

# Sexual Tantra

## **Tantra Made Easy** - Shashi Solluna 2018

"Tantra is a practice of sacred sexuality that has existed since ancient times to help people find meaning and healing in physical relationships. Now more than ever, this is a practice that everyone can benefit from. Shashi is a world-renowned Tantra instructor who has trained with the world's top experts. In *Tantra Made Easy*, she brings the traditions of Tantra to new readers curious to learn how these can be applied in their lives. Through this book, readers will gain an understanding of Tantra as a spiritual path. This will help them understand the role of relationships, love and intimacy in modern Tantric traditions, the importance of having an open heart and how Tantric techniques can give them a spiritual experience in their physical relationships."--Amazon.com.

## *Tantric Sex Guide* - Savage Dirty 2020-09-29

Are you interested in learning the ancient mysteries to experience mind-blowing Tantric Sex and Develop Your Relationship? Then Keep Reading... Living a life based on Tantric practices helps us achieve balance by integrating feminine and masculine aspects of ourselves so that we feel a sense of wholesome that presently lacks in our lives. Tantric practices help us see the divine in everything around us. These practices (if done patiently and diligently) infuse our senses and bodies with copious amounts of unbridled and unconditional love and compassion for one and all. Tantric practices also help you use the preserved energy to find your real purpose. Of course, it is essential to start small, begin with the simple individual and couple techniques mentioned in this book. Once you have mastered the simple ones and drawn the fantastic benefits of even these simple tantric practices, you can move on and learn more advanced techniques from reputable teachers and take your life to an entirely new level of consciousness. This

And much more This is a beginner's guide to understanding the power of Tantra, what it is, and some of the essential factors associated with this. The right mindset for Tantra will change the way your body handles all of the different aspects of Tantra. You should understand that, with Tantra, you'll feel amazing. Still, it would help if you also understood that it is a powerful technique, and it can change you. Ready to get started? Click "Buy Now"!

## **Tantric Sex: The Complete Guide to Discover the Best Tantric Secrets for Meditation, Yoga, Massage, and Obtain a New Sex Life Full** - Evelyn Jaymes 2020-10-07

Did you know that tantric sex is NOT all about sex?Or that it could be a path to healing several other areas of your life?What if you could experience full-body orgasms that lasted for hours?Doesn't that sound incredible? The truth is, the strength of your relationship is not forged during the dates you have or how much time you spend together as a couple. A strong, loving bond that can withstand the test of time is built during the most precious and intimate moments you share with your partner. It is built during sex. Having sex should be more than just satisfying your hormonal lust or desires. Sex should be a time when you connect with your partner in a way so deep, you're both brought to the brink of ultimate bliss. Originating in India sometime between 300 and 400 of the Common Era (CE), the concept of tantra can be detected dating back to 2000 BC. Ancient civilizations have long been harnessing the power of this remarkable practice, and the modern world we live in is only now waking up all the glorious possibilities tantric sex can bring. Tantric sex is not a religion. It is a practice and a way of life. It doesn't

just teach you the various sex methods you could use for greater pleasure alone. It teaches you how to give and receive the loving energy between a pair of lovers. It teaches you about awakening the internal spirit, the energy of life that flows within us all to connect with your spiritual side, and restore meaning to your life. It reminds us that our bodies are a temple and that within every man and woman, there resides a God and Goddess. Tantric sex is about connecting with your partner so deeply that in that union, you feel like you may have found your soul mate at last. You Will Learn: Tantra's emotional and cultural origins Why tantric sex is better than regular sex How to bring out your partner's sensual side Overcoming the myths to discover the truth How to awaken your body and free your mind The true power of breath and what it can do for your sexual experience How to harness the power of your sexual energy How to transform your sexual energy using your chakras How to manipulate the senses for greater intimacy What the erotic awakening massage can do for you Understanding the universal hum The best tantric sex positions to try today There's more to tantra than meets the sexual eye, and this book aims to help you understand why it should be seen as a way to connect meaningfully with your partner rather than seeing it as nothing more than a way for you to have an orgasm.

Embrace tantra fully, and you'll live your life with freedom and passion you never knew before. Tantra doesn't just teach you how to connect with your partner. It teaches you how to connect with your world. Tantra is a practice that benefits both men and women, and we'll provide step-by-step guides about how you can work together with your partner the way you are supposed to. This book is not going to tell you how to do it. It's going to show you how to do it. Are You Ready to Change Your Sexual Experience for the Better? Download Now! Your sexual awakening awaits.

**The Ultimate Guide to Tantric Sex** - Guillermo Ferrara 2015-08-18  
Tantra is a vital path toward full interior development through sex, love, and meditation. Its origin dates back to ancestral India, and from there has enlightened many generations of lovers who have penetrated the secret that leads to ultimate happiness. The practice of Tantra heightens

the energy and creativity levels, in addition to reinforcing the partners' connection. It is an integral method that permits the growth of the participants in all aspects of their personality: sexuality, intuition, spirituality, and more. Through the words of Guillermo Ferrara, whose teachings on Tantra are known worldwide, the step-by-step exercises and photographs come to life. The Ultimate Guide to Tantric Sex contains, amongst other themes: • Introduction to Tantra and the energies of love • Seduction and sensuality • Yoga for lovers • Sensitive touch and sensual massages • Secret erotic points • Sexual magic, rituals, symbols, and dances • Advanced sexual poses • Tantric exercises for couples • How to achieve a multiple orgasm • Prolonging pleasure • Eighteen lessons of tantric sex

**The Power of Tantra** - Hugh B. Urban 2009-10-30

In the West, the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock. For European colonizers, Orientalist scholars and Christian missionaries of the Victorian era, Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so-called 'Indian mind': a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism. Yet for most contemporary New Age and popular writers, Tantra is celebrated as a much-needed affirmation of physical pleasure and sex: indeed as a 'cult of ecstasy' to counter the perceived hypocritical prudery of many Westerners. In recent years, Tantra has become the focus of a still larger cultural and political debate. In the eyes of many Hindus, much of the western literature on Tantra represents a form of neo-colonialism, which continues to portray India as an exotic, erotic, hyper-sexualized Orient. Which, then, is the 'real' Tantra? Focusing on one of the oldest and most important Tantric traditions, based in Assam, northeast India, Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos, the human body and political society. In a fresh and vital contribution to the field, the author suggests that the 'real' meaning of Tantra lies in helping us rethink not just the history of Indian religions, but also our own modern obsessions with power, sex and the invidious legacies of cultural imperialism.

*Secrets of Sacred Sex* - Mark A. Michaels 2011-01-01

This modern and comprehensive guide to Tantra celebrates the sacredness of desire and the human body. Much more than an erotic sex manual, *Secrets of Sacred Sex* explains the Hindu Tantric tradition, its philosophy, and its principles. The authors, a devoted married couple, demystify Tantra in ways that make this ancient tradition accessible to beginners, offering authentic exercises and techniques that will help turn your every moment of pleasure into an opportunity to experience the divine.

*Kiss of the Yogini* - David Gordon White 2006-07-07

For those who wonder what relation actual Tantric practices bear to the

"Tantric sex" currently being marketed so successfully in the West, David Gordon White has a simple answer: there is none. Sweeping away centuries of misunderstandings and misrepresentations, White returns to original texts, images, and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day. *Kiss of the Yogini* focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra: sexualized ritual practices, especially as expressed in the medieval Kaula rites. Such practices centered on the exchange of powerful, transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis. It was only by "drinking" the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods. By focusing on sexual rituals, White resituates South Asian Tantra, in its precolonial form, at the center of religious, social, and political life, arguing that Tantra was the mainstream, and that in many ways it continues to influence contemporary Hinduism, even if reformist misunderstandings relegate it to a marginal position. *Kiss of the Yogini* contains White's own translations from over a dozen Tantras that have never before been translated into any European language. It will prove to be the definitive work for persons seeking to understand Tantra and the crucial role it has played in South Asian history, society, culture, and religion.

**Living Tantra** - Jan Day 2021-11-09

Tantra originated in India many centuries ago but it's uniquely placed to help people use real life as grist to the mill for spiritual transformation. The purpose of the book is to articulate what Tantra can be in our modern times and how it can be applied to all aspects of our everyday life. Traditionally Tantra was a path that brought spirituality out of the caves and monasteries and into the life of householders. It didn't seek to separate sexuality and spirituality and to force people to make a choice but rather to integrate the life of family and relationship with spirituality. This includes sexuality but it's not all about sexuality, and this is a rare book that applies Tantra to every aspect of life. *Living Tantra* is a body of work that aims to bring the essence and core message of tantra into

relevance for our contemporary life and society as a path of spiritual growth and human development. It's based on her legendary workshops which book up via word of mouth and attracts attendees from across Europe and North America, especially Sweden, Austria, USA, Germany, Spain and the Czech Republic. The exercises here come out of these workshops and mean that we can benefit from this work in our own homes. The principles of Living Tantra are to use all life, all experience to learn and become more conscious of ourselves and the world around us, to care more for ourselves, each other and the world and to develop greater compassion. Tantra includes everything. It is the weaving together of all that is.

**Tantric Sex and Menopause** - Diana Richardson 2018-04-10

A tantric guide to discovering the hidden gifts of menopause • Explains why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy • Details tantric practices and tools to connect with the body's inner intuitive wisdom, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond • Explores what to expect physically, emotionally, and spiritually, and in relationships As women, we live so closely to the body--through menstruation, pregnancy, birthing, motherhood, and then menopause. Each of these transitions changes a woman in a multitude of ways, most of which are celebrated. Yet menopause often causes women to feel despondent, as if our bodies are broken or deficient, especially when it comes to sex and intimacy. However, as tantric teachers Diana Richardson and Janet McGeever show, menopause has many hidden gifts to offer if we learn to embrace rather than suppress the changes this natural transition brings. Shining the light of tantric intelligence on menopause, the authors reveal how to explore and experience menopause in a radically positive fashion, suffused with a sense of vital awakening and "re-wilding" of a woman's sexuality, creativity, and spirituality. Explaining what to expect physically, emotionally, and spiritually, as well as what it means for relationships, they detail tantric practices and tools to connect with the

body's inner intuitive wisdom and heart energies, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond. They explain why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy. They explore how, in Tantra, sex is practiced not for the sake of sex itself but as an instrument for going "beyond" sex, for better health, improved relationships, enhanced self-control and emotional balance, and even higher states of consciousness. They also offer many self-help practices, exercises, and meditations to reinforce a positive attitude toward menopause and overcome many of the physical and sexual problems, such as pain, dryness, loss of interest, and loss of libido. Providing a guide for women who are approaching, experiencing, or have gone through menopause, the authors show how a more informed, tantric approach to menopause allows each woman to deepen her trust in the perfect functioning of the female body, embrace her natural sexual response, and reconnect with her inner self.

[Learn Tantric Sex](#) - Aventuras De Viaje 2019-10-04

Start feeling pleasure like you never have before, because this is the biggest sexual awakening you'll ever have. Get it now. *Tantric Orgasm for Women* - Diana Richardson 2004-05-10 A revolutionary approach to female sexuality that focuses on relaxation as the key to achieving deep orgasmic states • Explores how receptive feminine energy influences the male-female exchange • Reevaluates the role of the clitoris, breasts, and vagina in achieving orgasm • Provides ancient tantric meditations for increased sensitivity and awareness Fulfilling sex nourishes love, rejuvenates the body, and boosts mental health. Unfortunately, prevailing attitudes in the West work against the natural capacity of women to realize their sexual potential and experience deep orgasmic states. *Tantric Orgasm for Women* offers women a fresh look at the ecstatic bliss possible within their bodies, using knowledge and approaches from the sensually cultivated traditions of the East. Exploring Tantra from the female perspective, Diana Richardson reveals the critical role receptive feminine energy plays in allowing orgasmic states to arise. Her 20 years of tantric research and personal experience provide readers with an understanding of how the various parts of the female body may be activated to deepen ecstatic states. Readers will learn how to re-circulate orgasmic energy; why breast stimulation takes priority over vaginal attention; the difference between soft penetration and deep sustained penetration, including how to avoid premature male ejaculation; and how women can strengthen the erection response of male partners. *Tantric Orgasm for Women* shows how women can exert a powerful influence on their sexual experiences

when they understand the inner workings of their bodies and when they avoid adopting conventional ideas about what should be satisfying to them.

*Tantric Secrets: 7 Steps to the best sex of your life* - Cassandra Lorus 2010-08-05

Following Cassandra Lorus's best-selling *Tantric Sex* and *101 Nights of Tantric Ecstasy* comes *Tantric Quickies: The Fast Route to Lingering Pleasure*, which demystifies tantric sex and shows you how the following of the basic principles can lead to sexual and personal fulfillment.

*Tantric Sex for Women* - Christa Schulte 2011

TANTRIC SEX FOR WOMEN is the first woman-focused tantric sex book to be published in the US. It has an inclusive, empowering feminist approach that embraces all women. Written first for women who love women, it also explains how every woman, heterosexual, bisexual or solo, can use the information and exercises to suit her situation. Sex is an art that has to be learned. TANTRIC SEX FOR WOMEN encourages women to playfully engage in their sexuality and to cultivate their sensuality. The introduction gives the basics of Tara-tantra, a woman's tantra created by the author and named for the Tibetan goddess of peace and protection. This is followed by numerous exercises for women to help them \*\* hone their sensuality \*\* enhance their sensitivity \*\* intensify their feelings \*\* remove possible stumbling blocks to a fulfilling sexual experience \*\* strengthen their sexual self-confidence \*\* add relish to their encounters \*\* improve their relationship skills \*\* explore the spiritual dimension of their sexuality These exercises make up the heart of the book: 20 solo introductory exercises, 17 exercises for pairs, 5 massage exercises, 6 transformation rituals for pairs, 6 love games for pairs and 3 solo meditation exercises. This book contains a variety of tips for the small ecstasies in everyday life as well as sensual/sexual exercises to do with the one you love. As the author explains, to embrace tantric sex you only need: \*\* time for yourself \*\* childlike curiosity \*\* an adolescent joy in experimenting \*\* adult longings This book contains crucial information for women of every sexual orientation interested in fulfilling their sexual and sensual potential. Table of contents: Part I: Introduction to Tantra 1.

Gaining Female Knowledge about Female Desire 2. Knowing Your Own Experience and Taking It Seriously 3. Getting Into a Relationship Means Being in Love 4. **The Heart of Tantric Sex** - Diana Richardson 2010-05-11

After many years of exploration, Diana Richardson found that the ancient practice of Tantra, with its unique, intelligent approach to sex, had the effect of enhancing intimacy and deepening love. Here she has adapted Tantra for modern Western lovers in a practical, sympathetic way. Tantric Sex can transform your experience into a more sensual, loving and fulfilling one.

*Renowned Goddess of Desire* - Loriliai Biernacki 2007-10-11

Tantra is a family of rituals modeled on those of the Vedas and their attendant texts and lineages. These rituals typically involve the visualization of a deity, offerings, and the chanting of his or her mantra. Common variations include visualizing the deity in the act of sexual union with a consort, visualizing oneself as the deity, and "transgressive" acts such as token consumption of meat or alcohol. Most notoriously, non-standard or ritualized sex is sometimes practiced. This accounts for Tantra's negative reputation in some quarters and its reception in the West primarily as a collection of sexual practices. Although some today extol Tantra's liberating qualities, the role of women remains controversial. Traditionally there are two views of women and Tantra. Either the feminine is a metaphor and actual women are altogether absent, or Tantra involves the transgressive use of women's bodies to serve male interests. Loriliai Biernacki presents an alternative view, in which women are revered, worshipped, and considered worthy of spiritual attainment. Her primary sources are a collection of eight relatively modern Tantric texts written in Sanskrit from the 15th through

the 18th century. Her analysis of these texts reveals a view of women that is generally positive and empowering. She focuses on four topics: 1) the "Kali Practice," in which women appear not only as objects of reverence but as practitioners and gurus; 2) the Tantric sex rite, especially in the case that, contrary to other Tantric texts, the preference is for wives as ritual consorts; 3) feminine language and the gendered implications of mantra; and 4) images of male violence towards women in tantric myths. Biernacki, by choosing to analyse eight particular Sanskrit texts, argues that within the tradition of Tantra there exists a representation of women in which the female is an authoritative,

powerful, equal participant in the Tantric ritual practice.

**Tantric Sex** - Cassandra Lorus 1999

Discover new energy and inner vitality with this practical and accessible guide to using and enhancing tantric sexual energy, beautifully illustrated with 40 b&w line drawings and simple, life-enhancing instructions.
