## Volumes 1 And 2 1981 1982

### **The Treesearcher - 1995**

#### The Washingtons. Volume 5.

##### Part 1 - Justin Glenn

2014-09-05

This is the fifth volume of Dr. Justin Glenn's comprehensive history that traces the "Presidential line" of the Washingtons. Volume One began with the immigrant John Washington, who settled in Westmoreland Co., Va., in 1657, married Anne Pope, and became the great-grandfather of President George Washington. It continued the record of their descendants for a total of seven generations. Volume Two highlighted notable family members in the next eight generations of John and Anne Washington's descendants, including such luminaries as General George S. Patton, the author Shelby

Foote, and the actor Lee Marvin. Volume Three traced the ancestry of the early Virginia members of this "Presidential Branch" back in time to the aristocracy and nobility of England and continental Europe. Volume Four resumed the family history where Volume One ended, and it contained Generation Eight of the immigrant John Washington's descendants. Volume Five now presents Generation Nine, including more than 10,000 descendants. Future volumes will trace generations ten through fifteen, making a total of over 63,000 descendants. Although structured in a genealogical format for the sake of clarity, this is no bare bones genealogy but a true family history with over 1,200 detailed biographical

## The Essex Genealogist Volumes 1 And 2 1981 1982

narratives. These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others, great and humble, who struggled to build that country. ADVANCE PRAISE "I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself. Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century, it is surprising that no comprehensive family history has been published. Justin M. Glenn's *The Washingtons: A Family History* finally fills this void for the branch to which General and President George Washington belonged, identifying some 63,000 descendants. This is truly a family history, not a mere tabulation of names and dates, providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County,

Virginia, in 1657. . . . Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate." John Frederick Dorman, editor of *The Virginia Genealogist* (1957-2006) and author of *Adventurers of Purse and Person* "Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible. Dr. Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail—many of them Confederates of interest and importance." Robert K. Krick, author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain* [Subject Guide to Books in Print](#) - 1993

The Vanderfords - Cheryl Lynds  
Jensen 1992

Family history and  
genealogical information about  
the descendants of various  
early branches of the

Vanderford family in America.  
Michael Paul Vanderford (or  
Vandervoot) who was born ca.

1610 in Dermont, Flanders,  
Belgium was the first known  
Vanderford to immigrate to  
America sometime prior to the  
year 1640. He married Maria  
Rapalje 18 December 1640.

They lived in New York and  
were the parents of nine

children. Descendants and  
relatives lived in New York,  
Maryland, North Carolina,  
South Carolina, Georgia, Ohio,  
Missouri, Iowa and elsewhere.

**The New England Historical  
and Genealogical Register** -
