The only obstacle is his intended's older sister, Kate Sheffield—the most meddlesome woman ever to grace a London ballroom. The spirited schemer is driving Anthony mad with her determination to stop the betrothal, but when he closes his eyes at night, Kate's the woman haunting his increasingly erotic dreams... Contrary to popular belief, Kate is quite sure that reformed rakes do not make the best husbands—and Anthony Bridgerton is the most wicked rogue of them all. [Voices From the Wreckage: Young Adult Voices in the #MeToo Movement](#) - Kimberly Karshner 2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults

on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.

Competing Masculinities in the British Netflix Series "Sex Education" - Lea-Christin Klaas 2023-11-13

Seminar paper from the year 2020 in the subject Gender Studies, grade: 2,0, University of Dortmund (Institut für Anglistik und Amerikanistik), course: British Proseminar, language: English, abstract: This paper deals with the competing masculinities in the British Netflix series "Sex Education". Especially the characters Otis Milburn, Adam Groff and Eric Effiong are taken into consideration. Otis is the typical lovable goof, whereas Adam is more likely to fulfill the stereotype of being a "real man", because of his tendency of being violent. It turns out that Adam's aggression is caused by him being insecure. Eric is also especially interesting to look at, since he serves several contrary stereotypes. He is a black, homosexual young male that is raised as a second generation immigrant in a traditionally catholic household and is often confronted with homophobia and racism. Eric turns out to be a modern gentleman. Each character's typical behavior patterns will be described and clarified by examples and interpreted in the context of masculinities.

44 Chapters About 4 Men - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series SEX/LIFE. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. Sex/Life: 44 Chapters About 4 Men is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This handy guide is divided into three parts: the first part, 'Watching Post-Television', offers 'television' as a shortcut to understanding today's platform media and gives an introduction to key theoretical terms such as representation, identity and community. The second part, 'Methods with Method', introduces different methodological tools to study cross-media texts and practices from an audience-led perspective. The third part, 'Methods in Action', offers a variety of recent case studies to show how these methodological principles work in practice. Drawing on different genres from drama to sports, The Pocketbook of Audience Research gives a sense of what audience-led cross-media research can achieve. I'm Special - Ryan O'Connell 2015-06-02

NOW a NETFLIX series entitled Special from Executive Producer JIM PARSONS starring RYAN O'CONNELL as himself. From the beloved blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls "a younger, gay version of Mary Karr's Lit." People are obsessed with Ryan O'Connell's blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who's not afraid to dole out some real talk. He's that candid, snarky friend you consult when you fear you're spending too much time falling down virtual k-holes stalking your ex on Facebook or when you've made the all-too-common mistake of befriending a psycho while wasted at last night's party and need to find a way to get rid of them the next morning. But Ryan didn't always have the answers to these modern-day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché: he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on "necessary" items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, I'm Special will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown-ups with a 401k and a dog.
