## Messenger to the King - Kit Anderson

2016-06-10

Pindal, a young princess in the mountain kingdom of Ararat is kidnapped as her beloved husband is killed. Sold into slavery, she is carried by a marauding army far south to the land of the Judean King David. Her twin brother Javan searches for Pindal, but is trapped into slavery himself. When he escapes, he finds himself also in Israel and enters the service of King David. Pindal has found new love with another of David's warriors. Although near one another, they still do not find each other. Near the end of her life, Pindal is drawn into service as a messenger to King David. She dramatically changes the history of Israel when he responds to her request. Finally the twins are briefly reunited. In their struggles to survive, both twins have learned the values of kindness and friendship. They have also learned to trust the God of Israel to hear their prayers and to meet their needs.

## The Sacred Books of Judaism - Louis

Ginzberg 2023-11-14

This meticulously edited collection contains the essential books of the Jewish faith, the most

sacred text of Judaism, history books, as well as philosophical and theological writings concerning Jewish faith. Contents: Religious Texts: "Tanakh" - The Hebrew Bible "Talmud" - The Central Text of Rabbinic Judaism "Torah - Bilingual (English/Hebrew)" - Five Books of Moses "Tales and Maxims from the Midrash" - Biblical exegesis by ancient Judaic authorities "The Kabbalah Unveiled" - Translations and commentaries of the Books of Zohar "The Sepher Ha-Zohar" - Zohar, or Splendor is the most important text of Kabbalah. "Siddur - The Standard Prayer Book" - The Authorized Daily Prayer Book of the United Hebrew Congregations "The Union Haggadah" - Jewish text that sets forth the order of the Passover Seder. History: The Jewish Wars (Flavius Josephus) Antiquities of the Jews (Flavius Josephus) History of the Jews (Heinrich Graetz) The Legends of the Jews (Louis Ginzberg) Philosophical Works: Kitab al Khazari (Kuzari) (Judah Halevi) The Guide for the Perplexed (Moses Maimonides) Ancient Jewish Proverbs (Abraham Cohen)

**The Woman Who Would be King** - Kara Cooney 2015-01-22

Hatshepsut, the daughter of a general who had usurped the throne of Egypt, was born into a privileged position within the royal household. Married off to her own brother, she was expected to bear sons who would legitimize the reign of her father's family. But she failed to produce a male heir. Such was the twist of fate that paved the way for her own scarcely believable rule: she ascended to the throne as a 'king'. Over a spectacular twenty-two-year reign, Hatshepsut proved herself a master strategist, cloaking her political power plays with a veil of piety and sexual reinvention. Just as women today face obstacles from a society that equates authority with masculinity, Hatshepsut had to operate the levers of a patriarchal system to emerge as Egypt's second female pharaoh. Scholars have long speculated as to why her images were violently destroyed within a few decades of her death, all but erasing evidence of her rule. Constructing a rich narrative history using the sources that remain, noted Egyptologist Kara Cooney offers a remarkable interpretation of how Hatshepsut rapidly but

methodically consolidated power—and why she fell from public favour just as quickly. The *Woman Who Would Be King* traces the unconventional life of a female pharaoh and explores our complicated reactions to women in power.

*Pharaoh: The female king of Egypt* - Tim Hogan

**A Natural Woman** - Carole King 2012-04-10  
Read the New York Times Bestselling memoir that is "revealing, humble, and cool-aunt chatty" about the incredible life that inspired the hit Broadway musical *Beautiful* (Rolling Stone). Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. *A Natural Woman* chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album *Tapestry*, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's long-awaited memoir offers readers a front-row seat to the woman behind the legend. The book will include dozens of photos from King's childhood, her own family, and behind-the-scenes images from her performances.

**Discourses of Ageing in Fiction and Feminism** - J. King 2012-11-13

This book explores the way older women are represented in society. Through close readings of novels by major 20th century novelists, compared with the more dominant representations of female ageing to be found in popular culture it suggests that they offer a feminist understanding of the 'invisible' woman sometimes lacking in feminism itself.

*Why black people aren't black: an essay on social hermeneutics, language and apperception* - Kristoffer Ehrnström

Does "black" as a social signifier, pregnant with history, really mean what it is thought to mean? Does white, as the symmetrical object of black, really refer to its current form? Or do these apperceptive objects, these epithets, draw energy from somewhere else, a past veiled by current discourse? When we reveal historical figures, in what is supposed to be an idiosyncratic context (in Europe for example), and refer to them simply as "black" due to their hue, are we really putting words in their mouths,

colonizing the past anachronistically, implanting memories? Did the whiteness and blackness of the past - active within a social construct - really transcend physical appearance? Is the current culture of equity, for example actors portraying historical figures from the premise that their physical appearance wasn't present, really a revisionist act through replacement by representation - the replacement of the one representing themselves, by themselves? These are some of the questions this essay tries to answer.

*Judaism: Sacred Texts, History, Theology & Philosophy* - Louis Ginzberg 2023-11-22

**Glissanda** - Sara Kingsley 2018-09-24

"Kindness is not weakness. It's human." Raven's declared she's the true heir to the throne of her Kingdom of Nadir, and has promised her followers she will serve them in their fight for a fair and just kingdom. But she soon learns her worst nightmares have come true: at the King's bidding, her home treevillage has been destroyed and her family gone missing. Will she have the strength to oppose all those who'd rather see her dead than obtain her rightful throne? And will she come to fully accept the

support of the people who stand with her-- including her beloved Leif? Perfect for fans of Tamora Pierce, Sarah J. Maas, and Juliet Marillier!

**The Female King of Colonial Nigeria** -

Nwando Achebe 2011-02-21

While providing critical perspectives on women, gender, sex and sexuality, and the colonial encounter, she considers how it was possible for this woman to take on the office and responsibilities of a traditionally male role.

**Kinship, Capitalism, Change** - Michael J. Francisconi 2013-04-11

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

**The Holy Books of Judaism** - Louis Ginzberg 2023-11-22

DigiCat presents to you this unique religious collection containing the sacred texts of Judaism, history books and theological writings. Judaism is an ethnic religion comprising the collective religious, cultural, and legal tradition and civilization of the Jewish people. Considered to

be the expression of the covenant that God established with the Children of Israel, it encompasses a wide body of texts, practices, and theological positions. The Torah is part of the larger text known as the Tanakh or the Hebrew Bible, and supplemental oral tradition represented by later texts such as the Midrash and the Talmud. Contents: Religious Texts: "Tanakh" - The Hebrew Bible "Talmud" - The Central Text of Rabbinic Judaism "Torah - Bilingual (English/Hebrew)" - Five Books of Moses "Tales and Maxims from the Midrash" - Biblical Exegesis by Ancient Judaic Authorities "The Kabbalah Unveiled" - Translations and commentaries of the Books of Zohar "The Sepher Ha-Zohar" - Zohar, or Splendor is the most important text of Kabbalah. The Political Situation in Egypt During the Second Intermediate Period, C. 1800-1550 B.C. - K. S. B. Ryholt 1997

The Second Intermediate Period designates the 250 year period (1800-1550 BC) which separates the two glorious periods of the Middle Kingdom and the New Kingdom. During the 19th century BC, an invasion by Canaanite tribes into the Delta took place. Around 1800 BC these people proclaimed their own king and the Delta thus became independent from the rest of Egypt. Egypt remained split between the Canaanitic rulers in North and the native Egyptian Kings in the South for the rest of the Second Intermediate Period. The division of Egypt brought about an economic decline, and the entire period is characterized by a lack of royal monuments. This circumstance has greatly hampered any attempts to establish a chronology of the period, and as a consequence it has been very difficult to date many sources which are relevant for the social and political

situation of the period. The Second Intermediate Period has therefore remained one of the most obscure periods of Egypt's ancient history. The dissertation is a new attempt to establish a chronology for the Second Intermediate Period and define the different kingdoms, their territories and political relations. The study consists of four main chapters, three appendixes, a catalogue of sources, bibliography and indices. Included is a catalogue of all the historical sources, about 1500, known to certify the names of the Egyptian kings of the Second Intermediate Period. Each source is described in terms of type, origin and present location, followed by bibliographical references.

Why black people aren't black: an essay on social hermeneutics and apperception -

Kristoffer Ehrnstrom 2023-05-22

Does "black" as a social signifier, pregnant with history, really mean what it is thought to mean? Does white, as the symmetrical object of black, really refer to its current form? Or do these apperceptive objects, these epithets, draw energy from somewhere else, a past veiled by current discourse? When we reveal historical figures, in what is supposed to be an idiosyncratic context (in Europe for example), and refer to them simply as "black" due to their hue, are we really putting words in their mouths, colonizing the past anachronistically, implanting memories? Did the whiteness and blackness of the past really transcend physical appearance? How did the original white and black actually look? Is the current culture of equity, for example actors portraying historical figures based on the premise that their physical appearance wasn't present, really a revisionist act through replacement by representation - the replacement of the one representing themselves, by themselves, unknowingly? Is history simply being replaced by a new social interpretation, looking as it were? Lastly, is the emergence of afrocentric interpretation nothing more than the completion of a revisionist ritual, erasing changed white culture, inherently brown skinned to begin with? These are some of the questions this essay tries to answer, hermeneutically touching down in everything from metaphysics to sociology to religion; all the way from ancient Egypt (Kemet), to Israel, to medieval Europe and contemporary discourse.

Tanakh & Talmud - Various Authors 2022-05-17

"Tanakh" or, The Hebrew Bible, which is also sometimes called the Miqra, is the canonical collection of Hebrew scriptures, including the Torah. The form of this text that is authoritative for Rabbinic Judaism is known as the Masoretic

Text. The Tanakh consists of twenty-four books: it counts as one book each Samuel, Kings, Chronicles and Ezra-Nehemiah and counts the Twelve Minor Prophets as a single book. The Torah (literally "teaching"), also known as the Pentateuch, or the "Five Books of Moses" is the first part of Tanakh and it contains Genesis, Exodus, Leviticus, Numbers and Deuteronomy. Nevi'im (Prophets) is the second main division of the Tanakh, between the Torah and Ketuvim. It contains three sub-groups. This division includes the books which cover the time from the entrance of the Israelites into the Land of Israel until the Babylonian captivity of Judah. Ketuvim (Writings) consists of eleven books. They are also divided into three subgroups based on the distinctiveness of Sifrei Emet and Hamesh Megillot. "Talmud" is the central text of Rabbinic Judaism and the primary source of Jewish religious law (halakha) and Jewish theology. The term "Talmud" normally refers to the collection of writings named specifically the Babylonian Talmud (Talmud Bavli). It may also traditionally be called Shas, a Hebrew abbreviation of shisha sederim, or the "six orders" of the Mishnah. The Talmud consists of tractates and contains the teachings and opinions of thousands of rabbis (dating from before the Common Era through to the fifth century) on a variety of subjects, including halakha, Jewish ethics, philosophy, customs, history, and folklore, and many other topics. The Talmud is the basis for all codes of Jewish law and is widely quoted in rabbinic literature.

30 Old Testament Quickskits for Kids - Steven James 2004

This book provides quick and creative ways for teachers to have kids help retell Old Testament Bible stories. This readers' theater performance style is fun because there aren't any lines to memorize. Enjoy this library of favorite Bible stories and storytelling techniques developed by award-winning author and professional storyteller Steven James. Each book includes creative storytelling techniques especially suited to help teachers tell God's story and involve children in the Bible story.
