**Twelve Years A Slave, Illustrated Edition** - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

**Affective Health and Masculinities in South Africa** - Hans Reihling 2020-04-03

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

**A Bullet in the Ballet** - Caryl Brahms 1996

A BLACK DAGGER CRIME edition of a novel about a famous dancer who is shot on stage on an opening night, but all the critics who gather - unaware that he is dead - agree that the death scene was particularly unconvincing. However, there are plenty of suspects since the dancer appears to have been the most hated person in the company.

*News of the Weird* - Chuck Shepherd 1989

For news junkies and fans of the bizarre-but-true, here is an outrageous collection of all-real, all-weird news stories culled from the nation's mainstream newspapers. Line art throughout.

[Moon-Face & Other Stories](#) - Jack London 2017-08-08

MOON-FACE (Excerpt) John Claverhouse was a moon-faced man. You know the kind, cheek-bones wide apart, chin and forehead melting into the cheeks to complete the perfect round, and the nose, broad and pudgy, equidistant from the circumference, flattened against the very centre of the face like a dough-ball upon the ceiling. Perhaps that is why I hated him, for truly he had become an offense to my eyes, and I believed the earth to be cumbered with his presence. Perhaps my mother may have been superstitious of the moon and looked upon it over the wrong shoulder at the wrong time. Be that as it may, I hated John Claverhouse. Not that he had done me what society would consider a wrong or an ill turn. Far from it. The evil was of a deeper, subtler sort; so elusive, so intangible, as to defy clear, definite analysis in words. We all experience such things at some period in our lives. For the first time we see a certain individual, one who the very instant before we did not dream existed; and yet...

*Beethoven's Wig Sing Along Piano Classics* - Beethoven's Wig 2021-05-03

Inspired and wildly imaginative, "Beethoven's Wig Sing Along Piano Classics" are zany, stick-in-your-head lyrics set to masterpieces by great composers. The lyrics are filled with fact and fancy about the composers and their music opening a door to serious music that's fun. It's fun to play and sing along! The music for each piano piece is presented as it was originally written by the composer. As a bonus, there is an appendix with pieces transposed into the keys used on Beethoven's Wig recordings. This allows pianists to play and sing along with the recorded tracks. BEETHOVEN'S WIG is the creation of Richard Perlmutter, who is the lyricist, lead singer and producer of the group's five albums. Beethoven's Wig has toured North America and performed at arts centers and with symphony orchestras. The group's recordings have won 50 awards including including four GRAMMY Nominations. They have also won Parent's Choice Awards, Teacher's Choice Awards and been designated as "Notable Recordings" by the American Library Association. CONTENTS: Beep, Beep, Beep (Moonlight Sonata, Beethoven), Just For Elise (Für Elise, Beethoven), La De Da Sonata (Sonata in C, Mozart), A Piano Is Stuck In The Door (The Entertainer, Joplin), My Little Chicken (Chopsticks, de Lulli), Poor Uncle Joe (Funeral March, Chopin), A Fan of Chopin (Prelude Op. 28, No 7, Chopin), Mozart Makes Kids Smart (Alla Turca, Mozart), Minuet For My Pet (Minuet In G, Beethoven), Dvorak The Czechoslovak (Humoresque No. 7, Dvorak), Franz Liszt The Famous Pianist (Hungarian Rhapsody No. 2, Liszt), I Can't Sleep (Lullaby, Brahms), I Like Art (Promenade From Pictures At An Exhibition, Mussorgsky)

**The Gritterman** - Orlando Weeks 2017-09-07

'Sometimes it feels like I might be the only person awake in the whole country. People might find that a lonely thought. Not me...' As the rest of the world sleeps, the Gritterman goes out to work. Through the wind and the snow and the freezing cold, in the blue-black hours when time slips away, he grits the paths and the pavements and the roads. For him, there is romance in the winter and comfort in his purpose. But what would a life without gritting mean? A song for the unsung hero, this is a bittersweet story about stoicism, dignity and a man leaving behind the work that he loves. It is accompanied by the author's own illustrations.

[The Complete Book of 1920s Broadway Musicals](#) - Dan Dietz 2019-04-10

During the Twenties, the Great White Way roared with nearly 300 book musicals. Luminaries who wrote for Broadway during this decade included Irving Berlin, George M. Cohan, Rudolf Friml, George Gershwin, Oscar Hammerstein II, Lorenz Hart, Jerome Kern, Cole Porter, Richard Rodgers, Sigmund Romberg, and Vincent Youmans, and the era's stars included Eddie Cantor, Al Jolson, Ruby Keeler, and Marilyn Miller. Light-hearted Cinderella musicals dominated these years with such hits as Kern's long-running Sally, along

with romantic operettas that dealt with princes and princesses in disguise. Plots about bootleggers and Prohibition abounded, but there were also serious musicals, including Kern and Hammerstein's masterpiece Show Boat. In *The Complete Book of 1920s Broadway Musicals*, Dan Dietz examines in detail every book musical that opened on Broadway during the years 1920-1929. The book discusses the era's major successes as well as its forgotten failures. The hits include *A Connecticut Yankee*; *Hit the Deck!*; *No, No, Nanette*; *Rose-Marie*; *Show Boat*; *The Student Prince*; *The Vagabond King*; and *Whoopee*, as well as ambitious failures, including *Deep River*; *Rainbow*; and Rodgers' daring *Chee-Chee*. Each entry contains the following information: Plot summary Cast members Names of creative personnel, including book writers, lyricists, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Plot summary Critical commentary Musical numbers and names of the performers who introduced the songs Production data, including information about tryouts Source material Details about London productions Besides separate entries for each production, the book offers numerous appendixes, including ones which cover other shows produced during the decade (revues, plays with music, miscellaneous musical presentations, and a selected list of pre-Broadway closings). Other appendixes include a discography, filmography, a list of published scripts, and a list of black-themed musicals. This book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1920s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in the history of musical theatre.
