Investigating the Use of Sex in Media Promotion and

Advertising Tom Reichert 2019-01-15 The latest scholarship on

one of today's most pressing issues Today, it is obvious that sexual content is a prevalent aspect of the media and that the intensity of this content has increased in recent years. Less

obvious, however, are the direct effects the strategic use of sexual content has on audiences. Investigating the Use of Sex in Media Promotion and Advertising presents the latest scholarship on the role of sex in the most common media outlets—television programming, radio “shock jocks,” music videos, magazines, and advertising. The eye-opening contributions from over a dozen recognized experts in the field provide useful empirical evidence on media-conveyed sexual stimuli and look toward moving the public dialogue on sex in the media further along. Often, opinions regarding sex in the media have little or no scientific grounding and even when scientific-grounded arguments are offered, they suffer from wide gaps in research-based knowledge. Investigating the Use of Sex in Media Promotion and Advertising is the important compilation that fills these knowledge gaps. In delving into this pressing issue, it not only offers timely findings that provide an indication of the nature, prevalence, and effects of sexual information when used as a promotional tool, but suggests new directions for the study of sex and media as well. This informative text is also extensively referenced and features numerous tables to clearly present research data. Chapters in Investigating the Use of Sex in Media Promotion and Advertising examine: the nature and extent of sexually appealing newscasters primarily on cable news programs commentary and camera angles of women's sporting events in the 2004 Summer Olympic Games the efficacy of both sexual content and sexual self-schema

on consumers' attitudes toward promotional announcements, advertised programs, viewing intention, and self-reported arousal the history and content analysis of "shock jock" radio like the Howard Stern and the Bob & Tom shows the relationship among sexual content in music videos, viewer enjoyment, and actual product purchase intention Maxim magazine's cover formula and the competitive response from other men's lifestyle magazines the efficacy of men's magazines' sexual cover models on consumer outcome variables, including interest and purchase intention an international perspective of nudity in advertising in magazines versus on television a case study of the sexual appeals used in several billboard ads for the Hard Rock Hotel and Casino in Las Vegas and much more! Filled with insightful and groundbreaking information, Investigating the Use of Sex in Media Promotion and Advertising is a vital resource for advertising and media professionals as well as educators and upper-level and graduate students in media, communications, and advertising programs.

Success from Sexuality in Business Geoff H. McDonnell 2013-06-15 This book is controversial and some would say, definitely politically incorrect. Success From Sexuality introduces the unmentionable into the whole human social spectrum and the realm of big business. Here he writes about the underlying instinct that really makes the difference in the race for fame and fortune. A subject that has been misunderstood for generations now comes out in the open. He shows how society must shift from the philosophy of having an ambivalent attitude about sex, to a philosophy of embracing sex for the motivational powers it provides. Few people acknowledge the control of our underlying basic instinct really means the difference between failure and success. Read how Sexual Politics affect your Working Relationships and how the Positive Expression of Sexuality attracts Success. Find out how the cultivation of your latent Sexual Genes, your inherited Erotic Capital - will create an Aura of Wealth and Power about yourself that enhances your Winning Edge in everyday social interaction. Topics include: * The Power of Individuality - Don't become a computer clone. * Erotic Capital - The economic value of your sex appeal. * Sexual Empowerment - Becoming Wealthy and Powerful from Sexuality.* How Women

become Wealthy - Their four endowments. * The Female Mystique - Every woman has it, the Mona Lisa syndrome. * Power of Masculinity - The way of the superior man. * How to Become a Man of Means - Charismatic intimidation. * Bringing out your X-Factor - Personal magnetism and the law of attraction. * Dressing for your Success - Social presentation. * Winning the Battle of the Sexes - Polarity in the power game. * The Law of Attraction - The X-Factor within.* The Eyes have it - Your most powerful negotiation factor. * Selling and Marketing. Eye opening results when using sexuality. * Product Presentation - The most powerful dimension to enhance a product.* Sex and Success - Three levels of sex drive and their effect on ambition. Not a touchy feely book, but is based on what actually happens in the competitive world of the free market. For over 20 years, the author has been in a unisex sales and marketing business. Here he has studied the most intriguing dynamic of human motivation, Sex Appeal. Doing what he sees people do, working smarter by positively expressing your sexuality, will ensure the good things in life come your way.

even realize exists. We are going to find and exploit each one of those, in this course. Yes, you can be more beautiful/handsome and definitely sexier even if you're short and overweight! You probably won't be landing a modelling campaign for Calvin Klein anytime soon? But atleast you'll feel good, look better and sexier and more confident all in one swoop! For the aspiring and professional models reading this? If you need help in reaching the next levels by increasing your sex appeals and maximize your attractiveness? This book is it! Im sure you've realized by now -- NO ONE actually teaches X-Factors. Well today is your lucky day. The same applies to active practioners in the seduction world (Pickup Artists). You want to master nonverbal seduction or seduction without active talking? Go ahead, click "Look Inside" for the preview. Some concepts may already be familiar to you, but i've added the missing ingredients from the modelling fields as well. You can spend 100k dollars on cosmetic surgeries, clothing, even thousands of hours in the gym -- but it won't give you the ability to methodically improve your X-factors or sex appeals. Would you like to "cheat" and look a couple of inches taller? How about a few inches added to your breasts or butt? How about sharpening or strengthening your facial features? Learn the ability to stir lust, attraction with that person beside you --all without words! Smoke and mirrors... This book will atleast help you appear that way without actually changing your physical body. It will also teach you about uncolored strong, raw sexual presence! That special something that makes you stand out and appear more REAL in the present, than anyone else. You'll still be 5'7, but somehow you'll look 5'10. You might be a little chubby, but somehow you'll appear slimmer. You could be thin and frail, yet be fuller and sexier. This book will make you understand -- in a PRACTICAL way, what Inner Beauty truly means --and how to harness that power to use in direct competition against the much, much better looking opponents -- especially in seduction! If you're already aesthetically attractive?

Principles of Sentencing Geraldine Mackenzie 2010 Sentencing in all Australian jurisdictions is now largely governed by legislation which prescribes some basic guidelines and principles. At the same time, the High Court and the State appeal courts have been more active in developing a sentencing jurisprudence, effectively standardising many of the core principles of sentencing law. However, judges and magistrates retain a wide discretion in almost every case, and lawyers argue many different, often disparate and sometimes inherently complex, factors. The authors of this book burrow through the maze of developing sentencing law to isolate, explain and critique the principles which operate across and between jurisdictions. They identify the key themes, analyse examples from the different jurisdictions and examine the exercise of judicial discretion both in the scope of factors that may be taken into account and in the choice of sanctions.

The Sex Appeal of the Inorganic Mario Perniola 2022-06-02 In *The Sex Appeal of the Inorganic*, Mario Perniola puts forth the radical argument that we are shifting away from organic sexuality, based on desire and pleasure, and moving towards a more neutral inorganic and artificial sexuality, a sexuality always available but indifferent to beauty, age or form. Perniola takes the reader on a tour of Western philosophy, from Descartes, Kant and Hegel to Heidegger, Wittgenstein and Sartre, to reframe our understanding of personal experience and the aesthetic world around us. In order to realize the sex appeal of the inorganic Perniola argues that we must become 'things that feel', we must think ourselves closer to the inorganic, creating an alliance between senses and things. Examples from contemporary culture that, for Perniola, are emblems of the sex appeal of the inorganic,

English as a Language of Learning, Teaching and

Inclusivity Liesel Hibbert 2023-08-18 Hibbert explores South Africa's higher education crisis utilising case studies and first-hand experiences with English as the language of instruction. The historical overview provides a framework with which to understand the complicated nature of using English as a language of instruction in South Africa, past and present. Student narratives are presented to illustrate mainly breakthroughs, but also challenges. An overview is provided, of imported English teaching methodologies and how they have emerged and developed in the local educational system over decades. It is demonstrated how these methodologies relate to socio-economic and political events and trends at each juncture. By applying defamiliarisation as a research method of investigation, students' translanguaging struggles are recorded and discussed, both pre-pandemic and in the pandemic period. The experiences of non-monolingual English-speaking staff and students, and of local English/African language bilinguals is foregrounded, as they are by far the majority in South African higher education and schools. The relevance of the experiences and learning paths of those staff and students is enhanced. This book aids lecturers across disciplines and English language facilitators in the improvement of English acquisition curricula through exposure to arguments, case studies and learning path narratives in this volume, and

booming Chinese market. The book provides readers with an understanding of the two-way relationship between advertising and Chinese society. Major issues addressed include rising consumerism, consumers' attitudes towards advertising and reactions to advertising appeals, cultural messages conveyed in advertisements, gender representations, sex appeal, offensive advertising, advertising law and regulation, advertising to children and adolescents, symbolic meanings of advertisements, public service advertising, and new media advertising and its social impact. Advertising and Chinese Society resorts to a variety of research techniques including content analysis, survey, experiment, semiotic analysis, and secondary data analysis. The book will enhance the sensitivity of scholars and practitioners interested in Chinese advertising and its social ramifications.

Sex in Advertising Tom Reichert 2014-04-04 Sex in Advertising: Perspectives on the Erotic Appeal is the first book to thoroughly tackle important issues about sex in advertising. What is it? Does it work? How does it affect individuals and society? Well-respected scholars and popular writers answer these questions as they address the following issues associated with sex in today's advertising environment: gender differences and representation, unintended social effects, subliminal embeds, appeals to the homosexual community, and new media. The book contains a blend of perspectives, including original experimental studies, interpretive and historical analyses, and cultural critiques. The definitive source on sex in advertising, this book: *is centralized around a singular theme: Understanding how sex in advertising appeals work and why they are so prevalent; *includes multiple perspectives to capture the richness of sexual appeals; *brings together viewpoints from both well-known scholars and writers; *provides a wealth of ideas and research questions for those interested in the topic; and *contains discussions of sex in advertising from its roots in the 1700s to online advertising today and beyond. The book is must reading for advertising and gender

Sex Appeal Paul Abramson 2010-02-02 An epidemic of sexually-transmitted infections and sexual violence is upon us. Political interests are overriding sexual freedom in the name of morality. Marriages are just as likely to fail as they are to succeed. Why, in a time of unprecedented personal liberties and medical knowledge, are so many Americans so uncertain about what constitutes ethical sexual behavior? *Sex Appeal* is neither a moralistic screed nor a self-indulgent guide to sexual utopia. Instead, it charts a thoughtful course between extremes to present six ethical principles for sexual health and happiness: do no harm, celebrate sex, be careful, know yourself, speak up and speak out, and throw no stones. *Sex Appeal* elaborates upon each of these principles, asserting that sex can be fun, safe, and life-enhancing if approached in the right spirit and with the information necessary to make wise sexual choices. Providing clear guidelines for individuals seeking answers to their own personal questions about sex, the book also connects these questions to larger issues, such as how we as a society can reduce levels of sexual harm and sexually-transmitted infections, and how everyday individual choices can support this effort. Persuasive and eminently readable, *Sex Appeal* offers a welcome dose of clarity and common sense to today's most pressing sexual issues.

people tend to want it. This is the basic principle that underlies the phenomenon known as reverse psychology. Believe it or not, psychologists have proven that reverse psychology is a commonly used and highly effective social influence technique. Reverse psychology has been found to be particularly well-suited to intrapersonal contexts-especially attracting members of the opposite sex. This book will walk you through all the components of reverse psychology and its application to intrapersonal attraction. By reading it, you will learn what reverse psychology is, its theoretical function as a romantic influence technique, and, most importantly, how you can use it to make yourself irresistibly attractive to members of the opposite sex.

Sports Marketing Matthew D. Shank 2014-10-03 Now in a fully revised and updated 5th edition, *Sports Marketing: A Strategic Perspective* is the most authoritative, comprehensive and engaging introduction to sports marketing currently available. with its own unique features and compatibility.

Understanding these formats will help you choose the right one for your device and preferences.

Different Sex Appeal Used In A Sentence eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for

reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Sex Appeal Used In A Sentence eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible

with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Sex Appeal Used In A Sentence eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks.
