*Kings, Queens, and In-Betweens* Tanya Boteju 2021-02-23 “Poignant and important.” —Refinery29  
“A bright and sparkly celebration of love and self-acceptance.” —Kirkus Reviews Judy Blume meets RuPaul’s Drag Race in this funny, feel-good debut novel about a queer teen who navigates questions of identity and self-acceptance while discovering the magical world of drag. Perpetually awkward Nima Kumara-Clark is bored with her insular community of Bridgeton, in love with her straight girlfriend, and trying to move past her mother’s unexpected departure. After a bewildering encounter at a local festival, Nima finds herself suddenly immersed in the drag scene on the other side of town. Macho drag kings, magical queens, new love interests, and surprising allies propel Nima both painfully and hilariously closer to a self she never knew she could be—one that can confidently express and accept love. But she’ll have to learn to accept lost love to get there. From debut author Tanya Boteju comes a poignant, laugh-out-loud tale of acceptance, self-expression, and the colorful worlds that await when we’re brave enough to look.

**One Last Stop** Casey McQuiston 2021-06-01 \*INSTANT NEW YORK TIMES BESTSELLER\*  
\*INSTANT USA TODAY BESTSELLER\* \*INSTANT #1 INDIE BESTSELLER\* From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don’t exist, and the

only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal* and *Party for Two*

THE RESISTANCE STARTS HERE. No one speaks of the grace year. It's forbidden. We're told we have the power to lure grown men from their beds,

make boys lose their minds, and drive the wives mad with jealousy. That's why we're banished for our sixteenth year, to release our magic into the wild before we're allowed to return to civilisation. But I don't feel powerful. I don't feel magical. Tierney James lives in an isolated village where girls are banished at sixteen to the northern forest to brave the wilderness - and each other - for a year. They must rid themselves of their dangerous magic before returning purified and ready to marry - if they're lucky. It is forbidden to speak of the grace year, but even so every girl knows that the coming year will change them - if they survive it... A critically acclaimed page-turning feminist dystopia about a young woman trapped in an oppressive society, fighting to take control of her own life. *I'm a Girl!* Yasmeen Ismail 2015-08-13 I'm supposed to be made of sugar and spice and all things nice. But I'm sweet and sour and not a little flower. I am a girl! I am a girl! I am a girl! The girl in this book likes to win, she likes to be spontaneous, fast and strong, and because she also likes to dress in t-shirt and shorts, she is forever getting mistaken for a boy. And when she meets a boy who likes wearing princess dresses and playing dolls, they both quickly discover that they share interests that are wide and varied. *I am a Girl!* is a wonderful celebration of being who we are and not being pigeon-holed or restricted by gender stereotypes. Most of all it is full of energy and laugh-out-loud funny. Who says that pink is for girls and blue is for boys?

Art and fashion pairings including John Galliano (inspired by Tutankhamun’s death mask, Arcimboldo, Gustav Klimt, and Hokusai), Guo Pei (inspired by Velázquez), Margiela (inspired by Gauguin), and Iris Van Herpen (inspired by Paul Delvaux), reveal surprising connections. Projects by street artists like Keith Haring and Kaws introduce the era of collaborations, which saw artists such as Yayoi Kusama and Takashi Murakami work with Louis Vuitton. More recent collaborations include Raf Simons with Sterling

Ruby and Kerby Jean-Raymond with Derrick Adams. Chapters on striking purses and other accessories designed by artists, and artists creating in fashion—including Cindy Sherman, William Wegman, and John Baldessari—round out this fresh and delightful take on fashion design.

Carpenter Katie Hughes frequently found that she was the only woman on construction worksites. To change that, she began teaching classes to girls ages 8-14, showing them how to drill, saw, and weld. **Uncovered** Jordan Matter 2008 "In her foreword, author Susan Seligson states what all men and women already know: "Breasts are an inexplicably big deal." Whether hidden under layers of clothing, half-revealed in the service of fashion (and flirtation) or laid brazenly bare, breasts matter. They demand response, provoke moral questions and force confrontation with the very notion of taboo. Over a period of six years, Jordan Matter photographed over 100 women bare-breasted in New York City. They varied in terms of age, education and profession. Every one was a volunteer. Every subject faced reactions to her decision to defy convention, and many confronted feelings of shame and inadequacy. But after the shoots, the women were unexpectedly euphoric--and Matter wondered just what he had uncovered. Many of the women agreed to interviews or wrote their own texts for this collection, revealing their journeys toward self-acceptance. The result is a remarkable chorus of shared experience, secret fears, optimism and wisdom. *Uncovered* celebrates the controversial female body. But it also honors the individual women who were willing to confront their culture and themselves. These are their images and their stories, in their own words." -- Publisher's description

Shayla Lawson is major. You don't know who she is. Yet. But that's okay. She is on a mission to move black girls like herself from best supporting actress to a starring role in the major narrative. Whether she's taking on workplace microaggressions or upending racist stereotypes about her home state of Kentucky, she looks for the side of the story that isn't always told, the places where the voices of black girls haven't been heard. The essays in *This is Major* ask questions like: Why are black women invisible to AI? What is "black girl magic"? Or: Am I one viral tweet away from becoming Twitter famous? And: How much magic does it take to land a Tinder date? With a unique

mix of personal stories, pop culture observations, and insights into politics and history, Lawson sheds light on these questions, as well as the many ways black women and girls have influenced mainstream culture—from their style, to their language, and even their art—and how “major” they really are. Timely, enlightening, and wickedly sharp, *This Is Major* places black women at the center—no longer silenced, no longer the minority.
