Unprotected Texts - Jennifer Wright Knust 2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."
—Bart Ehrman, author of *Misquoting Jesus*
Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Sex before Marriage. What's the harm? - Daniele Luciano Moskal 2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an

easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

Sex and the Single Christian - Alexis Soberanis 2005-05

FORNICATION: CONSENSUAL SEXUAL INTERCOURSE BETWEEN TWO PERSONS NOT MARRIED TO EACH OTHER What does God say about fornication? To avoid fornication, let every man have his own wife, and let every woman have her own husband. (I Corinthians 7:2 kjv) In her book, Pastor Alexis Soberanis explores the dangerous and devastating effects of fornication. She reveals that when God instructed the human race to avoid fornication at all costs, He provided a beautiful alternative: the covenant of marriage. "Marriage is honorable, and the bed is undefiled, but fornicators and adulterers God will judge" (Hebrews 13:4 nkjv). Pastor Soberanis demonstrates how the act of fornication will continue to affect generations unless the cycle of pre-marital sex is broken by the power and blood of Jesus Christ. Fornication is a forgivable sin, but it has disturbing consequences, including incurable sexual diseases; mass murder (by abortions); unplanned and unwanted children, resulting in hundreds of thousands of them having to be placed in the foster care system (many of these foster homes are incompatible and abusive); and most recently, many newborns being disposed of in garbage dumpsters by unwed teenage girls not emotionally and psychologically prepared for motherhood. Pastor Soberanis' desire is that every single who reads this book will make the decision to accept God's alternative to pre-marital sex, which is to wait for their Godordained spouse, leading into the confines of marriage, and in the process, canceling the generational iniquity of fornication and fatherlessness and starting a new blessing of sexual abstinence until marriage, resulting in strong and lasting family units. Pastor Alexis Soberanis and her husband Pastor Harrison Soberanis are the Founders and Senior Pastors of Prophetic Word Global Fellowship Inc., in Tampa, Florida. They are also the Founders and Administrators of People Helping People, Inc., a non-profit agency through which they have been serving the disadvantaged in Los Angeles, CA, and Tampa, Florida, since 1990. Pastor Alexis Soberanis currently resides in Tampa, Florida, with her husband Pastor Harrison Soberanis, and their son Christopher.

Add this book to your arsenal in the battle to remain pure! The most difficult task in the life of a Christian single today is maintaining purity until marriage. The payoff is perfect love and sex, just as our Creator intended. But if that's so awesome, why aren't more people choosing it? And how can premarital sex be so bad if so many people are doing it and loving it? People who were virgins when they married aren't usually the type to kiss and tell. And when premarital sex goes wrong, no one wants to Tweet it. This awkward silence from both contingents isn't helping the next generation to decide well on the issue of premarital sex. *Purity's Big Payoff/Premarital Sex is a Big Rip-off* is a collection of 17 first-person narratives about successfully waiting for marriage to have sex - or not. Contributors on both sides of the issue candidly share in face-reddening detail what

they learned on their way to the wedding bed. Young people aiming to remain pure will be encouraged and learn practical strategies for resisting sexual temptation. Those who wish they had waited will learn that it's never too late to restore purity with God's grace. (This book is two-faced. One side is dedicated to purity, then turned over and flipped upside down, the other side is dedicated to premarital sex. Thus the last page of the purity book is immediately followed by the last page of the premarital sex book, but upside down, and vice versa. Got it?)
