National bestselling author Carol Wolper spins a mesmerizing tale of a twenty-first-century Anne Boleyn.?? Skirts are shorter now, and messages sent by iPhone, but passion, intrigue, and a lust for power don't change. National bestselling author Carol Wolper spins a mesmerizing tale of a twenty-first-century Anne Boleyn. Wily, intelligent, and seductive, with a dark beauty that stands out among the curvy California beach blondes, Anne attracts the attention of Henry Tudor, the handsome corporate mogul

who reigns in Hollywood. Every starlet, socialite, and shark wants a piece of Henry, but he only wants Anne. The question is: can she keep him? Welcome to a privileged world where hidden motives abound, everyone has something to sell, and safe havens don't exist. Henry Tudor has more options than most men, and less guilt than is good for anyone. The two may be in love, but even Anne's wiles and skill won't guarantee his enduring passion. With Henry's closest confidante scheming against her, and another beautiful contender waiting in the wings, Anne is fighting not just for the lifestyle to which she has grown accustomed . . . but for love. Can she muster the charm and wit to pull off her very own Hollywood ending?

Uncovered - Rod Tucker
2014-01-29

Greg was homeless. As he walked through the park one day, he was surrounded by people. Good people. Caring people. Christian people. People doing ministry. But people totally oblivious to Greg. No one saw him, talked to him, noticed him, or tried to minister to him. The Christians were preoccupied—working hard on the ministry they were putting together—a ministry intended to provide help and healing to the most vulnerable in their city, a ministry designed to reach . . . the homeless! How do Christians, benefactors of the overwhelming grace of an immeasurably generous God, fail so miserably at showing and distributing—of all things—grace? In voice and style evocative of Donald Miller and Scot McKnight, yet with a message all his own, Rod Tucker explores how we Christians have become masters of self-deceptive and

fake moral living. Just like Adam and Eve, we don't want anyone to know we are spiritually naked. But covering up around God denies us the freedom of his grace. Until we can be honest with ourselves, honest with God, and honest with others, daily grace will continue to elude us, either as gift received or as gift given. We remain trapped in our Botox spirituality until we come to grips with exactly who we are.

Children and Spirituality -

Brendan Hyde 2008-01-15

Brendan Hyde identifies four characteristics of children's spirituality: the felt sense, integrating awareness, weaving the threads of meaning, and spiritual questing. These characteristics can be observed in children if those who work with them know what to look for and are alert to the time, place and space in which children find themselves. This book provides ways in which schoolteachers and parents can nurture and foster these particular characteristics of children's

spirituality. It also considers two factors, material pursuit and trivialising, which may inhibit children's expression of their spirituality. Children and Spirituality will be of great interest to educators, policy makers, parents, and others who work with and seek to nurture the spirituality of children.

Dating Tips from a Woman's Point of View - Elizabeth Meadows 2014-09-24

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine

coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there. *Royalty Is Fed Up!* - Misty Colbert 2020-09-14

Adapt your man - Candan Esin MD 2020-02-24
 This book is aimed at helping women to handle and control their relationships with men. My goal is to help women become the self-reliant, self-

sufficient, calm alpha-leader in their relationships. A strong foundation for a happy family and home environment can be established and maintained through the proper handling of a man by an emotionally strong and stable woman. Everyone might agree that a happy and stable family is the key basis for mature and well-balanced future generations. This prosperity can be established only by an alpha woman, by a man-minder. Please remember! The unchanging fact is that the universe always changes. Just face the pattern of change calmly... A pack leader alpha woman should have the following: 1) self-confidence (or self-assertiveness) 2) determination (or commitment) 3) consistency (or integrity) 4) patience (or calmness) 5) warm-heartedness (or compassion) We know you have these in your blood.

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: -

How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll

require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful

women once and for all, then scroll up and Order Now!
