**The Bible's Yes to Same-Sex Marriage, New Edition with Study Guide - Mark**

Achtemeier 2015-08-28

In the early 2000's, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an

outspoken activist for gay marriage and a fully inclusive church. In The Bible's Yes to Same-Sex Marriage, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to

recognize the fullness of God's love and support for LGBT persons. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message for gay people.

Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike. This new edition includes a study guide and a new introduction from the author that reflects on the U.S. Supreme Court ruling and changes within the church. Perfect for groups or self-reflection, the study guide directs readers over four sessions to explore both Achtemeier's book and the Bible.

*Reclaiming the Sacred* - Raymond-Jean Frontain 2003  
This second edition explores the territory between gay - lesbian studies, literary criticism, and religious studies. The book examines the appropriation and/or subversion of the authority of

the Judeo-Christian Bible by gay and lesbian writers. Texts being focused on are 'Paradise Regained' (Milton), 'Sodom' (Rochester), 'The Life to Come' (Forster), 'The Well of Loneliness' (Radclyffe Hall), 'Desert of the Heart' (Radclyffe Hall), 'Oranges are Not the Only Fruit' (Winterson), and 'Corpus Cristi' (McNally) among others.

**Sex and the Sacred** - Daniel A Helminiak 2012-12-06

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling *What the Bible Really Says about Homosexuality*, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique

book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. *Sex and the Sacred* combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. *Sex and the Sacred* presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious

spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. *Sex and the Sacred* examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

*The Children are Free* - Jeff Miner 2002

An affirming look at the Bible. Examines passages from the Old Testament that are used by fundamentalists to condemn homosexuality and also at affirming passages.

We Love You, But You're Going to Hell - Dr. Kim O'Reilly  
2019-01-08

We Love You, But You're Going to Hell presents a non-confrontational study of the conflict surrounding Christian faith, Scriptures, and homosexuality. It addresses the dichotomy of love and condemnation, sincerely expressed by Christians - and the pain experienced by gays and lesbians. • How do sincere, Bible-believing Christians balance their interpretation of Scriptures with everyday encounters with gays and lesbians? • How do we have conversations when we disagree? Without judging or calling into question someone's faith or salvation? This book

OPENS UP the conversation - with chapters devoted to the Author's Story, Scriptures, Stereotypes, Marriage, Religious Freedom, Why It Matters, and What We Can Do in our families, churches, and society. It is easy to single-handedly dismiss an individual or church's belief or stance by writing them off as conservative or liberal. No matter which side you are on, there is benefit to educating yourself on the beliefs and experiences of those with whom you disagree. The author asks that the reader consider viewpoints expressed by a variety of churches and ministers. Look closely at the Scriptures that are cited and decide for yourself. Look at the beliefs of well-known conservative ministers and doctrines of several church denominations in this book. Some Christians believe it is loving to demand denial of homosexuality, ending relationships, changing to heterosexuality, or remaining celibate - in order that the soul be saved. Others believe sexual

orientation is God-given, cannot be changed and that it is cruel and unloving to demand it. If you believe homosexuality is a sin, the Scriptures condemn, sexual orientation doesn't exist; read this book. Argue with it, confirm your beliefs, question, change your mind. The author invites your engagement. Kim O'Reilly cares deeply about the divisions she sees in churches today over homosexuality. How do we get beyond the disagreements, divisiveness, and polarization we see playing out in our churches and society? How do we honor the rights of each of these groups without denying the rights of the other? She attempts to answer these questions throughout her book. Love and/or Condemnation? "God doesn't make mistakes. Humans do. God doesn't make one gay. They make that choice on their own. It's a fact that homosexuality is a choice. It has a cause - Satan." "I was nine years old when I recognized my attractions for the same gender. Praying to

God every night and pleading with Him to take my feeling away didn't work. Practically living, eating, and breathing the Bible didn't work. I tried repressing and denying who I was - but nothing changed inside of me. I was taught by my pastors, parents, and peers to hate myself - and that worked." What does the Bible say about how we should treat those we disagree with or who we believe are going to Hell? The final chapter offers strategies and solutions on how to bridge the divide between Christians and gays - how to promote healing and not to inflict more pain.

The Same Sex Controversy -

James White 2002-04-01

*Is God anti-gay?* - Sam Allberry  
2013-07-01

A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures.

Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: \* Should Christians attend gay weddings? \* Isn't the Christian view of sexuality dangerous and harmful? \* Is it sinful to experience same-sex attraction?

Attract Hotter Guys With Irresistible Body Language Are you subconsciously sending "go away" signals to cute guys? Learn how gestures, postures, stances, and handshakes make you more approachable with the first body language guide for gay men. *Attract Hotter Guys* is Book #2 of 3 Books In The Gay Dating Series. Look In The Mirror. Your Body Language Is All Wrong Can I tell you a story? Going out to bars and parties destroyed my self-esteem. I felt like a complete loser. How many times can you come home

without meeting anybody before you feel like there's something wrong with you? Seriously, have you ever come home from parties, events, clubs and bars more depressed than when you left? If you're like me, you've tried everything. Different bars, different people, different events. You changed your look, your clothes, your style. The result? Nada, nothing, zip. You may as well go straight. Well one day, I met a body language expert. He told me something that would change my life: Half the Guys You Like Are Turned Off By Your Body Language You know what my reaction was? "Bullsh\_t." I mean, come on! Body language? I'm not meeting good looking guys because of my body language? Puh-leeze. Stay with me because this is where it gets interesting. The body language expert (a psychologist, actually) took me under his wing and coached me in the art of using body language to attract the kind of guys I liked. He wanted a guinea pig-ME-to prove that the sexual body

Here's a partial list of what he changed: \* The way I shook hands. \* The way I leaned in (or away). \* How I pointed with my feet (yes, feet, long story). \* The angle that I talked to people. \* The direction that I approached guys I wanted to meet. \* The way I looked at guys I was interested in. \* The way I used my body to catch their eye. \* The way I used my hands to gesture. The result? In less than an hour, two good-looking guys struck up a conversation with me! After that profound revelation I was determined to make this knowledge available to all other gay guys who couldn't figure out why their love life sucked. **Bible, Gender, Sexuality -**

James V. Brownson 2013-02-03

In Bible, Gender, Sexuality

James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will

prove a useful resource for Christians who want to form a considered opinion on this important issue.

**Love Means Love -** DAVID RUNCORN 2020-06-18

Does the Bible really condemn same-sex relationships? Many Christians wrestle with this question. Here, in his compassionate, cogent book, David Runcorn outlines how someone can support same-sex relationships on the basis of the Bible, not in spite of it. The Church, in every time and place, finds itself working out the shock and surprise of God's unfolding ways - often scandalized by where holiness, goodness and the life of God are to be found. Runcorn's insightful and moving reflections show how speaking in gospel friendship will help to dispel the anxiety and division that have tended to mark the Church's response to homosexuality. Covering sexual abstinence and celibacy, sexuality and the sacred, he leads us to one powerful conclusion: love means love.

**What Does the Bible Really Teach about Homosexuality? (eBook)** - Kevin DeYoung  
2015-11-09

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us - the skeptic and the seeker, the certain and the confused - to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both

the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

God vs. Gay? - Jay Michaelson  
2011-10-25

Does the Bible prohibit homosexuality? No, says Bible scholar and activist Jay Michaelson. In this accessible, passionate, and provocative book, Michaelson argues for equality, not despite religion but because of it. From the Hardcover edition.

*The Bible and Homosexual Practice* - Robert A. J. Gagnon  
2010-10-01

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to

classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

**God and the Gay Christian -**  
Matthew Vines 2014-04-22

“God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author’s clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation’s most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed.” — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored

the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he’d been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, God

and the Gay Christian is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

*Same Sex Relationships* - John Stott 2017-07-01

Biblical wisdom on same-sex relationships explained with care, wisdom and compassion. What does the Bible say about same-sex relationships? How should Christians think about this divisive and heartfelt issue? And what of those who

are caught in the crossfire: the brothers and sisters who experience same-sex attraction, but are committed to being faithful to the teaching of scripture and resisting it? In this revised, updated and extended edition of the classic chapter from *Issues Facing Christians Today*, the late John Stott lays out the biblical position on same-sex relationships with care, wisdom and compassion. In addition to Dr Stott's timeless Biblical wisdom, there are forewords by Dr John Sentamu, (the Archbishop of York) and Dr Mark Labberton (President of Fuller Theological Seminary), a helpful preface by the editor, Sean Doherty, testimonies from same-sex attracted Christians and questions for reflection and discussion.
