Single Man Meets Single Mom Jules Bennett 2014-09-02 From player to...daddy? Hollywood agent Ian Schaffer could have his pick of gorgeous women. So he's totally thunderstruck by the intensity of his attraction to horse trainer Cassie Barrington. The single mom, with her luscious curves and unadorned beauty, is so much hotter than the bombshells he's used to. But it's her vulnerability and passion that the jaded player finds utterly irresistible--and that sets off alarm bells, because Ian's as commitment-shy as they come. A woman with a child is absolutely off-limits! Too bad the voluptuous mom has Ian aching to break all his old rules....

The Church and the Single Mom Jennifer Maggio 2017-01-18 When 19-year-old Jennifer Maggio found herself pregnant...for the fourth time...she was completely lost-lost in a tragedy wrought by years of sexual abuse, homelessness, and poverty. What she didn't know at the time was that she was the main character in a story that God would one day use to inspire, encourage, and challenge thousands of people just like her...and some whose stories were very different from hers. From that deep valley Jennifer rose to the summit of Corporate America--only to leave it all behind to minister to single moms. In *The Church and the Single Mom* Jennifer provides a road map for those who, like her, look out at the nearly 17 million single moms in the U.S. alone, many of whom are drowning in financial struggles, parenting woes, and emotional.

Single Mother Jane Juffer 2006-04-01 Long perceived as the ultimate symbol of social breakdown and sexual irresponsibility, the single mother is now, in the context of welfare-to-work policies, often hailed as the new spokesperson for hard work and self-sufficiency. A dozen years after Dan Quayle denounced the television character Murphy Brown for making the decision to become a single mother “just another lifestyle choice,” President George W. Bush applauded single mothers for “heroic work,” and positive on-screen representations of single mothers abound, from *The Gilmore Girls* to *Sex and the City* to *American Idol*. *Single Mother* describes the recent cultural valorization of this figure that—in the midst of demographic changes in the U.S.—has emerged as the unlikely heroic and seductive voice of the new American family. Drawing on her own life as a single mother, interviews with dozens of other single mothers, cultural representations, and policies on welfare, immigration, childcare, and child custody, Juffer analyzes this contingent acceptance of single mothers. Finally, critiquing the relentless emphasis on self-sufficiency to the exclusion of community, Juffer shows the remarkable organizing skills of these new mothers of invention. At a moment when one-third of all babies are born to single moms, *Single Mother* is a fascinating and necessary examination of these new “domestic intellectuals.”

How to Talk with Your Kids about Sex John T. Chirban 2012 Having trouble talking to your kids about sex? Their friends at school don't... Unfortunately, for many parents, the most important conversations are the hardest. Ninety-three percent of adults are dissatisfied with the sex education they received as children, which is precisely why they are so bad at teaching their kids—they have no frame of reference. Renowned

Harvard Medical School psychologist and frequent Dr. Phil guest John Chirban helps parents talk to their kids . . . about sex. Kids are going to learn about sex, and it is up to parents to decide if their kids are going to learn from them or from MTV. How parents address sex—their openness, the context, and their attitudes—will impact how their children view their own sexuality and self worth. Dr. Chirban helps parents know when, how, and how much. He uses humor, compassion, and real-life examples to prepare parents for a healthy and ongoing conversation that will equip their kids to own their own sexuality and an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents understand how helping their children understand these veiled yet critical keys of a fulfilling life deepens their own connection with their children.

Sex Wars Lisa Duggan 2014-01-27 This book is a collection of essays written during the 1980s and 1990s, generated as parts of other, larger activist efforts going on at the time. Read together, the essays trace the progress of the conversations between different activist groups, and between the authors of the pieces, Lisa Duggan and Nan Hunter, creating a bridge between feminists, gay activists, those in politics, and those in the law. Since

the 1995 publication of *Sex Wars*, the political landscape has altered significantly. Yet the issues (and essays) are still relevant today. The anniversary edition contains a new chapter dealing with the changes in the law since the book's publication (*Lawrence v. Texas*, for example).

Mom, There's a Man in the Kitchen and He's Wearing Your Robe Ellie Slott Fisher 2009-04-15 Embarking on the dating scene can be a fun though sometimes daunting prospect for any single woman. But for the more than 10 million single women in the U.S. with children at home, dating is a much more complicated matter. Whether uncoupled through divorce or death, single moms face a wide range of questions: When will I be ready to date and how do I start? When-and what-should I tell the kids? What happens if I love the guy and the kids hate him? In *Mom, There's a Man in the Kitchen and He's Wearing Your Robe*, Ellie Slott Fisher, a once-widowed, once-divorced single mother of two, speaks with refreshing candor about balancing dating and parenting. Drawing upon her own experience, the stories of many other women, and the advice of family psychologists, Fisher offers encouragement, strategies, and a healthy dose of humor for the single-but-looking mom-from how to meet men in the first place to when to introduce your date to the kids, from when and where to work sex into the equation to how to talk to your dating teenagers without looking like a hypocrite. Practical, funny, and hopeful, this is the one guide single moms need before jumping into the murky waters of the dating pool.

African American Literature Beyond Race Gene Andrew Jarrett 2006-04-01 It is widely accepted that the canon of African American literature has racial realism at its core: African American protagonists, social settings, cultural symbols, and racial-political discourse. As a result, writings that are not preoccupied with race have long been invisible—unpublished, out of print, absent from libraries, rarely discussed among scholars, and omitted from anthologies. However, some of our most celebrated African American authors—from Zora Neale Hurston and Richard Wright to James Baldwin and Toni Morrison—have resisted this canonical rule, even at the cost of critical dismissal and commercial failure. *African American Literature Beyond Race* revives this remarkable literary corpus, presenting sixteen short stories, novelettes, and excerpts of novels—from the postbellum nineteenth century to the late twentieth century—that demonstrate this act of literary defiance. Each selection is paired with an original introduction by one of today's leading scholars of African American literature, including Hazel V. Carby, Gerald Early, Mae G. Henderson, George Hutchinson, Carla Peterson, Amritjit Singh, and Werner Sollors. By casting African Americans in minor roles and marking the protagonists as racially white, neutral, or ambiguous, these works of fiction explore the thematic complexities of human identity, relations, and culture. At the same time, they force us to confront the basic question, “What is African American literature?” Stories by: James Baldwin, Octavia E. Butler, Samuel R. Delany, Paul Laurence Dunbar, Frances Ellen Watkins Harper, Chester B. Himes, Zora Neale Hurston, Nella Larsen, Toni Morrison, Ann Petry, Wallace Thurman, Jean Toomer, Frank J. Webb, Richard Wright, and Frank Yerby. Critical Introductions by: Hazel V. Carby, John Charles, Gerald Early, Hazel Arnett Ervin, Matthew Guterl, Mae G. Henderson, George B. Hutchinson, Gene Jarrett, Carla L. Peterson, Amritjit Singh, Werner Sollors, and Jeffrey Allen Tucker.
