**The Letters of Mina Harker** - Dodie Bellamy 2021-10-19

Bellamy's debut novel revives the central female character from Bram Stoker's *Dracula* and imagines her as an independent woman living in San Francisco during the 1980s. Hypocrisy's not the problem, I think, it's allegory the breeding ground of paranoia. The act of reading into--how does one know when to stop? KK says that Dodie has the advantage because she's physical and I'm "only psychic." ... The truth is: everyone is adopted. My true mother wore a turtleneck and a long braid down her back, drove a Karmann Ghia, drank Chianti in dark corners, fucked Gregroy Corso ... --Dodie Bellamy, *The Letters of Mina Harker* First published in 1998, Dodie Bellamy's debut novel *The Letters of Mina Harker* sought to resuscitate the central female character from Bram Stoker's *Dracula* and reimagine her as an independent woman living in San Francisco during the 1980s--a woman not unlike Dodie Bellamy. Harker confesses the most intimate details of her relationships with four different men in a series of letters. Vampirizing Mina Harker, Bellamy turns the novel into a laboratory: a series of attempted transmutations between the two women in which the real story occurs in the gaps and the slippages. Lampooning the intellectual theory-speak of that era, Bellamy's narrator fights to inhabit her own sexuality despite feelings of vulnerability and destruction. Stylish but ruthlessly unpretentious, *The Letters of Mina Harker* was Bellamy's first major claim to the literary space she would come to inhabit.

*Bowie* - Marc Spitz 2010-10-05

An expansive biography of David Bowie, one of the twentieth century's greatest music and cultural icons. From noted author and rock 'n' roll journalist Marc Spitz comes a major David Bowie biography to rival any other. Following Bowie's life from his start as David Jones, an R & B--loving kid from Bromley, England, to his rise to rock 'n' roll aristocracy as David Bowie, Bowie recounts his career but also reveals how much his music has influenced other musicians and forever changed the landscape of the modern era. Along the way, Spitz reflects on how growing up with Bowie as his soundtrack and how writing this definitive book on Bowie influenced him in ways he never expected, adding a personal dimension that Bowie fans and those passionate about art and culture will connect with and that no other bio on the artist offers. Bowie takes an in-depth look at the culture of postwar England in which Bowie grew up, the mod and hippie scenes of swinging London in the sixties, the sex and drug-fueled glitter scene of the early seventies when Bowie's alter-ego Ziggy Stardust was born, his rise to global stardom in the eighties and his subsequent status as an elder statesman of alternative culture. Spitz puts each incarnation of Bowie into the context of its era, creating a cultural time line that is intriguing both for its historical significance as well as for its delineation of this rock 'n' roll legend, the first musician to evolve a coherent vision after the death of the sixties dream. Amid the sex, drugs and rock 'n' roll mayhem, a deeper portrait of the artist emerges. Bowie's early struggles to go from follower to leader, his tricky relationship with art and commerce and Buddhism and the occult, his complicated family life, his open romantic relationship and, finally, his perceived disavowal of all that made him a touchstone for outcasts are all thoughtfully explored. A fresh evaluation of his recorded work, as well as his film, stage and video performances, is included as well. Based on a hundred original interviews with those who knew him best and those familiar with his work, including ex-wife Angie Bowie, former Bowie manager Kenneth Pitt, Siouxsie Sioux, Camille Paglia, Dick Cavett, Todd Haynes, Ricky Gervais and Peter Frampton, Bowie gives us not only a portrait of one of the most important artists in the last century, but also an honest examination of a truly revolutionary artist and the unique impact he's had across generations.

*Ask a Manager* - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York

Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

**Social Media Is Bullshit** - B. J. Mendelson 2012-09-04

A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business If you listen to the pundits, Internet gurus, marketing consultants, and even the mainstream media, you could think social media was the second coming. When it comes to business, they declare that it's revolutionizing advertising, PR, customer relations--everything. And they all agree: it is here to stay. In this lively, insightful guide, journalist and social critic B.J. Mendelson skillfully debunks the myths of social media. He illustrates how the notion of "social media" first came to prominence, why it has become such a powerful presence in the marketing field, and who stands to benefit each time it's touted in the press. He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old-fashioned, real-world connections. He examines popular tales of social media "success," and reveals some unsettling truths behind the surface. And he tells you how to best harness the potential of the Internet--without spending a fortune in the process. Social media is bullshit. This book gives the knowledge and tools you really need to connect with customers and grow your brand.

**Unruly Media** - Carol Vernallis 2013-11

*Unruly Media* is the first book to account for the current audiovisual landscape across media and platform. It includes new theoretical models and close readings of current media as well as the oeuvre of popular and influential directors.

*A Country of Ghosts* - Margaret Killjoy 2021-11-23

Dimos Horacki is a Borolian journalist and a cynical patriot, his muckraking days behind him. But when his newspaper ships him to the front, he's embedded in the Imperial Army and the reality of colonial expansion is laid bare before him. His adventures take him from villages and homesteads to the great refugee city of Hronople, built of glass, steel, and stone, all while a war rages around him. The empire fights for coal and iron, but the anarchists of Hron fight for their way of life. *A Country of Ghosts* is a novel of utopia besieged and a tale that challenges every premise of contemporary society.

*What Happens in Vegas Stays on YouTube* - Erik Qualman 2013-12

"Privacy is dead. The new rules for business, personal, and family reputation."--Cover.

*Il vichingo, la strega e i banditi* - Amanda Libling 2019-01-22

Romance - racconto lungo (37 pagine) - Una rapina maldestra nel giorno meno adatto degenera in un'orgia erotica. Riusciranno Helle e Cesare a salvare gli ostaggi? Il giorno in cui Helle inizia come capofila nella banca in cui lavora, quattro banditi tanto dilettanti quanto pericolosi fanno irruzione. Cesare, il biondo italiano amante della bella mora danese, è intenzionato a farle un regalo sorpresa ma si trova coinvolto in questa situazione ad alta tensione, dove due coppie di banditi esibizionisti fanno sfoggio delle proprie qualità erotiche costringendo gli ostaggi a fare altrettanto, sotto la minaccia delle armi nell'attesa di trattative con la polizia. Amanda Libling scrive sotto pseudonimo. Di madre italiana e padre danese, abita a Copenaghen ed è sposata con un autoctono. Ha due figlie. Insegna italiano in una scuola e legge molto sia

in in italiano che in danese.

### **Weird Scenes Inside The Canyon** - David McGowan 2014-03-19

The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel - the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters - rock stars, hippies, murderers and politicians - happily coexisted alongside a covert military installation.

### **Just Help Yourself** - Vernon Hopkins 2019-02-11

"The story that the public were never supposed to read. Brilliantly written, a must-read for all those who want to know the real story." - Peter Karrie "Colourful, candid, humorous and poignant, I couldn't put the book down. Vibrant with unique and wonderful characters." - Iris Williams Just Help Yourself tells the story of The Senators - soon to become The Squires - in 1960s Britain. The band, formed by sixteen-year-old Vernon Hopkins, was to play something called rock and roll, the fresh musical import from America. From practising in his parents' front room to a reputation as the best band in south Wales took just a year. But by 1961 they were in need of a new singer. Vernon recruited local boy Tommy Woodward, and the rest is history. Or is it? This is a classic tale of rock and roll. Successful young musicians from 'the provinces' are enticed to London by their hopeful management, in search of the game-changing record deal. After a period of hardship in Notting Hill, and the addition of a new and thrusting manager, they get a break: records are cut, gigs are played, tv appearances arrive. But as success and money comes the star singer is ruthlessly uncoupled from the band. While Tim Jones takes off, The Squires become increasingly peripheral. Finally, they are cleverly and brutally sacked by the manager, and left to carve out their own careers in the shadow of Jones' success. Vernon Hopkins's authentic story reveals the highs and lows of the music business, and of the allegedly Swinging Sixties. It is full of gritty detail about life in Pontypridd and London, and with great insight into the music business, Just Help Yourself is a cautionary tales of ambition and success. Illustrated with previously unseen photographs from the author's archive.

### **Boss on Board** - Tina Keller 2022-01-25

"Boss on Board" ist eine sommerliche Adaption von "Bad Boss for Xmas". Alina tritt mit ihrer besten Freundin und deren schräger Verwandtschaft eine Kreuzfahrt durch Nordeuropa an. Bei ihrer Ankunft begegnet sie dem attraktivsten Mann, den sie jemals gesehen hat und ist sofort hin und weg. Wie lustig, dass er denselben Namen trägt wie der verhasste Boss ihrer Firma. Alina kennt dieses Ekel zwar nicht persönlich, aber er schikaniert sie trotzdem ständig herum und hat ihr als Einziger der Firma eine Gratifikation verweigert. Was für ein Arsch! Alina fällt aus allen Wolken, als sie herausfindet, dass ihr Traummann Nicolas auf dem Schiff und der böse Boss nicht nur zufällig denselben Namen tragen, sondern ein und dieselbe Person sind. Was nun? Alina findet den heißen Kerl unwiderstehlich, aber gleichzeitig hasst sie den Bad Boss in ihm. Wie soll sie sich jetzt nur verhalten?

### **House of the Rising Son** - Trevann Rogers 2015-09-22

Sex. Rebellion. Rock and roll. Living After Midnight, Book 1 Cheyenne is a half-human incubus whose star is on the rise in the Unakite City rock scene. His father, the leader of the supernatural races, would prefer he keep a "low profile," but screw that. Cheyenne has as much music in his veins as royal incubi blood. Alexander's future is all set-finish law school, join the family firm, and marry someone who'd be good for business. Not that he has a say in any of it. He's barely met the woman his father expects him to marry. As Cheyenne's musical career takes off, his carefully constructed life begins to unravel, exacerbated by an ex-lover who can't let go, a crotchety barkeeper with a dirty mind and a pure heart, a drag queen who

moonlights as a nanny, and Alexander-who's not sure if he's falling for the incubus or the rocker. Cheyenne denies who he is, while Alexander hides what he wants. Together, they learn that getting what they truly want means being who they truly are. Warning: Contains hot were-tiger sex, a Thanksgiving celebration that makes the Inquisition look like a tea party, and an incubus who'll rock your world.

### **Angels and Demons** - Dan Brown 2009

An ancient secret brotherhood A devastating new weapon An unthinkable target CERN Institute, Switzerland: a world-renowned scientist is found brutally murdered with a mysterious symbol seared onto his chest. The Vatican, Rome: the College of Cardinals assembles to elect a new pope. Somewhere beneath them, an unstoppable bomb of terrifying power relentlessly counts down to oblivion. In a breathtaking race against time, Harvard professor Robert Langdon must decipher a labyrinthine trail of ancient symbols if he is to defeat those responsible - the Illuminati - a secret brotherhood presumed extinct for nearly four hundred years, reborn to continue their deadly vendetta against their most hated enemy, the Catholic church.

### **Entertainment-Education Behind the Scenes** - Lauren B. Frank 2021

This Open Access book tracks the latest trends in the theory, research, and practice of entertainment-education, the field of communication that incorporates social change messaging into entertaining media. Sometimes called edutainment, social impact television, narrative persuasion, or cultural strategy, this approach to social and behavior change communication offers new opportunities including transmedia and digital formats. However, making media can be a chaotic process. The realities of working in the field and the rigid structures of scholarly evaluation often act as barriers to honest accounts of entertainment-education practice. In this collection of essays, experienced practitioners offer unique insight into how entertainment-education works and present a balanced view of its potential pitfalls. This book gives readers an opportunity to learn from the successes and mistakes of the experts, taking a behind-the-scenes look at the business of making entertainment-education media.

### **It's Up to the Women** - Eleanor Roosevelt 2017-04-11

"Eleanor Roosevelt never wanted her husband to run for president. When he won, she . . . went on a national tour to crusade on behalf of women. She wrote a regular newspaper column. She became a champion of women's rights and of civil rights. And she decided to write a book." -- Jill Lepore, from the Introduction "Women, whether subtly or vociferously, have always been a tremendous power in the destiny of the world," Eleanor Roosevelt wrote in *It's Up to the Women*, her book of advice to women of all ages on every aspect of life. Written at the height of the Great Depression, she called on women particularly to do their part -- cutting costs where needed, spending reasonably, and taking personal responsibility for keeping the economy going. Whether it's the recommendation that working women take time for themselves in order to fully enjoy time spent with their families, recipes for cheap but wholesome home-cooked meals, or America's obligation to women as they take a leading role in the new social order, many of the opinions expressed here are as fresh as if they were written today.

### **Over the Top and Back** - Tom Jones 2015-10-08

Discover the remarkably honest and captivating story of one of the world's greatest ever singing talents, Sir Tom Jones 'Brilliantly told' SUNDAY TIMES 'A terrific, star-studded journey' DAILY EXPRESS \_\_\_\_\_ 'For a lot of years, I've answered a lot of questions, but have never told my story before . . .' In a business where dreams are often short-lived, Sir Tom Jones has maintained his sensational career across six decades. But how did a boy from a Welsh coal-mining family attain success across the globe over the course of decades? In this, his first ever autobiography, Tom revisits his past and tells the tale of his journey from wartime Pontypridd to LA and beyond. He reveals the stories behind the ups and downs of his fascinating and remarkable life, from the early heydays to the subsequent fallow years to his later period of artistic renaissance. It's the story nobody else knows or understands, told by the man who lived it, and written the only way he knows how: simply and from the heart. Raw, honest, funny and powerful, this is a memoir like no other from one of the world's greatest ever singing talents. \_\_\_\_\_ 'Packed with the kind of showbiz tales you don't get any more' Daily Express 'Hugely enjoyable' Daily Mail 'A book that gets to Jones's core' Daily Mirror 'This lively, thoughtful and entertaining account does justice to a remarkable life and career' Sunday Express 'A brilliant read full of charm' Woman & Home

**Tom Jones - The Life** - Sean Smith 2015-03-12

From bestselling biographer Sean Smith comes the fascinating and tumultuous true story behind Sir Tom Jones, the nation's treasure, sage of The Voice and living music legend.

*Shooting Up* - Łukasz Kamiński 2017

A vividly written account of how drugs have shaped the history of warfare, based on prodigious research

**My Smug Cat Notecards: 10 Cards and Envelopes** - Tom Cox 2015-11

The Rotters' Club - Jonathan Coe 2008-05-28

The Rotters' Club - Jonathan Coe's iconic 1970s coming-of-age novel Winner of the Everyman Wodehouse prize, The Rotters' Club follows Benjamin Trotter - bestselling author Jonathan Coe's most iconic character - through the hilarious and, at times, touching trials and tribulations of growing up in 1970s Britain.

Unforgettably funny and painfully honest, Jonathan Coe's tale of Benjamin Trotter and his friends' coming of age during the 1970s is a heartfelt celebration of the joys and agonies of growing up. Featuring, among

other things, IRA bombs, prog rock, punk rock, bad poetry, first love, love on the side. Prefects, detention, a few bottles of Blue Nun, lots of brown wallpaper, industrial strife, and divine intervention in the form of a pair of swimming trunks. Set against the backdrop of the decade's class struggles, tragic and riotous by turns, packed with thwarted romance and furtive sex, The Rotters' Club will be enjoyed by readers of Nick Hornby and William Boyd and anyone who ever experience adolescence the hard way. 'One of those sweeping, ambitious yet hugely readable, moving and richly comic novels that you find all too rarely in English fiction...a masterpiece' Daily Telegraph 'Very funny...a compulsive and gripping read. Coe had achieved that rare feat: a novel stuffed with characters you really care for' The Times 'A book to cherish, a book to reread, a book to buy for all your friends' Independent on Sunday Jonathan Coe's novels are filled with biting political satire, moving and astute observations of life and hilarious set pieces that have made him one of the most popular writers of his generation. His other titles, The Closed Circle (sequel to The Rotters' Club), The Accidental Woman, The Dwarves of Death, The Terrible Privacy of Maxwell Sim, The House of Sleep (winner of the 1998 Prix Médicis Étranger), A Touch of Love, What a Carve Up! (winner of the 1995 John Llewellyn Rhys Prize) and The Rain Before it Falls, are all available in Penguin paperback.
