Some Girls Bite - Chloe Neill 2009-04-07

The first Chicagoland Vampires novel from New York Times bestselling author Chloe Neill. Sure, the life of a graduate student wasn't exactly glamorous, but it was Merit's. She was doing fine until a rogue vampire attacked her. But he only got a sip before he was scared away by another bloodsucker and this one decided the best way to save her life was to make her the walking undead. Turns out her savior was the master vampire of Cadogan House. Now she's traded sweating over her thesis for learning to fit in at a Hyde Park mansion full of vamps loyal to Ethan Lord of the Manor Sullivan. Of course, as a tall, green-eyed, four-hundred-year-old vampire, he has centuries' worth of charm, but unfortunately he expects her gratitude—and servitude. But an inconvenient sunlight allergy and Ethan's attitude are the least of Merit's concerns. Someone's still out to get her. Her initiation into Chicago's nightlife may be the first skirmish in a war...and there will be blood.

Twice Bitten - Chloe Neill 2010-10-14

Merit, Chicago's newest vampire, is learning how to play nicely with others. Other supernaturals, that is. Shapeshifters from across the country are convening in the Windy City, and as a gesture of peace, Master Vampire Ethan Sullivan has offered their leader a very special bodyguard: Merit. Merit is supposed to protect the Alpha, Gabriel Keene - and to spy for the vamps while she's at it. Oh, and luckily Ethan's offering some steamy, one-on-one combat training sessions to help her prepare for the mission. Merit has to accept the assignment, even though she knows that she'll probably regret it. And she's not wrong. Someone is gunning for Gabriel Keene, and Merit soon finds herself in the line of fire. She'll need all the help she can get to track down the would-be assassin, but everywhere she turns, there are rising tensions between supernaturals - not least between her and a certain green-eyed, centuries old master vampire.

Now Merit is on the hunt, charging across the stark American Midwest, tailing a rogue supernatural intent on stealing an ancient artefact that could unleash catastrophic evil on the world. But Merit is also the prey. An enemy of Chicagoland is hunting her, and he'll stop at nothing to get the

book for himself. No mercy allowed. No rules apply. No lives spared. The race is on.

And it turns out she's not alone. A magical blackout has slammed through paranormal Chicago, and no one knows what - or who - caused it. Drink Deep - Chloe Neill 2011-11-10

The fifth entry in Chloe Neill's Chicagoland Vampires series, perfect for fans of Charlaine Harris and Kelley Armstrong Clouds are brewing over Cadogan House, and recently turned vampire Merit can't tell if this is the darkness before the dawn or the calm before the storm. With the city itself in turmoil over paranormals and the state threatening to pass a paranormal registration act, times haven't been this precarious for vampires since they came out of the closet. If only they could lay low for a bit, and let the mortals calm down. That's when the waters of Lake Michigan suddenly turn pitch black - and things really start getting ugly. Chicago's mayor insists it's nothing to worry about, but Merit knows only the darkest magic could have woven a spell powerful enough to change the very fabric of nature. She'll have to turn to friends old and new to find out who's behind this, and stop them before it's too late for vampires and humans alike.

[Some Girls Are](#) - Courtney Summers 2010-01-05 From Courtney Summers, the author of *Cracked Up To Be*, comes a dark new tale of high school rivalry in which vicious rumors and nasty tricks are the currency that buys you popularity or seals your fate at the bottom of the food chain. Climbing to the top of the social ladder is hard--falling from it is even harder. Regina Afton used to be a member of the Fearsome Fivesome, an all-girl clique both feared and revered by the students at Hallowell High... until vicious rumors about her and her best friend's boyfriend start going around. Now Regina's been "frozen out" and her ex-best friends are out for revenge. If Regina was guilty, it would be one thing, but the rumors are far from the terrifying truth and the bullying is getting more intense by the day. She takes solace in the company of Michael Hayden, a misfit with a tragic past who she herself used to bully. Friendship doesn't come easily for these onetime enemies, and as Regina works hard to make amends for her past, she realizes Michael could be more than just a friend... if threats from the Fearsome Foursome don't break them both first. Tensions grow and the abuse worsens as

the final days of senior year march toward an explosive conclusion. "This story takes an unflinching look at the intricacies of high school relationships ... Fans of the film *Mean Girl* will enjoy this tale of redemption and forgiveness."

Hard Bitten - Chloe Neill 2011-05-12

Times are hard for newly minted vampire Merit. Ever since shapeshifters announced their presence to the world, humans have been rallying against supernaturals - and they're camping outside Cadogan House with protest signs that could turn to pitchforks at any moment. Behind its doors, things between Merit and her Master, green-eyed heartbreaker Ethan Sullivan are ... tense, to say the least. But they have to work together when the mayor of Chicago calls Merit and Ethan to a clandestine meeting: there's been a violent vampire attack which has left three women missing. The mayor's message is simple: get your House in order. Or else. Merit needs to get to the bottom of this crime, but it's not easy when she can't tell who's on her side. So she goes outside Cadogan House, secretly calling in a favour from someone who's tall, dark, and part of an underground vamp group which might be able to shed some light on the attack. It's not long before Merit finds herself in the dark, heady heart of Chicago's supernatural society - which seems to be full of vampires ready to fulfill the human's worst fears. She's about to learn that you can't be a vampire without getting a little blood on your hands ...

House Rules - Chloe Neill 2013-02-14

In a city full of vampires, trouble never sleeps. At the tender age of 27, Merit became a sword-wielding vampire. Since then, she's become the protector of her House, watched Chicago nearly burn to the ground, and seen her Master fall and rise. Now she'll see her mettle - and her metal - tested like never before. It started with two ...

Two rogues vanishing without a trace. Someone is targeting Chicago's vampires, and anyone could be next. With their house in peril, Merit and her Master, the centuries old Ethan Sullivan, must race to stop the disappearances. But as they untangle a web of secret alliances and ancient evils, they realize their foe is more familiar, and more powerful, than they could have ever imagined.

Friday Night Bites - Chloe Neill 2010-04-08

VAMPIRES IN CHICAGO! You'd think a headline like that would have made the fine citizens of the Windy City to take up arms against us bloodsucking fiends. Instead, ten months later, we're enjoying celebrity status and fending off the paparazzi, who are only slightly less dangerous than angry stake-wielding slayers. Don't get me wrong - Joe Public isn't exactly thrilled to be living side by side with the undead, but at least they haven't stormed the castle ... not yet ... But it could be a matter of time.

There's a first-time reporter sniffing around vampire society, and if he uncovers the Raves - mass feeding parties, where vampires round humans up like cattle and drink themselves silly. The fact that it's majorly frowned upon by vamp society won't make a difference to that kind of a headline, or a new reporter who's out to impress his family. So now my 'master' - the centuries-old yet gorgeously well-preserved Ethan Sullivan - wants me to reconnect with my own upper-class family and act as liaison between humans and vampire ... and use the opportunity to keep the less savoury aspects of vamp existence out of the media spotlight. Tough job, when it seems

someone doesn't want vamps and humans to play nicely - someone with a serious, ancient grudge ...

Touch The Dark - Karen Chance 2007-06-28

Can you ever really trust a vampire? Cassandra Palmer can see the future and communicate with spirits - talents that make her attractive to the dead and the undead. The ghosts of the dead aren't usually dangerous; they just like to talk ... a lot. The undead are another matter. Like any sensible girl, Cassie tries to avoid vampires. But when the bloodsucking mafioso she escaped three years ago finds Cassie again with vengeance on his mind, she's forced to turn to the vampire Senate for protection. The undead senators won't help her for nothing, and Cassie finds herself working with one of their most powerful members, a dangerously seductive master vampire - and the price he demands may be more than Cassie is willing to pay
