Love, Sex and Situationships - Nicole Raye 2015-01-07

Dating blows. Simple as that. It's fun, awkward, sexy, and horrifying. This book is not for the lighthearted, the easily offended, or the sober. This book is not for the girl who doesn't want to hear that the reality of love and relationships can't be found in your favorite rom-com. It's for the girls who want to know that some other girl is just as embarrassing and emotionally screwed up as them, and there is hope...maybe. This is for the girls who know there are rules to dating, even when you don't want to follow them-and you don't always have to follow them. It's about knowing you're one hot bitch and you do what you want because, well...fuck it.

Sex! Success! Screwed! - William Bryant 2016-12-08

This book is about commencing my life with nothing but overcoming severe, next-to-impossible obstacles meanwhile attaining great success in military service, business, and politics, but failing in love. Most readers of this book will recall a similar situation in their past. Sex orientation was not the dominating force in my early life while being reared in poverty-stricken West Virginia, but it became a dominating force later. I was tall, thin, partially color-blind and unsure of my sexual desires, but I managed to become a decorated navy combat pilot in World War II. While aboard the carrier in the Pacific battle zone, I was invited to the quarters of the third officer in command, and after arrival, I knew that he wanted to have sex with me, but a quirk ended the session. I always looked much younger than my age and was a prime target for gay men.

Bareback Sex Stories : Tales of Bareback Sex Breeding - Rick Donahue 2013-04-04

If you love bareback sex stories then you will love these erotic short stories by Blackzilla writer Rick Donahue. Story One: It started from as early as when I just started having sex back in high school. I did not fuck

with a condom then, when I went to college and had so many fuck partners that I lost count after a while, and I still don't, even to this day. When I had finally settled down with just one woman however, my need to fuck a pussy with nothing between it and my cock was an issue with her at first. However, after I begged her to try it, she loved it as much as I did and there has been no using of condoms in our fuck life ever since. Story Two: My best friend was always getting on me about always fucking without a condom; telling me about the dangers over and over again, as if she really thought that her gloom and doom was going to get me to fuck with a condom; especially with the hunk of a man that I was fucking now. Hell no, I don't think so. Story Three: We were stuck in a shallow cave after a snow storm; not knowing whether or not we were going to be rescued or if we were going to freeze to death before they found us. To keep warm and to remind ourselves that we were still alive we allowed our fuck organs to meet; as his cock sliced inside my pussy; feeling so fucking good with nothing between my pussy and his cock. Screwed By My Best Friend's Boyfriend: Taboo Hot Cheating Erotica - Stacy Stone

My best friend's boyfriend was so freaking sexy. I couldn't resist him, and I knew based on the way he stared at my ass, he couldn't resist me either. We both wanted each other, and one day we finally ended up screwing. I knew it was wrong, but it felt so good as he filled me with his huge shaft. He also stretched my ass apart so good... I'd never had anal sex before, it was my first time, and it was also my first time blowing such a big rod. I knew I was being naughty, but I didn't care. My best friend's boyfriend screwed me so good.

Screwed (Book 3) - Sophia Gray

Screwing Up Love - James V. Downton, Jr. 2013-02-20

Screwing Up Love is a "wild romp through the brambles of love." It's written from the point of view of Dr. Bob, The Love Coach, a literary creation of Jim Downton. Dr. Bob is a former stand-up comedian who has a sense of humor and also keen insights into the different ways that people make a mess of love. Each chapter covers an important issue, for example, how a couple can mess up love by constantly digging into each

other with harsh criticisms. The subtitle of the book is "How to Make Love Grow and Last." How to do that? Dr. Bob adds love coaching tips at the end of each chapter. By following the tips, people will quit screwing up love and, instead, will make it grow. Dr. Bob is direct, honest, and with a lively sense of humor, so the book is not only full of insights about love; it's fun to read.

My First Time - Jen Thorpe 2012

As women, we all have a story within us about a sexual experience that was unforgettable. Perhaps it was incredible, earth shattering, life changing, and wonderful. Perhaps it wasn't romantic or pleasurable, but awkward, painful or forced upon us. Many of us have kept our experiences secret because, by exposing our stories, we expose ourselves and our feelings around sex. In My First Time, southern African women have shared their stories about their significant first time experiences of sex and sexuality. This is a collection of honest, powerful, and brave accounts. Some joyful, others funny and some heartbreaking, but all of them important for women, and hopefully men, to read. This is the perfect book for you to read to reflect on your own first times. This is the perfect book to share with your mother, sisters, and friends.

F*cked - Krystyna Hutchinson 2018-10-09

Are You a Dirty, Nasty Slut? Or a Sexually Repressed Nightmare? Regardless of your background or bedroom resume, someone or something has probably made you feel that way at some point. This was what Corinne Fisher and Krystyna Hutchinson discovered when they created the wildly popular Guys We Fucked: The Anti Slut-Shaming Podcast. What started as an outlet to interview— You guessed it!—guys they'd fucked, quickly evolved into an enormous community of Fuckers around the world, and a place to share stories of kinks gone wild, trauma, assault, and the overall confusion among people who don't know what the fuck they are doing (in other words, everyone). F*CKED brings these raw, ridiculous, and serious conversations from the podcast to the page. It is a guide to love and sex for anyone -- female, male, trans, or undecided—who is fed up with double standards and the stigma surrounding sexual beings. It is for anyone who has ever felt afraid to be their authentic self. Corinne and Krystyna won't talk down to you or coddle you because you're better than that. They won't explain why he's just not that into you, because it doesn't fucking matter. This book will teach you how to deal with shit, brush your shoulder off, and move on. You'll also learn about: Why shame is completely made up and how we can stop giving into it Sexual exploration and how it sometimes ends in a trip to the ER Stuff we should stop doing: Snooping, nitpicking our bodies, and faking orgasms Asking your sexual partner uncomfortable questions Masturbation, threesomes, porn, sex toys, butt stuff, and much, much more Despite what Rom-Coms and magazines tell you, you can handle sexual exploration without the assistance of a man, a glass of rose, and a Xanax. More importantly, you're fine all by yourself. This is the book Bridget Jones should've read instead of writing that shitty diary in the first place.
