Passion Pursuit Linda Dillow 2013-07-22 A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine. Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next!

25 Questions You're Afraid to Ask About Love, Sex, and Intimacy Juli Slattery 2015-09-22 Is _____ ok in the bedroom? If I'm single, how far is too far? How do I get past my shame? Whether you are married or single, having great sex or no sex, your sexuality is inseparable from your spirituality. Sadly, most churches are silent on the subject. Dr. Juli Slattery is breaking the silence. In *25 Questions You're Afraid to Ask about Love, Sex, and Intimacy*, she tackles the most common and critical questions women ask her about sexuality, like: What if I don't like sex? Can I be single and sexual? Is masturbation a sin? How do I make time to make love? What if I want sex more than my

husband does? Candid, wise, and practically minded, Dr. Slattery addresses matters like sexual abuse, pornography, betrayal in marriage, intimacy in the bedroom, singleness, and more, calling women to think biblically about all areas of their sexuality. Find answers to your questions, liberation from your fears, and freedom to explore God's good gifts of love, sex, and intimacy.

The Meaning Of Sex Christopher Doyle, MA LPC LCPC 2018-03-20 In the midst of a culture where sex and gender issues are rampant, two common viewpoints exist. Unfortunately, they are both extreme. While there is an effort in the church to minister to the sexually broken, many places of worship have adopted a strict ethic that leads to a fear-based attitude towards those struggling with sexuality and gender identity. This has caused strugglers to feel alienated and wounded from the church. On the other hand, secular culture has adopted the sexual liberation message: "If it feels good, do it." Sadly, this idea has permeated the hearts and minds of too many Christians. As a result, issues such as homosexuality, gender identity confusion, and sex outside of marriage have become battlegrounds of division among the Body of Christ. With all of this discord, how do we find the true meaning of sex? In *The Meaning of Sex: A New Christian Ethos*, Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior, who holds us when we struggle, loves us when we fall, and celebrates with us when we experience victory. When we collectively pursue the wholeness Jesus calls us to, the sexual ethics that bind us becomes a higher ethos that unites us. Only then, as we bare our souls to each other and become vulnerable with our own unique wounds, can we meet our struggling brothers and sisters where they are and journey towards emotional wholeness and spiritual maturity. "The Meaning of Sex: A New Christian Ethos is a masterful synthesis of Christian theology and the social sciences that has the potential to radically transform our culture in positive ways." ~ Michelle A.

Cretella, M.D. (President, American College of Pediatricians) "Christopher Doyle effectively challenges cultural constructs that have led Christians away from the questions that we need to be asking, connecting the dots between a biblical narrative of sexuality and what is revealed in nature and through scientific inquiry." ~ Professor Carolyn Pela, Ph.D., LMFT (Chair, Department of Behavioral and Social Sciences, Arizona Christian University)

Thank God for Sex Pastor Frantz Lamour 2010-06 I know for sure that you like sex, don't you? But have you ever thought about thanking God? If not, you are not alone. Many people apparently become lovers of sexual pleasures rather than lovers of God. They believe that God should not be part of sexual discussion. Well, the opposite is true. Everything that God created is to be received with thanksgiving, included sex. If you wish to experience full satisfaction when making love, you must acknowledge God to know His mind on the subject. God alone is qualified to show you the best way to enjoy the blessed gift of sex. Do you want to know when God wants you to have sex? If you wish to get full benefit from sexual intercourse, you must read this book. You will be enlightened greatly on many facets of sex. What is sex to you? Do you know the three P(s) of sex? Do you know why your spouse wants to have sex? The answers to those questions and more will be found in this marvelous book. Sex, God, and the Conservative Church Tina Schermer Sellers 2017-04-21 *Sex, God, and the Conservative Church* guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married--both inside and outside the church--who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

Sex God Rob Bell 2010-01-02 Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual---because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Why Does God Care Who I Sleep With? Sam Allberry 2020-03 Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including *Is God Anti-gay* sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the

Faith Love and Sex Somtochukwu Ume 2012-10 This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

Theology of the Body. He specializes in making this teaching accessible to all Christians, with particular attention to evangelicals. As West explains, from beginning to end the Bible tells a story of marriage. It begins with the marriage of man and woman in an earthly paradise and ends with the marriage of Christ and the church in an eternal paradise. In our post-sexual-revolution world, we need to remember that our bodies tell a divine story and proclaim the gospel itself. As male and female and in the call to become "one flesh," our bodies reveal a "great mystery" that mirrors Christ's love for the church (Eph. 5:31-32). This book provides a redemptive rather than repressive approach to sexual purity, explores the true meaning of sex and marriage, and offers a compelling vision of what it means to be created male and female. Foreword by Eric Metaxas.

the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

God, Sex, and Your Marriage Juli Slattery 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God's desire to make us

If It Wasn't Love Bernard J. Lynch 2012-05-25 All Religion is about the denial of God. This is a book about Life, Love, Sexuality, Death and God. It is a story of many people's stories, but most of all it is my story. Here for the first time is a truth birthed from fear and oppression and redeemed by love. When I first started putting the book together, I had some scattered ideas as to how I would do this. Some of the scenes written in the early seventies and eighties were never intended to form part of a whole. They stood alone, as a lecture here or an article there. This is in fact true for most of the project in hand. It is my hope and indeed my belief that the book holds together as one man's attempt to be honest with God. I hasten to add that in no way is this a holy book. The words erection and Resurrection, masturbation and Holy Mass all appear with equal authenticity, pain and celebration. It is no book for the pious or those seeking a quick fix.
