Sex and the City - Amy Sohn
2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

Sex and the City 2 - Eric Cyphers
2010-05-18

Your bookshelf is about to get a whole lot sexier. As the highly anticipated Sex and the City 2 hits theaters, Running Press presents the official companion book, available both in paperback and as a deluxe hardcover edition. With style emulated by millions of women, Carrie Bradshaw has become the fashion icon of our day. Nearly half of this book is devoted to showcasing and detailing the wardrobe and accessories worn by the women in the movie. As a complete guide to Sex and the City 2, the book is also filled with exclusive plot details, interviews with cast and crew,

and never-before-told stories about the making of the film. The fashions, the friendship, and the fun are all gorgeously illustrated by more than 500 downright fabulous photos of Carrie, Samantha, Miranda, Charlotte, and the rest of the stellar cast. Fans just can't get enough of Sex and the City.

This book will be a must-have for the millions who made the show the highest-rated on cable TV; who bought 400 million worth of tickets to the first movie; and who made the book that tied in with that film a New York Times bestseller!

We Should All Be Mirandas - Chelsea Fairless
2019

"A snarky lifestyle guide inspired by the most underrated character on Sex and the City, from the creators of the Instagram sensation @everyoutfitonSATC"--

Sex and the City - Amy Sohn
2008-09-23

The Carrie Diaries - Candace Bushnell 2011-04-26

The Carrie Diaries is the coming-of-age story of one of the most iconic characters of

our generation. Before Sex and the City, Carrie Bradshaw was a small-town girl who knew she wanted more. She's ready for real life to start, but first she must navigate her senior year of high school. Up until now, Carrie and her friends have been inseparable. Then Sebastian Kydd comes into the picture, and a friend's betrayal makes her question everything. With an unforgettable cast of characters, The Carrie Diaries is the story of how a regular girl learns to think for herself and evolves into a sharp, insightful writer. Through adventures both audacious and poignant, we'll see what brings Carrie to her beloved New York City, where her new life begins.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York;

blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

You've Come A Long Way, Baby
- Lilly J. Goren 2009-05-22

The landmark 2008 presidential and vice presidential campaigns of Hillary Clinton and Sarah Palin brought the role of women in American leadership into sharper focus than ever before. These women and others such as Nancy Pelosi and Katie Couric who are successful in traditionally male-dominated fields, demonstrate how women's roles have changed in the last thirty years. In the past, the nightly news was anchored by male journalists,

presidential cabinets were composed solely of male advisors, and a female presidential candidate was an idea for the distant future, but the efforts of dedicated reformers have changed the social landscape. The empowerment of women is not limited to the political sphere, but is also echoed by the portrayal of women in film, television, magazines, and literature. You've Come a Long Way, Baby: Women, Politics, and Popular Culture investigates the role of popular culture in women's lives. Framed by discussions of contemporary feminism, the volume examines gender in relation to sexuality, the workplace, consumerism, fashion, politics, and the beauty industry. In analyzing societal depictions of women, editor Lilly J. Goren and an impressive list of contributors illustrate how media reflects and shapes the feminine sense of power, identity, and the daily challenges of the twenty-first century. Along with a discussion of women in politics,

various contributors examine a range of gender-related issues from modern motherhood and its implications for female independence to the roles of women and feminism in pop music. In addition, Natalie Fuehrer Taylor outlines the evolution of women's magazines from Ladies' Home Journal to Cosmopolitan. The impact of television and literature on body image issues is also explored by Linda Beil, who draws on trendy chick lit phenomena such as Gossip Girl and Sex and the City, and Emily Askew, who analyzes the effects of image transformation in programs such as The Swan and Extreme Makeover. As comprehensive as it is accessible, You've Come a Long Way, Baby is a practical guide to understanding modern gender roles. In tracing the different ways in which femininity is constructed and viewed, the book demonstrates how women have reclaimed traditionally domestic activities that include knitting, gardening, and cooking, as well as feminine symbols such as

Barbie dolls, high heels, and lipstick. Though the demand for and pursuit of gender equality opened many doors, the contributors reveal that fictional women's roles are often at odds with the daily experiences of most women. By employing an open approach rather than adhering to a single, narrow theory, You've Come a Long Way, Baby appeals not only to scholars and students of gender studies but to anyone interested in confronting the struggles and celebrating the achievements of women in modern society. [The Carrie Diaries TV Tie-in Edition](#) - Candace Bushnell 2012-12-26

This #1 New York Times bestselling prequel to Sex and the City is now a CW TV series! The Carrie Diaries is the coming-of-age story of Carrie Bradshaw, one of the most iconic characters of New York City and our generation. insights from film professionals around the globe A companion website

(www.focalpress.com/cw/purcell) with project files and video examples demonstrating

editing techniques discussed in the book Don't allow your dialogue to become messy, distracting, and uncinematic!

Do dialogue right with John Purcell's all-inclusive guide to this essential yet invisible art.

[Sex and the City and Us](#) -

Jennifer Keishin Armstrong

2018-06-05

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune).

This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still

Downloaded from
legacy.opendemocracy.net
on 2022-02-27 by guest

often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the New York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the

scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

Just Like a Movie Level 1 - Sue Leather 2000-06

Brad and Gina go to the movies every weekend but they have no money. Then he has an idea and thinks that real life can be just like the movies and that is when things go wrong.

Plaza Suite - Neil Simon 1969
A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood

*Downloaded from
legacy.opendemocracy.net
on 2022-02-27 by guest*

producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a suburban housewife, for a little sexual diversion. Over the years she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"--Publisher's description.

City of Girls - Elizabeth Gilbert 2020-06-02

A SUNDAY TIMES TOP TEN BESTSELLER 'Stunning' Lisa Taddeo, author of THREE WOMEN 'Warm and wise' Stephanie Merritt, Observer

'Glamorous, sexy, compelling' Dolly Alderton, Sunday Times 'I fell in love with Vivian from page one' Daisy Buchanan 'An education in love, and an iridescent delight' Rowan Pelling, Spectator New York, 1940. Young, glamorous and inseparable, Vivian and Celia are chasing trouble from one end of the city to the other. But there is risk in all this play o that's what makes it so fun, and so dangerous. Sometimes, the world may feel like it's ending, but for Vivian and Celia, life is just beginning. City of Girls is about daring to break conventions and follow your desires- a celebration of glamour, resilience, growing up, and the joys of female friendship o and about the freedom that comes from finding a place you truly belong.
