Sex Bible for Women Susan Crain Bakos 2010-01-01 Most books on sexuality teach women that satisfying their partner is the key to a great sexual experience. However, for most women, great sex is predicated on understanding their own bodies and desires first. Moreover, a woman's sexual desires and preferences aren't fixed—they are greatly impacted by physical changes such as pregnancy, menopause, and hormonal fluctuations. This sensual yet practical guide provides a comprehensive overview of all the sexual options available for women throughout their lifetime. Intrepid sex journalist and expert Susan Crain Bakos shows women how to sexually satisfy themselves and their partners, through masturbation, touching, oral sex, and intercourse. Racy, full-color photographs instruct women on positions, foreplay techniques, and how to use sex toys on themselves or others. Women gain a deeper understanding of their own unique physiology, how to achieve orgasm, and how to stay healthy as they explore different sexual options.

Women, Sex, Power, And Pleasure Evelyn Resh, CNM/MPH 2013-03-01 In her new book, *Women, Sex, Power & Pleasure*, Evelyn Resh, a sexuality counselor and certified nurse-midwife, takes an innovative approach to helping women create the lives – and sex lives – they want. With a funny and compassionate, yet tell-it-like-it-is style, she looks at the relationship between feeling powerful in life and accessing life’s pleasures, and their combined effect on sexual desire. Resh introduces six essential qualities that women must have to live healthfully, stating that when these are out of balance women seem to exist in lives devoid of pleasure, self-empowerment, and sex. These markers of emotional well-being are: • Self-confidence and self-esteem • Healthy Habits • Spiritual Satisfaction • Creativity • Self-assurance/re-assurance • Compassion and Empathy Once the six traits are laid out, Resh devotes the rest of the book to exploring how, when one or more of a woman’s markers of emotional well-being are off kilter, their reasons for avoiding sex mount exponentially. She looks at some of the most common excuses she’s heard over her many years as a sexuality counselor – I Feel Nothing, It’s All He Thinks About, I’m Too Busy!, I’m Too Fat to Have Sex – and outlines the specific imbalances that create this void of sexual desire and activity. With practical guidance, self-assessment questions, and stories from her practice and personal life, Resh explains to modern women how to regain their emotional wellness and live a powerful life that includes a steady relationship with pleasure and sexual satisfaction. This book is a must read for all women. From housewives to sophisticated urban corporate types, from new moms to post-menopausal women – this book will help any woman who feels estranged from her sexual energy and a sense of empowerment, and deprived of pleasure, or who views sex as just another thing to tick off her overwhelming to-do list.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks’ “Love Song to the Nation” trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society’s failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Unprotected Texts Jennifer Wright Knust 2011-01-25 “An explosive, fascinating book that reveals

how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.”
—Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Lovers Bible Dr. DreamingBear Baraka Kanaan 2017-08-18 *Lovers Bible* is an ode to being a lover as a way of life, seeking the beloved in everything, and having the audacity to make out with existence every chance you get so as to give the multiverse cosmic goose bumps! Part guide to being a lover and part poetic prophecy, this volume is potency incarnate. Infused with the mana of the Hawaiian Islands, these passages reflect the spiritual connection to the aina (life force) of this new Eden oasis. Inspired by and written amongst Hawaiian fairy forests and enchanted tropical dreams, *Lovers Bible* merges in the center, with half being day and half being night, a metaphor for the lover and beloved playing the eternal game of hide-and-seek kiss-tag. Sacred and profane eroticism decorate the

pages, and tenderly offered inamorato philosophy flowers in the fodder of this seductive verse. Its not for the faint of heart, and sacred sensual scriptures emerge from this incantation of passion and playfulness, beckoning the initiate to awaken to the power inherent within, declaring, For God so loved the world that she formed Creation with a kiss. Beyond religions, belief systems, or concepts of any kind, there is the deepest truth of being human, which is tenderness with an edge. Lovers Bible is a manuscript for those who find more holiness in a single sweet embrace than in all the shrines and semantics of the world. The lovers path, the beauty way, is embedded in nature. Hidden in every leaf, rock, river, and creature is a kiss from Creation, saying, Come play!

For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought

possible.

The Four Loves C. S. Lewis 2023-11-20 *The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."
