Me!) A Rough and Reluctant Younger Woman Gangbang Story by Andrea Tuppens When the man showed up naked in the hotel room bathroom and saw me in the bath, he thought I was a prostitute his friend had hired. Before I could really react, his cock was in my mouth! It was such a strange and crazy situation, and I felt like a slut for not correcting him. I really felt like a slut when suddenly other men joined in! I had only just arrived in the city, and I certainly never expected to have an adventure like that before I even checked into the dorms. Hell, I never expected any of my college adventures would get as far as a gangbang with my first anal sex and double penetration! That's just one of the tales of beautiful backsides bent over for backdoor blasting in this sexy collection. Click now and it can be on your Kindle device in almost no time at all! Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first anal sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the other tails: (Yes, we spelled it that way on purpose.) 2. Bart is Home! (And My Whole Body Knows It!) being gone for weeks, and I couldn't have been happier! We didn't say anything at all but immediately fell to the bed in a passionate and wild "I missed you like crazy!" bout of rough sex. It wasn't long before I couldn't handle the orgasms so I begged him to do something different. That was when he told me how some of the guys at the internship had bragged about things we hadn't tried. I was good to go but I had no idea that meant my first anal sex!

3. Bent on the Boat A Rough First Anal Sex with Stranger Erotica Story by Sandra Strike When Sophie's best friend suggests she try an online dating site, she of course refuses. That doesn't stop Kat from creating a profile, and by the time Sophie can get her to give up the login information, she already has a match. She's still hesitant, but she's intrigued and agrees to go on a half-day fishing cruise. The only problem is her date doesn't show up! It would be a humiliating bust if the captain weren't such a perfect and charming man. She decides to do the fishing trip with him, and she's amazed at how wonderful he is. In fact, she can't say no when he decides he can't resist her, and he's about to give her a rough sex encounter she'll never forget, complete with her first anal sex experience!

4. Daymon's Happy Birthday A First Anal Sex Erotica Story by Patti Drew When I discovered my husband had a secret bucket list and that one of the items was anal sex, I determined to make his birthday something he'd never forget. I was terrified. I'd heard horror stories about anal sex but I was determined that no matter what happened, I'd go through with it. Daymon's thirty-fifth birthday present would be his wife, ready and willing to have her first anal sex.

5. Ron and My Backdoor (A Tail of Cuckolding) A First Anal Sex Erotica Story by Kitty Lee Yes, we know we spelled "tale" as "tail." We're clever that way. In this story, a lovely wife is finally ready to fulfil her husband's cuckolding fantasy, and it's not a bad thing to know she has a hell of an attractive partner to help her with that. Ron is sexy, charming, and just what she needs to feel comfortable about the experience. Did we say comfortable?

Maybe we should rephrase that because there's one thing Ron's going to do that she's not expecting. He's going to take her untouched backdoor and give her a first anal sex experience!

Online Dating For Men 101 Adam Glasier 2019-03-18 In a world where it's no longer acceptable besides bars and clubs to tell her she's attractive (at least without being rejected, receiving a sexual harassment lawsuit, and being publicly humiliated), there is only one place left for guys to go that's safe to approach women and where women WANT a man's attention: Online dating. When it comes to online dating, some men love it, while others shun it like a de-masculinizing plague. Online dating has a bad reputation among certain groups of men as being a waste of time or even an excuse to not meet women in the real world. But they have no idea that, with just a few hacks, online dating will save any man from a loveless, sexless existence. Love it or hate it, online dating is here to stay. This is the most comprehensive book on the market for online dating geared specifically toward men. Too many men have tried online dating, only to report that no woman answered their hundreds of messages and the dates they did have didn't end up going anywhere. This book will teach you what every other guy has been doing **WRONG**: - How to maximize your potential attractiveness to women - How to build the best online dating profile - How to send messages to women that **ACTUALLY** get responses - How to talk to women and get them to date you - How to get a one-night-stand from online dating - How to find a long-term relationship with online dating Throughout this book filled with raw experience and humor with a tough edge, you will learn all about the true psychology of women and how to "hack" their hypergamous nature using the techniques and tactics of online dating. Online dating might seem like rejection after rejection, but this book will teach you how to play the numbers game to your advantage and win more easily than every other guy on the web! I know that dating over 40 can sometimes feel as deserted as Death Valley in summer time or like a unpredictable minefield of disastrous dates. But, you don't have to be disheartened. I wrote my ebook to show you how to shift your attitude, appearance and approach to the opposite sex, so you always get the best results possible from your dating life. It's easy to be confused about dating over 40. When you were 20 maybe you were busy having fun and developing your career and thought you'd be married by 30. And when you were 30, perhaps you thought 40 would be your time to settle down and find your perfect companion. But here you are, 40+, and you're still single. they're not! Now that I'm over 40, I've learned something interesting: Dating over 40 isn't all that different from dating under 40. Really! A lot of people who are over 40 want to get back into dating, but they are nervous. I was too, but you don't have to be. I can help you get back in the saddle. Many people don't really know where to meet people and find dates. I didn't either, but now I do, even places to meet specific types of people. I can help you find the best places to meet people you'd actually like to date! Lots of folks are so disheartened and frustrated with their dating experiences that they are ready to call it quits. I know dating can be frustrating, but I can help you keep a positive attitude about dating so you can enjoy yourself instead of seeing it as a chore. Maybe your first date after reading this book won't be perfect. Your second might not be either. But this book isn't about finding the perfect date; it's about making all aspects of your dating life better. I can't promise you you'll find Mr. or Mrs. Right by reading this book (I'm still looking!), but I can tell you that you can be more confident, more comfortable, a better conversationalist, and more adventurous if you take the advice in this book to heart. And, most importantly, you can have more fun! I hope my book helps you become a happier and more successful participant in the over 40 dating scene. Make it a great date! -

with Bi+ men who are or were married to women, helping readers find connection, understanding, and community. Their experience is often erased as "not queer enough", but these men are queer, and they are challenging societal norms in important and innovative ways. Written by the host of 'Two Bi Guys', this book intersperses Robert's bisexual journey with the diverse stories of other Bi+ men to help normalize sexual fluidity and create more awareness and compassion. Each chapter is framed around a bisexual married man's story which touches on an important theme in many people's journey, such as coming out, monogamy, intersectionality, porn, marriage, parenting, and finding community, with Robert sharing his thoughts, research, and analysis. This book shares interviews with men and a few of their wives from a wide array of cultural and regional backgrounds, religious family structures, and more, helping bisexual men find pride, validation, and joy in their sexual identity. This book is written about and for bisexual and questioning men so they can see their experience represented. However, it is also for their partners, family, and friends - as well as students, researchers, clinicians with bisexual clients, and allies - so that they can better understand the unique challenges of this identity and provide meaningful support.
