My Guide to American English - Jeannie Yang
2012-02-15

Lets face it: Theres no time like the present to learn English. Its the worlds most widely spoken language. It permeates nearly every aspect of our daily lives. Mastering pronunciation, figures of speech, and idioms are just a few of the challenges students may face. Even so, learning to actually use American English comfortably isnt among the easiest of tasks,

Author Jeannie Yang hopes to help with that. Numbered lessons and regimented exercises only serve to make an already daunting task seem impossible. They dont help, so they arent welcome in this book. Professor Jeannie Yang has taken a new approach to learning conversational English inviting you to the conversation! Written in the form of a movie screenplay, these fictional scenarios innovatively invite you to actively engage in conversations on a variety of subjects and in a variety of settings. As you speak their words, you can imagine that you are one of the characters and youll be learning at the same time. Youll meet Mi Heea sweet and spunky young woman from Korea who dreams of studying at an American university Kenny an intellectual from Hong Kong

whos lived and studied in the United States for years RoyKennys best friend, whose liberal use of slang is in stark contrast to Kennys esoteric vocabulary Whether you are going on a cruise or heading for a job interview, this book serves as a practical and entertaining guide to getting more comfortable with conversational American English.

Black Diamond - Zakes Mda
2012-10-02

Kristin Uys is a tough Roodepoort magistrate who lives alone with her cat. She is on a one-woman crusade to wipe out prostitution in the town for reasons that have personal significance for her. Although she is unable to convict the Visagie Brothers, Stevo and Shortie, on charges of running a brothel, she manages to nail Stevo for contempt of court and gives him a summary six-month sentence. From Diepkloof Prison, the outraged Stevo orchestrates his revenge against the magistrate, aided and abetted by his rather inept

brother Shortie and his erstwhile nanny, Aunt Magda, who believes mass action will force the powers that be to release Stevo. Kristin receives menacing phone calls and her home is invaded and vandalised. Even her cat is threatened. The chief magistrate insists on assigning a bodyguard to protect her. To Kristin's consternation, security guard Don Mateza moves into her home and trails her everywhere. Nor does this suit Don's long-time girlfriend Tumi, former model and successful businesswoman, who is intent on turning Don into a Black Diamond sooner rather than later. And Don soon finds that his new assignment has unexpected complications which Tumi simply does not understand. In Black Diamond, Zakes Mda tackles every conceivable South African stereotype, skilfully (and with the lightest touch) turning them upside down and exposing their ironies, often hilariously. This is a clever, quirky novel that captures the essence of

Catherine Dain

"CATHERINE DAIN HAS

CAPTIVATED."—Margaret
Maron, author of *Bootlegger's
Daughter* A RUGGED
LIFE...AND A SUDDEN DEATH

Freddie didn't know what to expect when she arrived in Elko to attend a gathering of cowboy poets. What she found was actual cowboys—and cowgirls—reciting verse, drinking whiskey and catching up with old buddies. The friendly get-together turned ugly though, when one of the cowboy poets was found dead...and Freddie's boyfriend was accused. Now she's learning more about Sam's past than she ever knew—and hoping she hasn't been keeping company with a killer... A FREDDIE O'NEAL MYSTERY For fun, she likes a game of Keno. To relax, she'll hang out with her cats. And for excitement, nothing beats piloting a plane. But when it

comes to crime—in a gambling town like Reno—Freddie O'Neal is all business.

TV Family Values - Alice

Leppert 2019-03-15

During the 1980s, U.S. television experienced a reinvigoration of the family sitcom genre. In TV Family Values, Alice Leppert focuses on the impact the decade's television shows had on middle class family structure. These sitcoms sought to appeal to upwardly mobile "career women" and were often structured around non-nuclear families and the reorganization of housework. Drawing on Foucauldian and feminist theories, Leppert examines the nature of sitcoms such as Full House, Family Ties, Growing Pains, The Cosby Show, and Who's the Boss? against the backdrop of a time period generally remembered as socially conservative and obsessed with traditional family values.

Summary of G.L. Lambert's Men Don't Love Women Like You

- Everest Media,
2022-03-24T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 You are essentially a hamburger. No one is ever

surprised to see you on a menu, they expect it. But when a man sits and listens to you separate yourself by throwing around those generic qualities, he may nod his head but internally his eyes are rolling because every man has heard this all before. #2 Men will always play along and act as if you're the most interesting woman in the world. You have a new vagina he hasn't sampled yet, so he'll flatter you and pretend to be impressed, but I know what's really going on in his head. #3 The truth is, typical women are boring. They list typical qualities because they aren't self-aware enough to realize what makes them truly unique. Your career and education are not any less boring. Your niceness is overrated; tons of women can bring soup to a sick man and listen to him vent about work. #4 Women are constantly comparing themselves to other women, and thinking that they are the only ones doing well in life. This is the root of their false confidence. Men know this, and do not see it as

Women Are the New Men -

Kenny Mack 2011-09-15

It's no secret: Women have a hidden power that men often overlook. Men think that they invented all the tricks to get what they want, but really, it's the other way around. Time after time, men who think they are winning the game are really losing. That becomes all too clear in this account written by stand-up comedian Kenny Mack, who looks at his own relationships to demonstrate that men have nothing on women when it comes to "game"—those skills that an individual uses to get what he or she wants. Get ready to discover hidden truths, including • why women really say I love you; • why women don't want you to get to know them; • why and how women recreate themselves; • why it's so hard for men to admit they've been played. You'll also learn the many other games that women play to manipulate men. If you want to truly understand what a woman is thinking when she meets you, kisses you, or tells you she loves you, then you
