Gray for You - Spencer Spears 2018-03-14

Who auditions for an adult film without realizing it? Me, apparently...

Gray: I'm not the kind of guy you take home to meet your mother. I'm an ex-adult film star with a GED and a giant collection of movie credits I can't talk about in polite company. I might be good at helping other guys get their happy endings, but I've more or less given up on finding one of my own. Until Tyler Lang walks into my life. That's right, my co-star for my final film is Tyler Lang--America's heartthrob, until he disappeared from the radar last year. Tyler's got a reputation for being a bad boy, a partier, and apparently straight, but the sweet, vulnerable-looking kid who shows up at auditions is completely different. And now that I'm getting to know him, I can't help wondering what it is that's made his eyes so sad--and wishing there were some way I could make it better. I'm not supposed to get a happy ending. So why the hell won't my heart listen? "I'm yours. In whatever way, for however long you want me. Just say the words and you'll have me forever." Tyler: I know what you've heard about me. Another spoiled child-actor, all grown up and out of control. I wish I could tell you you're wrong, but the truth is, I'm a little bit of a mess. Okay, so maybe I'm a giant mess. And now, after getting arrested with an ez-bake oven's worth of drugs I don't even remember buying, I'm washed-up at the grand old age of 21. After a year of rehab and community service, all I want is to work again. So when my agent sends me a new script, maybe I don't read the fine print as carefully as I

should. Which is how I end up auditioning for an adult film. A high-brow, literary adult film. But still. There's no way I can go through with this. After all, I'm so deep in the closet I'm not sure I'll ever find my way out. And I wouldn't do this movie--except for one thing: Gray Evans. Strong, kind, and honest, Gray makes me feel seen in a way I've never been before--and makes me want to be better. And somehow, around Gray, everything seems possible. Like maybe there's a world where I'm not a total screw-up. Maybe there's a world where I can come out, and not tank my career. And maybe, just maybe, there's a world where Gray, who's smart and brave and so together, could want someone like me. Gray For You is Book 2 in the 8 Million Hearts series. While each book can be read on its own, they're even more fun to read together. Gray For You is a 150,000 word m/m romance full of snark, sweetness, and a healthy serving of steam. Movie star romance and hurt/comfort themes. No cheating, no cliffhangers, and a guaranteed HEA.

June - Audrey Carlan 2015-08-03

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley.

Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. ***
In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.
Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Does the Writing Workshop Still Work? - Dianne Donnelly 2010-05-28

This book explores the effectiveness of the workshop in the Creative Writing classroom, and looks beyond the question of whether or not the workshop works to address the issue of what an altered pedagogical model might look like. In visualising what else is possible in the workshop space, the sixteen chapters collected in 'Does the Writing Workshop Still Work?' cover a range of theoretical and pedagogical

topics and explore the inner workings and conflicts of the workshop model. The needs of a growing and diverse student population are central to the chapter authors' consideration of non-normative pedagogies. Chase in Shadow - Amy Lane 2012-02-24

Chase Summers: Golden boy. Beautiful girlfriend, good friends, and a promising future. Nobody knows the real Chase. Chase Summers has a razor blade to his wrist and the smell of his lover's goodbye clinging to his skin. He has a door in his heart so frightening he'd rather die than open it, and the lies he's used to block it shut are thinning with every forbidden touch. Chase has spent his entire life unraveling, and his decision to set his sexuality free in secret has only torn his mind apart faster. Chase has one chance for true love and salvation. He may have met Tommy Halloran in the world of gay-for-pay—where the number of lovers doesn't matter as long as the come-shot's good—but if he wants the healing that Tommy's love has to offer, he'll need the courage to leave the shadows for the sunlight. That may be too much to ask from a man who's spent his entire life hiding his true self. Chase knows all too well that the only things thriving in a heart's darkness are the bitter personal demons that love to watch us bleed.

The Truth as He Knows It - A. M. Arthur 2015-02-10

Lies are the chains that keep you weighed down at rock bottom. Perspectives, Book 1 Officer Noel Carlson isn't out to anyone in small-town Stratton, Pennsylvania, only to distant friends and family, so a relationship is out of the question. That doesn't stop him from wanting one, though. When a night-shift call brings him face to thonged butt with a hired stripper whose girl-party gig went terribly wrong, Noel takes pity on the guy and lets him go. But he can't get the encounter out of his mind. Shane has big-time debts to repay, especially to the brother who sacrificed nearly everything for him. His two jobs, in a deli and as a stripper, leave him no time for a social life. But a non-date of hot sex and takeout food with Noel? He can squeeze that in. The bond they form is stronger than either expected or wanted. Especially since the step

Shane's about to take to put his brother-and his soul-back in the black isn't quite legal. And he never calculated just how much his determination to make things right will cost him in the end. Warning: Following on from the Cost of Repairs series, this book contains a closeted cop who's looking for love, an indebted stripper who doesn't believe he's worthy, and a tasteful abundance of dirty guy sex. Also contains references to past physical abuse some readers may find disturbing.
