Sex Therapist - J. Grayson 2018-02-08

I tried so hard to get over hubby's affair, I truly did. Though as the years went by, I seemed to hate him more, rather than forgiving him. The last thing I ever planned on doing was to become him--the man I hated. That's when I entered Dr. Johnson's Sex Therapy office. Like a dare, he challenged me to dip into a forbidden pool. Desperate, having nothing else to lose, I ate from his tempting tree. Transported to a world I'd never been, my body was pushed to new sexual limits. However, of everything that I'd learn from him, nothing would compare to the lesson I'd teach myself.

The Sex Diaries - Bettina Arndt 2009

'From the time I started working as a sex therapist back in the early 1970s, people have been talking to me about their sex lives. What I hear about most is the business of negotiating the sex supply. How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep?' In *The Sex Diaries* Australia's leading sex therapist, Bettina Arndt, uncovers the night-time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together, most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries, revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex. With her characteristic humour and insight, Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships.

Erotic Dreams - Sir Arthur Louis O'Pola 2021-07-15

I underwent a series of hypnotic regressions, never experienced before, with a sex therapist, a friend, searching for the reason that determines my specific current situation. For me, every trip in a trance state unexpectedly takes me to places and conditions that are utterly foreign to my life and unexpected, unpredictable, and engaging situations. Seduced by the psychologist's inductions, I find myself being the character of my dream travels and see, hear and act as if I were him; I forget about myself if not for the sole name with which the other characters of my subconscious address me. I find myself in imaginary

worlds and situations and always in the company of fantastic creatures with whom I eventually interact sexually. It's an active search for an encounter with the other race, a contact at all levels with physical, psychological and cultural diversity, to learn and experience completely different ways of life. The five transcribed and shared sessions are full of unbridled passion and orgasmic ecstasy that comes from the primary need to mate and be together lovingly. The erotic scenarios that emerge from my unconscious, as an indication of the path of life, encourage me to participate in the procreative process without procreating actively. They suggest that I enjoy the vital energy that unleashes in the interaction with my other aspect of being, both male and female, the single tool capable of breaking the dams of cosmic orgasm. Sexual rapture is the absolute creator and supporter of the union of polarities and can recompose the indivisible, the first, and unrepeatable principle. We are the unifying element, and when we join in sexual union with what is different from us, we compose and are composed of it and thus build the new. The semen, the life gift that we reoffer to life, returns to us with abundance and recognition in the form of sublime ecstasy, divine rapture, and exhilarating sexual orgasm, and its absolute pleasure becomes even cosmic.

Pleasure Island - M. S. Parker 2018-04-12

Liam: After serving four years in the army, I'm back home in Texas, but it hasn't taken me long to see that I don't belong here anymore. Luckily, I heard that my cousin, Jake King, is now living in New York City, so I'll join him there, hoping to put the past behind me. And, unlike most other twenty-two-year-old guys, the one thing I'm NOT looking for is romance. In fact, I'm planning on being celibate for the foreseeable future. Mila: I don't need a bodyguard, and I certainly don't want one, but my dad is sure that someone's trying to hurt me. All I want is to focus on my practice and spend time with Grandma Millie at her beautiful resort. However, after meeting my bodyguard, I'm now thinking that going to Pleasure Island with him might not be such a bad deal after all. Former soldier, Liam Finnegan and sex therapist Mila Golding are about as different as two people can be. After Liam is hired as Mila's bodyguard, they fight the chemistry between them, but fate has other ideas. Will they be able to move beyond the baggage of their pasts, or will their biases prove to be their undoing? Don't miss Pleasure Island, the final book in the Sex Coach series. Contains a free preview of the Pure Lust series.

So Tell Me about the Last Time You Had Sex - Ian Kerner 2022-04-19

Now in paperback, renowned sex therapist Ian Kerner shares the unique and indispensable methodology he uses to help thousands of couples get unstuck and into sexual sync. Dr. Ian Kerner is a Sherlock Holmes of the bedroom--a sexual detective helping individuals and couples solve the mystery of their sexual distress. His secret weapon? Analyzing your "sex script." Kerner takes a magnifying glass to a recent sexual event, examining the entire sequence of interactions--beginning, middle, and end--from multiple angles. In those details--the what, where, when, and why of the last time you had sex--all the clues of what went wrong are revealed and the mystery of how to create mutual pleasure can be solved. When our sex scripts work, we lose ourselves in mutual pleasure; but when they fail, it's all we can do not to ruminate over the details. What can be learned by looking at your sex life in action? With wit and warmth, the nationally recognized sex therapist and author of the smash hit *She Comes First* shows readers how to tap into their erotic personalities and realize their sexual potential. Dr. Kerner provides the tools and techniques you need to assess, fix, and expand your sex scripts, as well as discuss many common sexual problems that get in the way of happy endings. With the help of decades of clinical insight, the latest sexual science and research, valuable homework assignments, case studies, and more, this insightful and original book strips away discomfort and offers couples not just the ability to talk about sex, but the ability to actually do something about it.

Sexuality - Eric EH buddhadharma 2016-01-20

The only guidebook in the world that provides you with an insight into what actually is sexually wrong within you - mentally, physically and spiritually and how to get cure for it. This book may not have those glossy erotic pictures, but I can assure you, this book has what you are looking for- getting back that sexual desire or power, you lost some years ago. In a matter of fact way, it deals with most sexual problems in the modern times due to stress, distress and unhealthy lifestyle. Most books and remedies are there to mislead you into believing which may not be true. The authors and the remedy makers, themselves may be victims of sexual dysfunction, which no one knows for sure. Their motive is simply to cash in on your temporary sexual disability. This book is written by an author, himself into physical fitness. He is passing down the knowledge to his

readers based upon his proven and established super physical, sexual, and mental abilities. What better way there is, than to read a book written by someone bubbling with energy and youth at over 60 years of age! My guide is based upon spiritual wisdom and logic and not on some whimsical and hypothetical fast selling formula. You may have already spent a fortune finding a cure for your sexual problem, but now you are careful and would not like to part with another cent, just in case the next investment turns out to be another fake. I suggest, you assume this small amount too, which you are investing in this guide, will go down the drain. After reading this guidebook from cover to cover, and using its valuable information, I am sure you will cure yourself of the dreaded malfunction. You will someday bless me for writing this guidebook; that day would be the day for me to rejoice.

Seeking solutions to these and other common sexual and relationship problems, the book provides a practical, sensitive and modern approach, which tackles the complexities of contemporary relationships, identity, love and sex. A comprehensive,

stepped approach to psychosexual therapy is offered, demonstrating how to tackle blocks to sex and intimacy as well as providing an understanding of how and why they develop. Loss of desire, sexual pain and erectile and orgasm difficulties are seen within the context of modern life and relationship dynamics, so that comprehensive and realistic solutions are more readily enabled. The book looks at significant issues such as sexual consent, sexual and gender identity, sexual trauma and culture, as well as the more recent challenges of porn-related sexual dependency, chemsex, female genital cutting and technology.

Throughout, the emphasis is on recognising and meeting the specific obstacles and needs of a wide diversity of relationships and experiences, providing a vast toolbox to appropriately address contemporary sexual issues. Established sex therapists, as well as students, will benefit from the book's modern approach which focuses on each partner's experience, avoiding outcome and response anxiety entirely and appreciating the range of pressures experienced by modern couples. Relationship therapists and couples themselves will also be motivated by new ideas and explanations, which often challenge existing intuitive understanding to produce nuanced and effective solutions to improve sex and intimacy.

Tell Me about the Last Time You Had Sex - Ian Kerner 2021-06

Maybe You Should Talk to Someone meets Come As You Are. Renowned sex therapist and New York Times bestselling author Ian Kerner shares the program he uses to help thousands of couples achieve more intimacy and better sex. Think about the last time you had sex. Who initiated it? When and where did it happen? What was off-limits and why? In the end, did the sex leave you motivated to have more? Over the years, internationally recognised sex therapist and author of *She Comes First*, Ian Kerner, has perfected the art of the 'sex script analysis' - a way of looking at your sex life in action, moment by moment. In those details, an entire world is revealed. When the script works, we drop down into arousal and lose ourselves in pleasure. But when the script fails, it's all

we can do not to ruminate over the details. In this book, Kerner shows you how to conceptualise and create a sex life that works for you. He helps you figure out what's working, what's not, where you might be missing some elements, and how to construct a sex script that is mutually satisfying. He also discusses many common sexual problems - such as low desire, mismatched libido, and erectile unpredictability - that may be interfering with your sex life. Combining clinical insight, the latest sexual science and research, case studies, homework assignments, and more, this is a book that does more than just talk about sex; it's a book that will get you to do something about sex.
