Restoration Road Session 2 Teacher's Guide Sherri L. Watt 2013-07 This guide is specifically designed to be used in a church environment with support groups. It offers the teacher practical and biblical guidance in an easy to follow format. As you lead your participants through this study, encouraged them to look to Christ for the power they will need to overcome. Through this 12 week Study Guide you will learn the following: WEEK 1 - UNDERSTANDING WHERE WE CAME FROM Pain from the past, if not healed, will carry forward and direct how we live and view life. Dragging around excess baggage is not productive to living a healthy life. Understanding the sins of our ancestors can help us see what we are repeating from those that lived before us. WEEK 2 - GOD'S DESIGN FOR FAMILY - PART 1 Understanding God's design for the family helps us to see where our family of origin went wrong and what they did right. God is both separate and belonging at the same time. While man is more separate and woman more belonging, when they come together, God is best reflected. WEEK 3 - GOD'S DESIGN FOR FAMILY - PART 2 The best picture of the image of God is reflected in covenant of marriage. This week we will look at the differences between the sexes. There are primary needs created in each sex that is determined by the hormones God gave to each gender. When we learn to become emotionally healthy ourselves, we can then pick a healthy mate. WEEK 4 - GOD'S DESIGN FOR FAMILY - PART 3 This week we will look more closely at the dynamic of a healthy home. Family health is not something that you discover, it is something that must be developed. We will also learn how a parent should model appropriately for the same sex child and what happens when wrong modeling happens. WEEK 5 - PATHOLOGY OF THE DYSFUNCTIONAL FAMILY Lots of pathology takes place in a dysfunctional family. Attention gets focused on the emotionally needy person. Limits get placed on expression of feelings and talk about family secrets or problems is discouraged. Identifying dysfunction in your family will allow you to get more in touch with your feelings and overcome the loss of your childhood. WEEK 6 - HEALING PAINFUL MEMORIES The passing of time doesn't mean healing will happen. In-fact a painful memory left un-dealt with can cause the pain to increase. The weight of painful memories can take a toll on you emotionally and physically. WEEK 7 - BATTLEFIELD OF THE MIND To overcome any unwanted behavior, your greatest battle will be fought in your thinking. The mind retains its memories with the original emotions attached until rewiring takes place. The messages we decide to believe can become our core beliefs. Core beliefs are thoughts that have been so hard wired into us that we live our life by them. WEEK 8 - LIES WE BELIEVE ABOUT OURSELVES There are some specific lies that we believe about ourselves that are common to many. Most of the emotional struggles, relationship difficulties, and spiritual setbacks are caused by the lies we tell ourselves. WEEK 9 - LIES WE BELIEVE ABOUT GOD Everything in our spiritual life depends upon the sort of God we worship. If we have wrong thinking about God, we will have wrong thinking about everything else. WEEK 10 - LIES THAT COME FROM THE WORLD AROUND US Most messages we hear on a daily basis are not productive and add no value to our life. Some messages in fact are destructive. WEEK 11 - FINDING YOUR IDENTITY AND VALUE Your identity isn't in your name or in what you do. To have lasting self-worth, you must put your identity in Jesus Christ and not in other things. WEEK 12 - FORGIVENESS AND RESTITUTION Forgiveness is not for the other person, it is to bring you freedom from the weight it brings. Asking others for forgiveness and making restitution is part of God's path in restoration.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?"

her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Parenting by Design Chris and Michelle Groff with Lee Long 2014-04-04 Raising children is no easy task. No matter the child, no matter the situation, every parent longs for obedience from their offspring. God isn't overbearing when He deals with us, and His example is perfect. There's no question that kids want truth and love, as well as bonding and boundaries. Because God understands the human condition, He knows we learn best from hands-on experience, Jesus' example, and the Holy Spirit's empathetic examination of our hearts. We're asking you to consider using the same parenting style with your children. Parenting by Design offers a more relational approach to raising children, relying less on rote obedience and more on walking with your children through their decision-making development. Forcing children to obey rarely works to build a healthy relationship that allows you to enter into their worlds and understand their decisions. This book will help you parent with grace and love, two key elements in motivating a child to obey.

In this practical and hopeful book, Taggart offers the wisdom and help she would share as a counselor with a couple beginning their marriage. Marriage That Works Chip Ingram 2019-02-05 When it comes to marriage these days, anything goes. No wonder you can find a book on marriage from every perspective--or no perspective. How can you experience a great marriage that lasts? What works? This book answers that question by shining a light on the biblical design for marriage. In a world of sexual and relational confusion, isn't it time to consult the One who created marriage? Author and pastor Chip Ingram, with his characteristic compassion, transparency, and engaging storytelling, discusses - what marriage really is - the biblical model - a man's unique role in marriage - a woman's unique role in marriage - the bigger picture of why God created marriage A marriage that works, says Ingram, is more wonderful than you thought possible and harder than you imagined--but worth the work. Couples will learn the power of making a covenant with their spouse and fulfilling their design in an atmosphere of respect, resulting in the spiritual, psychological, emotional, and physical oneness they long to have with each other.

Youth Ministry Across the Continents Fraser Keay 2021-11-26 Youth pastors in other countries have things they can teach us. It can also help open our eyes to see how God is working in other nations. This second edition of **Youth Ministry Across the Continents** now features local church youth pastors from all six continents, a compilation of stories and insights from youth workers who have been ministering to young people for many years. New contributors include people from Japan, Chile, and a large church in Ohio, USA that has grown as a home group-based ministry for more than 30 years. Readers can compare and contrast the advice of seasoned youth pastors across the globe on the same youth ministry topics. Some of the differences in approach and style reflect personality, and some reflect culture; others are to do with the church or denomination the youth worker belongs to, be it Presbyterian, Pentecostal, Anglican, Baptist, Independent Evangelical, or Assemblies of God. Core issues covered include how to look after your own soul, evangelism, schools work, parents, and the youth pastor's vital relationship with their supervisor, often the senior pastor, minister or associate pastor. In addition to being organised by topic and not contributor, end-of-chapter discussion questions better enable readers to personally reflect, or share their thoughts with others, on the key issues. Read alongside a book like **Operation World** by Jason Mandryk and Patrick Johnstone, youth workers can also consider what God is doing in each of the countries they are reading about. The book would make informative compulsory or additional reading for a youth ministry or missions class, helping to expand the students' view of the world. It offers wonderful nuggets of wisdom and supplies a broad range of perspectives while reinforcing principles common to youth work across the globe. Inspiring, practical and educational, this book provides readers with ideas and situations they may have never considered. As veteran youth worker and professor, Len Kageler, writes in the foreword, "I had several 'I never thought of that' moments as I read along." So, grab yourself 150 years' worth of international youth work experience - all in one book!

The Peaceful Mom April Cassidy 2018-03-27 Too many mothers long for peace but despair that it always seems out of reach. The stress of motherhood overwhelms their attempts to be the Christlike mom they aspire to be. Now moms can take heart: no matter where they are on their parenting journey, every mom can experience the power of Christ in a personal way that will radically change their lives, their outlook, their power source, and their approach to motherhood--and every other relationship as well. April Cassidy, author of **The Peaceful Wife**, returns to discuss how the peace of Christ can be found in the next stage of life. Rather than writing a how-to book on parenting, **The Peaceful Mom** is a guide for moms to lead by example. She first shows readers how to have their hearts and minds right with the Lord and to experience peace with God as their new normal. Then from that place of spiritual communion, April teaches moms how this peace helps them relate to their children in healthy, godly ways. Through their own flourishing relationship with Christ, moms can model God's peace in their family dynamics even amid everyday challenges and stress. Cassidy offers tangible, detailed steps to spiritual growth that any mother can follow. For moms who are ready to receive the healing and transformation available to them through Jesus, this book will open their eyes to see all of life--not just parenting--from a fresh, life-giving perspective.
