

Sex Female Religion Catholic

Breaking Through - Helen M. Alvaré 2012-01-01

Catholic women are some of the most maligned, most caricatured, and most intriguing people in American society. America is flirting with the idea that being a Catholic female means saying "yes" to the faith as a private source of comfort, but "no" to living out its more countercultural moral and social teachings. Catholic women are facing unprecedented questions about sex, money, marriage, work, children and the church itself questions with innumerable personal and societal repercussions. Is it even possible that the teachings of a 2,000 year old religion are still relevant for today's toughest issues? Nine such Catholic women varying widely in age, occupation and experience share personal stories of how they struggled toward the realization that the demands of their faith actually set them free. Their stories full of honesty, but ultimately shed new light and new clarity on women's continued attraction to the Catholic faith.

Style, Sex, and Substance - Hallie Lord 2012-03-01

Who is to say who the authentic Catholic woman is? And how do the perils and pitfalls of modern society impact that vision? Here is a fresh look at life from the perspective of ten Catholic women who live in the spotlight of the Internet ten bloggers who keep it real every day with their personal posts relating their triumphs, trials, and temptations for all to see. In the same way, nothing is off limits in *Style, Sex, & Substance*. Each of these women brings a refreshingly open and humorous perspective to growing in faith and improving their relationship with Christ. Enjoy real stories, real struggles, and best of all, real faith and trust that God will bring out the best in all circumstances whether in the family room, the bedroom, or at work. Contributors include: --Hallie Lord --Jennifer Fulwiler --Danielle Bean --Rachel Balducci --Simcha Fisher --Anna Mitchell --Barbra Nicolosi --Rebecca Teti --Elizabeth Duffy --Karen Edmisten

Eunuchs for the Kingdom of Heaven - Uta Ranke-Heinemann 1991

This international bestseller--condemned by New York's Cardinal O'Connor who, without reading it, likened it to "scrawling dirty words about the church on bathroom walls"--is a definitive, richly documented report on the oppression of women and sexuality in the Catholic Church. *The Church and the Second Sex* - Mary Daly 1975

Sex, Gender, and Religion - Diana Neal 2006

Original Scholarly Monograph

Sex: Female; Religion: Catholic - Sally Cunneen 1968

New Catholic Feminism - Tina Beattie 2006

Having confronted the conflict between feminism and the Vatican and Pope Benedict XVI, Beattie proposes a new theological approach to the encounter between feminism and Catholicism, for the twenty-first century"--Jacket.

Sex, Gender and the Sacred - Joanna de Groot 2014-04-03

Sex, Gender and the Sacred presents a multi-faith, multi-disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4,000 years of history. Contains readings relating to sex and religion that encompass 4,000 years of gender history. Features new research in religion and gender across diverse cultures, periods, and religious traditions. Presents multi-faith and multi-disciplinary perspectives with significant comparative potential. Offers original theories and concepts relating to gender, religion, and sexuality. Includes innovative interpretations of the connections between visual, verbal, and material aspects of particular religious traditions.

The Pope and the Pill - David Geiringer 2019-10-23

This book is about the sexual and religious lives of Catholic women in post-war England. It uses original oral history material to uncover the way Catholic women negotiated spiritual and sexual demands at a moment when the two increasingly seemed at odds with each other. It also examines the public pronouncements and secretive internal documents of the central Catholic Church, offering a ground-breaking new explanation of the Pope's decision to prohibit the Pill in 1968. The material gathered here offers a fresh perspective on the idea that 'sex killed God', reframing dominant approaches to the histories of sex, religion and social change. The book will be essential reading not only for scholars of sexuality, religion, gender and oral history, but anyone

interested in social and cultural change more broadly.

The Concept of Sexual Pleasure in the Catholic Moral Tradition - Shaji George Kochuthara 2007

Globalization, Religion and Gender - J. Bayes 2016-09-23

In the early 1970s accompanying the current wave of globalization, conservative nationalist religious movements began using religion to oppose non-democratic and often western oriented regimes. Reasserting patriarchal gender relations presumably authorized by religion has been central to these movements. At the Fourth United Nations Congress on Women in Beijing in 1995, Muslim and Catholic delegations from diverse countries united to oppose provisions on sexuality, reproductive rights, women's health, and women's rights as human rights. In this book, scholars from eight different Muslim and Catholic communities analyze the political strategies that women are employing in these contexts ranging from acceptance of traditional doctrines to various forms of resistance, religious reinterpretation, innovation, and political action toward change and equal rights.

Religion and Sexual Health: - R.M. Green 2013-03-14

Religious beliefs and attitudes have long been recognized as playing an important role in sexual functioning, but the relationship between religion and sexual behavior has rarely been studied in a comprehensive way. The essays in this volume bring the views of sex counsellors, therapists, theologians, and bioethicists to bear on the relationship between religion and sexuality. A major theme emerging from these essays is that religion and counselling need to learn from one another. Religious traditions, at the popular or theological levels, are often marked by ignorance and misinformation about sexuality and can benefit by the insights of those who work closely with patients in medical and counselling settings. Counsellors, in turn, need to develop a sensitivity to past and present religious attitudes toward sexuality in order to assist their patients achieve sexual health.

Sexual Diversity and Catholicism - Joseph Andrew Coray 2001

The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity. On the one hand, official documents have condemned violence and verbal abuse directed at persons of different sexual orientation; on the other hand, the Church has approved and lobbied for certain types of discrimination: in housing and employment, for example, and also with regard to marriage or civil unions. *Sexual Diversity and Catholicism* focuses specifically on Roman Catholic magisterial teachings on sexual diversity. It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom (between Church teachings, the Bible, philosophy, science and experience) and how their interplay might contribute to the further development of Church teaching. It addresses the issue of sexual diversity and its legitimate expression under the headings *Interpreting Church Teachings*, *Interpreting the Bible*, *Interpreting Secular Disciplines*, and *Interpreting Human Experience*. Part One: *Interpreting Church Teachings*, includes *My Brother Dan*, by Bishop Thomas J. Gumbleton; *Unitive and Procreative Meaning: The Inseparable Link*, by James P. Hanigan; *The Bridegroom and the Bride: The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality*, by Susan A. Ross; and *The Church and Homosexuality: A Lonerganian Approach*, by Jon Nilson. Part Two: *Interpreting the Bible* contains *The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology*, by Patricia Beattie Jung; *Questions About the Construction of (Homo)sexuality: Same-Sex Relations in the Hebrew Bible*, by Robert A. Di Vito; *Romans 1:26-27: The Claim That Homosexuality Is Unnatural*, by Leland J. White; *The New Testament and Homosexuality?* by Bruce J. Malina; and *Perfect Fear Casteth Out Love: Reading, Citing, and Rape*, by Mary Rose D'Angelo. Part Three: *Interpreting Secular Disciplines* includes insights from the human and social sciences: *Homosexuality, Moral Theology, and Scientific Evidence*, by Sidney Calahan; *Informing the Debate on Homosexuality: The Behavioral Sciences and the Church*, by Isaiah Crawford and Brian D. Zamboni; and *Harming by Exclusion: On the Standard Concepts of Sexual Orientation, Sex, and Gender*, by David T. Ozar. Part Four: *Interpreting Human Experience*, brings the voices of two of the Church's faithful women: *Papal Ideals, Marital Realities: One*

View From the Ground," by Cristinal. H. Traina; and "Catholic Lesbian Feminist Theology," by Mary E. Hunt.

Sex and Heaven - John Portmann 2003-03-05

"And so the way we worship apparently matters less to God than the way we make love. The diagnosis may not be limited to Roman Catholicism, for today Jewish, Protestant, and Muslim communities also struggle to decide what the next world holds for their sexual dissidents. Curiously, debates over where gay people belong now feed into debates over how much equality women deserve in the West's three major faith traditions."--BOOK JACKET.

The Catholic Church and Modern Sexual Knowledge, 1850-1950 - Lucia Pozzi 2021-09-24

This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality. The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries. Yet the Catholic encounter with modern sexuality has a more complex and interesting history. What was the meaning of sexual purity? Why did eugenics matter to Catholicism? How did the Society of Jesus interpret the idea of overpopulation? Why did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage - the first modern papal pronouncement on birth control, abortion, and eugenics? In answering these questions, Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge, showing the Catholic church at times resisting, but also often welcoming, scientific modernity.

Christianity and Sexuality in the Early Modern World - Merry Wiesner-Hanks 2014-05-22

The book surveys the ways in which Christian ideas and institutions shaped sexual norms and conduct from the time of Luther and Columbus to that of Thomas Jefferson. It is global in scope and geographic in organization, with chapters on Protestant, Catholic, and Orthodox Europe, Latin America, Africa and Asia, and North America. All the key topics are covered, including marriage and divorce, fornication and illegitimacy, clerical sexuality, same-sex relations, witchcraft and love magic, moral crimes, and inter-racial relationships. Each chapter in this second edition has been fully updated to reflect new scholarship, with expanded coverage of many of the key issues, particularly in areas outside of Europe. Other updates include extra analysis of the religious ideas and activities of ordinary people in Europe, and new material on the colonial world. The book sets its findings within the context of many historical fields- the history of sexuality and the body, women's history, legal and religious history, queer theory, and colonial studies- and provides readers with an introduction to key theoretical and methodological issues in each of these areas. Each chapter includes an extensive section on further reading, surveying and commenting on the newest English-language secondary literature.

Sexing the Church - Aline H. Kalbian 2005-04-05

"A wonderful book that gives us a fresh angle of vision on modern Roman Catholic teaching about sex, marriage, gender relationships, and reproduction. After reading *Sexing the Church*, few will doubt the extent to which Catholic teaching about the law of nature owes no small debt to history and culture." -- Richard B. Miller, Poynter Center for the Study of Ethics and American Institutions "...Catholic attitudes about women in the priesthood... display [a] contradiction between egalitarian and subordinationist views.... Women are denied access to the 'eucharistic' priesthood because allowing them in would upset the redemptive order. Why is it, then, that imagery from the created order (women as mothers, brides, virgins) is often used to describe the redemptive 'mystery' that connects Christ with the Church? Why is the Church 'sexed' female?... This sexing of the Church is more than just an example of how gender and order work in Catholic morality; it also reveals tensions in the complex patterns of Catholic reasoning about marriage, reproduction,

and church authority. In a surprising way, it challenges the order enforced by the Catholic ethics of marriage and reproduction." -- from Chapter One The regulation of human sexuality in contemporary Catholicism, a topic that monopolizes public conversation about the Catholic Church, is also a central concern of Catholic theological discussions of religious ethics. Aline H. Kalbian traces the history of the connection between moral theology and sexual ethics as it applies to the concern for order in official teachings on marriage, reproduction, and sex. She explores order as it is reflected in the theology of marriage, the 20th-century challenge to that order in the debates on contraception and assisted reproduction, and the way attitudes about gender in Catholicism connect theological and moral order with ecclesiastical order.

Sex and Virtue - John S. Grabowski 2012-08-07

"Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary world" (Raymond Dennehy, Professor Emeritus, University of San Francisco). "A welcome addition to an often contentious literature," *Sex and Virtue* provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective (Catholic Books Review). In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council, John S. Grabowski discusses the systemic application of biblical and virtue-based categories on the topic of sexuality. A number of issues are examined including: the historical setting regarding attitudes and practices concerning sexuality; key biblical, historical, and contemporary resources for articulating a virtue-based approach to sexual ethics; current issues with which such an approach must wrestle; and some description of how to foster growth in moral virtue, particularly chastity. Ultimately, *Sex and Virtue* offers a compelling vision of human sexuality in the light of Christian faith that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom. "Sex and Virtue is a splendid result of Grabowski's response to the call of Vatican II to find scriptural support for Catholic moral teaching. The ecumenical potential of this book is tremendous; Christians can only marvel at the resources in scripture for establishing sexual morality—a morality that puts sexuality in service of love, life, and salvation." —Janet E. Smith, former professor of moral theology, Sacred Heart Major Seminary of Detroit

The Catholic Girl's Guide to Sex - Melinda Anderson 2003

Catching the wave of popular titles for the fabulous young female, "The Catholic Girl's Guide to Sex" brings a litany of laughter to the bedroom, especially if the female involved has a hang-up or two. 25 illustrations.

The Body in Context - Gareth Moore 2005-02-11

In this highly readable book Gareth Moore examines some of the principle arguments and styles of argument advanced by Christians, particularly the Roman Catholic Church, in support of Christian standards in sexual ethics. Catholic teaching has sought to present those standards and values as ones which anyone can embrace; ones which they should be able to see as right if only they think about them in the right way. Arguments have been drawn from Scripture and also from philosophy and experience, the latter being particularly important at a time when the Church can no longer 'lay down the law', but has to be able to persuade. But are these arguments valid, or are they flawed? Moore's study covers such wide-ranging topics as sexual pleasure, the purpose of sex, sexual gestures, marriage, contraception and homosexuality; and in these areas, and the more specific sexual issues he covers, he often finds the Church's case to be defective. Though the Church has valuable things to say, its supporting arguments can be unconvincing. Better arguments, he claims, are needed; or, alternatively, the possibility has to be faced that the Churches' teaching needs modification. Whatever the case, the Church needs to do more thinking about sex.
