Life 2 - Leo Sullivan 2017-07-26

HISTORY REPEATS ITSELF Money tried to hold my hand as he led me down the stairs. He was loaded down with bags of drugs, cocaine, Molly, weed, lean, and money. And so was I. “This some fuck shit!” he muttered under his breath as he suddenly stopped, alarmed. I bumped in to him coming down the stairs. “Yo, my nigga, wha’cha doing comin’ out of there? Where Lil D?” a voiced called out. I looked down just as the chick inside the house began to scream in agony. I looked behind me and the entire doorway where we had just barely made it out of was engulfed in flames, roaring like an inferno of hell. She was being burned alive. “Oh-mi-god!” Down below was a group of dudes. They were about four or five deep, All Lil D’s homies, older guys in their twenties and thirties. They were blocking the stairs, attempting to stop us. In the distance, I could hear sirens blaring. I looked up the street as a cop car pulled up. Across the street there were throngs of people gawking at the fire. Some had

ventured out of their homes to watch the crack house blaze. BLOCKA! BLOCKA! BLOCKA! BLOCKA! Money just started firing, letting lose with the 9mm. the gun jerked in his hands. I heard grown men hollering like women as two of them scattered and two fell to the ground. By the time we hit the bottom of the stairs, the smoke was thick and I couldn’t see a thing. “Police, hold it right there!” a thick baritone voice halted as a flashlight strobed.

#1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book "For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri."—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie's top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from *Concrete Rose*, Angie's return to Garden Heights. As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and

frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. A Thug's Redemption - Yani 2012-08-23

Not your typical "thug" in this urban-tragic drama full of suspense with a twist of irony. *A Thug's Redemption* hits home for many urban youths who simply just want to make it out of the 'hood ALIVE! Taking place in one of the roughest neighborhoods in North Philly during a time when crime and violence was as normal as hot-sauce on fried chicken, and the temptations of the profitable street pharmacy business seemed to be a fast escape from the impoverish and hellish nightmare that Jamal and his brother lived in, this street lit novel teaches a harsh life lesson that will either cause Jamal to make wiser decisions, or destroy him completely. What starts out as an eye for an eye mindset to avenge his best friend's murder, who Jamal believed was killed because of his own actions, sucks him into the street life and lands him right in the middle of a drug war between his cousin Samir, a prominent head figure in the drug dealing business, rival drug gangs, and crooked Philadelphia Police Officers. Jamal is viewed as a "thug", a misguided, trouble making, dope dealing, dice shooting, fist fighting thug who is more likely to see the closing lid to his casket or the sliding bars to a jail cell before the age of 21. But those who know Jamal personally understand that really all he wants is to keep his brother safe and have a life with a beautiful young lady named Tamera who helps him to see that there is much more to life outside of what he's been exposed to in North Philly. But can Jamal really have that life, or is it like Biggie Smalls said- "It was all a dream..."? A desperate move by his younger brother Shawn brings back the haunting night from Jamal's past where he caught his first body, killing the person responsible for taking out his best friend. And now despite how hard he's tried to protect his brother from the life he was exposed to, Shawn could possibly face jail time for a murder he didn't commit or worse... Just when Jamal thinks he's out debt to his cousin Samir for helping him carrying out the hit years before, Jamal is back at his mercy only this time, the payment for his debt may be more than what he can afford to spare. In this urban fiction drama, what goes around, comes around and Karma comes back to claim what the universe is owed in the worse possible way for Jamal. But to protect the people he loves, Jamal is willing to do whatever it takes, even if it costs him his life.
