**Register of Prohibited Publications** - Ireland.  
Censorship Board 1973

**Fearless Vulgarly** - Ken Feil  
2022-11-29  
The enduring queer feminist engagement with Valley of the Dolls author Jacqueline Susann's camp comedy legacy.  
**Sex in the Shadows** - Randy Salem 1965

Deviations - Gayle Rubin  
2011-11-28  
Collection of writings by Gayle S. Rubin, an American theorist and activist in feminist, lesbian and gay, queer, and sexuality studies since the 1970s.  
Intimate Matters - John D'Emilio 1997  
The first full length study of the history of sexuality in America, Intimate Matters offers trenchant insights into the

sexual behavior of Americans, from colonial times to today. D'Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history. "The book John D'Emilio co-wrote with Estelle B. Freedman, Intimate Matters, was cited by Supreme Court Justice Anthony Kennedy when, writing for a majority of court on July 26, he and his colleagues struck down a Texas law criminalizing sodomy. The decision was widely hailed as a victory for gay rights—and it derived in part, according to Kennedy's written comments, from the information he gleaned from D'Emilio's book, which traces the history of American perspectives on sexual relationships from the nation's founding through the present

day. The justice mentioned Intimate Matters specifically in the court's decision."—Julia Keller, Chicago Tribune "Fascinating. . . [D'Emilio and Freedman] marshal their material to chart a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives." —Barbara Ehrenreich, New York Times Book Review "With comprehensiveness and care . . . D'Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries." —Martin Bauml Duberman, Nation "Intimate Matters is comprehensive, meticulous and intelligent." —Jonathan Yardley, Washington Post Book World "This book is remarkable. . . . [Intimate Matters] is bound to become the definitive survey of American sexual history for years to come." —Roy Porter, Journal of the History of the Behavioral Sciences

*Tomboys* - Michelle Ann Abate  
2008-10-15

Starting with the figure of the bold, boisterous girl in the mid-19th century and ending

with the "girl power" movement of the 1990's, *Tomboys* is the first full-length critical study of this gender-bending code of female conduct. Michelle Abate uncovers the origins, charts the trajectory, and traces the literary and cultural transformations that the concept of "tomboy" has undergone in the United States. Abate focuses on literature including Louisa May Alcott's *Little Women* and Carson McCullers's *The Member of the Wedding* and films such as Peter Bogdanovich's *Paper Moon* and Jon Avnet's *Fried Green Tomatoes*. She also draws on lesser-known texts like E.D.E.N. Southworth's once wildly popular 1859 novel *The Hidden Hand*, Cold War lesbian pulp fiction, and New Queer Cinema from the 1990s. *Tomboys* also explores the gender and sexual dynamics of tomboyism, and offers intriguing discussions of race and ethnicity's role in the construction of the enduring cultural archetype. Abate's

insightful analysis provides useful, thought-provoking connections between different literary works and eras. The result demystifies this cultural phenomenon and challenges readers to consider tomboys in a whole new light.

**The Queer Sixties** - Patricia Juliana Smith 2013-12-16

The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies, and proposes new and different ways of the last decade before the closet doors swung open. Imbued with the zeitgeist of the 60s, this playful and powerful collection rescues the persistence of the queer imaginary.

10 Percent - 1994

Lavender Culture - Karla Jay 1994-11

The influence of gays and lesbians on language, literature, theater, poetry, dance, music, and the arts is unmeasurable. In the era before AIDS, gay and lesbian culture had a defining, if unrecognized, influence on

American life, an influence that is only now being acknowledged. This reissue of the classic anthology, Lavender Culture, serves as a provocative, dynamic, and wide-ranging reminder of American gay and lesbian culture in the days before the status of gay people received widespread attention in the media, religion, and politics, before Newsweek saw it fit to feature a cover story on LESBIANS, and before gays and lesbians took center stage in America's cultural landscape. Here we find the young, assertive voices of such activists, authors, and artists as Rita Mae Brown, Barbara Grier, John Stoltenberg, Julia Penelope, Andrea Dworkin, Andrew Kopkind, Jane Rule, Arthur Bell, Charlotte Bunche, and dozens more. Including essays on such diverse subjects as gay bath houses, the gay male image in classical ballet, images of gays in rock music, Judy Garland, lesbian humor, sports and machismo, the growing business of women's music, and the Cleveland bar

on 2019-08-30 by guest*

scene in the 1940s, *Lavender Culture*, with new introductory essays by the editors and Cindy Patton, offers a panoply of gay and lesbian life, tracing the current influence and visibility of gay and lesbian culture back to its origins.

**Lesbian Pulp Fiction -**

Katherine V. Forrest

2014-08-01

Through the darkness, you can see figures gathered in twos and threes - the glowing tip of a cigarette, a close-manicured hand draped over a shoulder, heads turning to study the new arrival. Someone moves toward you, snapping a lighter open. Step into the twilight world of lesbian pulps. In 1950, Fawcett founded their Gold Medal imprint, inaugurating the reign of lesbian pulp fiction. These were the books that small-town lesbians and prurient men bought by the millions - cheap, easy to find in drugstores, and immediately recognizable by their lurid covers: often a hard-looking brunette standing over a scantily-clad blonde or a man gazing in tormented lust at a lovely, unobtainable lesbian.

For women leading straight lives, here was their confirmation that they were not alone and that darkly glamorous, "gay" places like Greenwich Village existed. In the over-heated prose typical of the genre, these books document the emergence of a lesbian subculture in postwar America. Some - especially those written by lesbians - offered sympathetic and realistic depictions of "life in the shadows," while others (no less fun to read now) were smutty, sensational tales of innocent girls led astray. Grande dame of lesbian literature Katherine V. Forrest presents a rich survey of the best of the pulps, including work by Ann Bannon, Vin Packer, Marion Zimmer Bradley (writing as Miriam Gardner), Brigid Brophy, and many others. Contains: *Tereska Torres: Women's Barracks* Vin Packer: *Spring Fire* Anne Herbert: *Summer Camp* Sloane Britain: *These Curious Pleasures* Joan Ellis: *The Third Street* Randy Salem: Chris Artemis Smith: *The Third ex*

*The Sex Between* - Randy  
Salem 2011-06-01

First Digital Edition; Grier  
Rating: A\*\* Lee is a Romeo... a  
heartbreaker... a butch woman  
with many conquests under her  
belt. She pursues other women  
with abandon and has lesbian  
lovers all over town. Her only  
problem? No matter who she is  
with, she can't stop thinking of  
Maggie. Only five years older  
than Maggie, they have known  
each other all their lives.  
Maggie is sweet on Lee, too.  
Her only problem? The  
matriarch of her family, Kate,  
has decided Maggie must

marry in order to produce an  
heir to the family fortune. Lee  
knows she has fallen in love  
with Maggie, but the thought  
of giving up her freewheeling  
ways frightens her. Will Lee  
admit her feelings for Maggie  
in time to stop the wedding?  
Will Maggie defy her  
grandmother and give up a  
fortune for a chance at love  
and happiness with Lee?  
*The Ladder* - 1975

**Strange Sisters** - Jaye Zimet  
1999

The classic pulps were  
detective stories, horror,  
fantasy, and science fiction, but  
in the midst of this melange  
developed a significant  
subcategory of lurid, titillating  
tales of lesbian love. Aimed  
primarily at a heterosexual  
audience they offered readers  
a glimpse into a secret world of  
illicit passion and scandalous  
sex between delicious and  
devilish dames. This book is the  
first to be devoted to the cover  
art of these wildly wicked  
novels. Bold, kitschy, colourful,  
they are fraught with sexual  
tension. Includes 200 full

on 2019-08-30 by guest

colour illustrations.

**Historical Dictionary of Homosexuality** - Brent Pickett  
2022-04-04

Historical Dictionary of Homosexuality, Second Edition contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 200 cross-referenced entries on important historical figures, philosophic, artistic, and literary treatments of same-sex love, historical terms, and contemporary events.

**Murder by the Book?** - Sally Rowena Munt 2003-09-02  
Murder by the Book? is a thorough - and thoroughly enjoyable - look at the blossoming genre of the feminist crime novel in Britain and the United States. Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics; whether the pleasures of detective fiction can be truly transgressive; and when exactly it was that the dyke detective appeared as the new super-hero for today. Along the way Munt poses some critical

questions about the relations between fiction and activism, politics and representations, the writer and the reader. This will be an enticing book both for addicts of the genre and for teachers and their students.

**'Salem's Lot** - Stephen King  
2008-12-11

With a stunning new cover look, King's chilling classic of a small new England town about to be engulfed in terror. Turn off the television - in fact, why don't you turn off all the lights except for the one over your favourite chair? - and we'll talk about vampires here in the dim. I think I can make you believe in them. Stephen King, from the Introduction. 'Salem's Lot is a small New England town with the usual quota of gossips, drinkers, weirdos and respectable folk. Of course there are tales of strange happenings - but not more than in any other town its size. Ben Mears, a moderately successful writer, returns to the Lot to write a novel based on his early years, and to exorcise the terrors that have haunted him since childhood. The event he

*Downloaded from*

*on 2019-08-30 by guest*

witnessed in the house now rented by a new resident. A newcomer with a strange allure. A man who causes Ben some unease as things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list starts to grow. Soon surprise will turn to bewilderment, bewilderment to confusion and finally to terror . . .

**Man Among Women** - Randy Salem 2021-02-18

How does a man win back a woman he's lost to another woman? A lesbian pulp fiction classic, back in print for the first time in over sixty years. Declared "indecent" in 1961 by National Organization for Decent Literature They called themselves the "fringe society." Wealthy, attractive, smart, young women who fled to the Bahamas to pursue a difference lifestyle. Were they tired of compromising with life? Were they seeking freedom? If so, freedom to do what? Photojournalist Ralph Thayer, tired of New York and his fiance, heads to the Bahamas for a vacation...but

instead meets Alison Adams, who introduces him to the forbidden secrets of her female circle...and finds himself fighting for her affections with another woman. Using all of his masculine charms, and he has many, he engages in an all out war with striking Maxine Carpenter for Alison's heart and body. With savage fury, born of jealousy and envy, Maxine frantically lashes back. "Man Among Women accommodates the genre's insistence on male voyeurism but resists the male power that traditionally accompanies it... The male protagonist is allowed to look at lesbians but always with painful consequences." Yvonne Keller, American Quarterly "Randy Salem has written another top-notch lesbian paperback. Surprisingly, the story line is male-oriented but despite this drawback, it is a superior paperback, full of well-drawn convincing lesbians." Gene Damon, Ladder "Randy Salem" was the pseudonym for Pat Purdue, a major name in lesbian pulp fiction...and the

on 2019-08-30 by guest*

longtime lover of Sally Singer, also a prolific author of lesbian pulp fiction under the pseudonym "March Hastings." Salem's other ground-breaking books include *Chris*, *Tender Torment*, *The Unfortunate Flesh*, *The Soft Sin*, and *The Sex Between*.

*Becoming Visible* - Molly McGarry 1998

Based on the New York Public Library's groundbreaking 1994 exhibit of the same name, "Becoming Visible" represents

the largest and most extensive display of gay and lesbian history ever mounted in a museum or gallery space. 350 photos, documents & artifacts, 80 in color.

*Feminist Review* - The Feminist Review Collective, 2005-06-29  
FR continues to challenge the subjects of the day, this issue features a lead article on Perestroika and Prostitution  
**An Annotated Bibliography of Homosexuality** - Vern L. Bullough 1976
