The Cat - E-Book - Susan Little 2011-10-14
Comprehensive in scope and exclusively devoted to feline medical care, Dr. Susan Little's *The Cat: Clinical Medicine and Management* is an essential resource for anyone who provides complete, state-of-the-art care to cats. In one convenient volume, you'll find authoritative, clinically-focused information enhanced by full-color illustrations, tables, boxes, algorithms, key points, and much more — all in a format designed for quick access. Dr. Little and her expert contributors address the unique concerns and challenges facing the feline practitioner, including the latest advances in feline medical diagnosis and management and their clinical applications to everyday practice. User-friendly

and complete, *The Cat* is also available as an e-book, giving you easy access to the complete, fully-searchable contents online. Covers the latest advances in feline medicine from a systemic and adjunctive care perspective. It's the most comprehensive feline medical reference available with a strong clinical focus. Helps you meet the increasing demand for state-of-the-art medical care by cat owners — including advanced diagnostic services and treatments designed to extend and improve quality of life for feline companions. Features a full-color design with hundreds of schematic drawings, tables, boxes, key points, algorithms, and photographs for quick and easy access to information. Addresses key topics unique to

feline medicine and not currently covered in other books, including: insights and clinical advances attributable to the mapping of the feline genome; medical conditions associated with behavioral problems; managing the feline patient with co-existing and chronic disease; special medical problems and care considerations for the geriatric cat; environmental enrichment for the indoor cat; feline zoonotic agents and implications for human health; and shelter medicine and overpopulation solutions. Provides in-depth information on indoor cats and senior cats, including timely guidance on meeting owners' expectations for longer, healthier lives for their cats. Addresses the challenges of pet overpopulation, particularly the impact of millions of feral cats on public health and the environment. Presents information written in the manner of expanded conference proceedings, delivering the latest insights and most current approaches to management of feline medical

disorders. Includes contributions from approximately 60 contributors, drawing on the valuable expertise of those most knowledgeable in the field of feline medical care. Bears the full endorsement of the Winn Feline Foundation, a non-profit organization that supports studies about cat health and funds feline research projects worldwide, and is internationally regarded as a major contributor to the health and wellbeing of all cats. The complete contents also are available online through Veterinary Consult.

world with previously unpublished documents, photographs, and articles that delve into issues such as racism, financial ties to the Nazi party, and illegal corporate dealings. Contributors include Anthony Sutton, author of America's Secret Establishment; Dr. Ralph Bunch, professor emeritus of political science at Portland State University; Webster Griffin Tarpley and Anton Chaitkin, authors and historians. A complete list of members, including George Bush, George W. Bush, and John F. Kerry, and reprints of rare magazine articles are included.

Sin, Sex and Soap - Peter Reusch 2000-12

The Creative Director's job is open at a major San Francisco advertising agency and Julia Hunt, who has worked for the company for a number of years as a senior copywriter, expects the promotion. When management hires Fred Davis, a male chauvinist import from New York, intrigue begins, sparks fly, lust abounds and an already hilariously dysfunctional creative group

collapses into mayhem. The staff at Goldstein, Freeman, Silver and Flannigan Advertising start to believe the old adage 'if it can go wrong, it will' was created specifically for them as client corruption surfaces, desires are thwarted and incompetence reigns supreme. But despite all of the comical disasters, a tender love story unfolds as Julia and Fred struggle for reality in an industry that is fueled by cynicism and eccentricity.

New Directions in Conservation Medicine - A. Alonso Aguirre 2012-06-08

New Directions of Conservation Medicine: Applied Cases of Ecological Health covers topics from emerging diseases and toxicants to the EcoHealth/One Health explosion. It challenges the notion that human health is an isolated concern removed from the bounds of ecology and species interactions.

New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People;

Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a

Roll Sound, Camera, Action! - Peter Reusch
2001-06

While life at any large television commercial production company is never dull, life at de Corventis Internation Pictures gets crazier by the day. Agnes Schnippet is the company's highly-competent producer who thinks she's seen it all. From the company's head office in San Francisco, she is suddenly thrust into wild international productions with odd writers, bizarre crew members, equally bizarre clients and actors of questionable talent. Throughout the often unpredictable and always hilarious situations, Aggie struggles to remain professionally detached from the intrigue, lust,

greed and egos that travel with her from San Francisco to Southern California, Canada and Europe. And in the end, just when she thinks life can't go on like this... it does!

This book documents and analyses the involvement of Norway in the liberation struggle in Southern Africa. Apart from focussing on the formulation of official policies and the extensive cooperation with the liberation movements in the field of humanitarian assistance, mainly based on the Ministry of Foreign Affairs records, the study highlights the popular involvement and commitment to the struggle. Separate chapters are concerned with the churches, trade unions and solidarity movements, such as the Norwegian Council for Southern Africa and the Namibia Committee. The book also includes a case study on the battle for sanctions. The Study forms part of the Nordic Africa Institute's research and documentation project -National Liberation in Southern Africa: The Role of the Nordic Countries-.

The Regeneration Trilogy - Pat Barker

2013-04-25

The Regeneration Trilogy is Pat Barker's sweeping masterpiece of British historical

fiction. 1917, Scotland. At Craiglockhart War Hospital in Scotland, army psychiatrist William Rivers treats shell-shocked soldiers before sending them back to the front. In his care are poets Siegfried Sassoon and Wilfred Owen, and Billy Prior, who is only able to communicate by means of pencil and paper. . . Regeneration, The Eye in the Door and The Ghost Road follow the stories of these men until the last months of the war. Widely acclaimed and admired, Pat Barker's Regeneration trilogy paints with moving detail the far-reaching consequences of a conflict which decimated a generation.

'Harrowing, original, delicate and unforgettable' Independent 'A new vision of what the First World War did to human beings, male and female, soldiers and civilians. Constantly surprising and formally superb' A. S. Byatt, Daily Telegraph 'One of the few real masterpieces of late twentieth-century British fiction' Jonathan Coe Pat Barker was born in 1943. Her books include the highly acclaimed Regeneration
