

A Woman Lost

Memoirs Of A Woman Lost - Regina Jestis

2015-10-21

This is a book of my life as I remember it. All the way to today. The loss and the love and everything in between. Ups and downs and how I got to wear I am now.

The Man Who Mistook His Wife For A Hat: And Other Clinical Tales - Oliver Sacks 1998

Explores neurological disorders and their effects upon the minds and lives of those affected with an entertaining voice.

The Lost Apothecary - Sarah Penner

2021-03-02

INSTANT NEW YORK TIMES BESTSELLER

Named Most Anticipated of 2021 by Newsweek, Good Housekeeping, Hello! magazine,

Oprah.com, Bustle, Popsugar, Betches, Sweet July, and GoodReads! March 2021 Indie Next Pick and #1 LibraryReads Pick "A bold, edgy, accomplished debut!" —Kate Quinn, New York Times bestselling author of The Alice Network A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to The Lost Apothecary... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal

mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcewell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time. Don't miss *THE LONDON SÉANCE SOCIETY!* Sarah's next spellbinding book about truth, illusion and the grave risks women will take to avenge the ones they love.

The Woman Who Lost China - Rhiannon Jenkins Tsang 2013-06-14

"The new, must read China book. Rhiannon

Jenkins Tsang knows China and writes with insight and passion."-Daria Berg, Professor of Chinese Culture and Society University of St. Gallen, Switzerland. It is 1949 and the Chinese Republic is collapsing under Mao Tse Tung's communist onslaught. Manying, distressed and frightened and unsure of the fate of her soldier husband, must flee Nanjing with her baby. With the help of her beloved childhood sweetheart, she finds a place on the last train leaving the city and endures a horrifying journey to Hong Kong where she is taken in by her brother and sister-in-law. Grief-stricken and destitute, she struggles to make sense of the world in which she now finds herself. As she recalls the cruel fate of her uncle at a provincial court half a century earlier and all that has been lost, she makes a discovery: the past shapes the present. Fate, however, has yet more in store for her. Love, war, sacrifice, corruption and revenge all play their part in this epic story that reaches its climax in twenty-first century Shanghai.

A Woman Lost in Her Childhood - Ashalee Nelson 2020-04-02

Have you ever experienced something in life and kept it to yourself? Do you think it will make you feel better or even help someone if you shared it? This novel is about a woman who experienced many hardships during her childhood. As a child, going through things has made her not trust others. Feeling as though she has no one to turn to, she learned to trust in God. Living in a world frightened daily as a child can be terrifying. The abuse from her loved ones became worst as she grew older. She kept her faith and continued to pray daily, making sacrifices to God, knowing one day these trials will be turned into a testimony. Growing older to a young lady and looking for love that she never received as a child, led her into a bad relationship. But God saw her through. Now as a woman, she doesn't regret anything she went through because it has made her who she is today.

Feminine Lost - Jennifer Granger 2014-01-28

Feminine Lost explores the premise that all human beings are constructed of two energies, one masculine and one feminine. With the rise of the feminist movement, many women have migrated to their masculine side, some to the extent of losing access to their feminine side altogether. As a consequence, men have found their way to their feminine side. This process has had huge consequences for relationships between men and women, often leaving them feeling unsatisfied within their relationships or lonely without one. Feminine Lost examines female archetypes - the Andro Woman, the Cougar, the Good Doer, and more - that have come to the fore since the feminist movement, pairing them with their masculine opposite, and looking at how the process of attraction functions under these circumstances. When the feminine principle breaks down, the ramifications are many. Feminine Lost breaks through the misunderstanding of what it means to be feminine; it is not an outward appearance

but something far more significant.

A Woman Lost - T. Markinson 2014-01-02
Elizabeth "Lizzie" Petrie has it all. She's rich, beautiful, intelligent, and successful. None of this matters to her mom. Les-Bi-An. That's all her mom sees. Even though Lizzie insists her mom's antagonism does not bother her, Lizzie distances herself from her entire family. When her brother, Peter, calls her out of the blue to announce he's getting married, Lizzie's entire life changes drastically. Peter's fiancée wants to bring the lesbian outcast back into the family. Will this desire cause Lizzie to lose everything dear to her? Sarah, Lizzie's girlfriend, is ecstatic about this change in Lizzie's personal life. Sarah, the hopeless romantic, wants it all, including settling down with the fiercely independent Lizzie. Can Lizzie be tamed? And can she survive her family and all of their secrets?

Lost in Motherhood: The Memoir of a Woman who Gained a Baby and Lost Her Sh*t - Grace Timothy 2018-02-22

Previously published as Mum Face. Best described as The Wrong Knickers for mums, in this wry, resonant and darkly funny memoir, journalist Grace Timothy explores motherhood as an issue of identity.

The Story of the Lost Child - Elena Ferrante 2015-09-03

"Nothing quite like this has ever been published before," proclaimed The Guardian newspaper about the Neapolitan Novels in 2014. The first book in the series, My Brilliant Friend, was a New York Times bestseller. Those Who Leave and Those Who Stay was a Times bestseller and Notable Book of the Year, and was named a best book of 2014 twenty-five times including in The Times Literary Supplement, The Guardian, The San Francisco Chronicle, The New Statesman, Slate, The Daily Beast, The Wall Street Journal, Vogue, and the Boston Globe. This fourth and final installment in the series gives validation to the New York Times Book Review's opinion of its author, Elena Ferrante, as "one of the great

novelists of our time.” Here is the dazzling saga of two women, the brilliant, bookish Elena and the fiery, uncontrollable Lila. Both are now adults; life’s great discoveries have been made, its vagaries and losses have been suffered. Through it all, the women’s friendship has remained the gravitational center of their lives. Both women once fought to escape the neighborhood in which they grew up—a prison of conformity, violence, and inviolable taboos. Elena married, moved to Florence, started a family, and published several well-received books. In this final book, she has returned to Naples. Lila, on the other hand, never succeeded in freeing herself from the city of her birth. She has become a successful entrepreneur, but her success draws her into closer proximity with the nepotism, chauvinism, and criminal violence that infect her neighborhood. Proximity to the world she has always rejected only brings her role as its unacknowledged leader into relief. For Lila is unstoppable, unmanageable, unforgettable!

Against the backdrop of a Naples that is as seductive as it is perilous and a world undergoing epochal change, the story of a lifelong friendship is told with unmatched honesty and brilliance. The four volumes in this series constitute a long remarkable story that readers will return to again and again, and every return will bring with it new revelations.

Wonder Woman: Paradise Found - Phil Jimenez 2017-06-06

Wonder Woman's world is falling to pieces. Her home of Paradise Island has faced a devastating civil war, and her mother, Queen Hippolyta, has abolished the monarchy, ending Diana's status as a princess. But the Amazon Warrior must contend with far worse in the adventures that confront her in this volume collecting WONDER WOMAN #171-177, as well as select Profile Pages from WONDER WOMAN SECRET FILES #3. Acclaimed writer/artist Phil Jimenez is joined by Adam Hughes for one of the most difficult chapters of Diana's life. This story reveals a dear

friend of Diana's transformed into a deadly enemy; a new, more menacing Cheetah; an intergalactic war - with terrible consequences for our heroine; and the return of an arch-nemesis that may spell doom for the male super-heroes of the world. The relentless onslaught is almost too much for Wonder Woman to bear! Arguing with her mother becomes the least of Diana's concerns as she joins countless heroes in the battle against Imperix. And when Circe initiates her revenge against the Amazon, the world's super-heroines join Diana in a fight against the evil witch and several other female super-villains. With battle after battle facing Wonder Woman, is there any hope that Diana can find paradise?

[The Lost Woman of Santacruz](#) - Vijay Medtia
2021-05-24

Mid-July, Inspector Ajay Shaktawat is called to a house. A retired Deputy Commissioner of Police has been beaten to death. A young man is barely alive besides him. Both are the victims of

shocking cruelty. The intense investigation leads to a woman missing from Santacruz, Mumbai. At the same time, a crazed cop killer terrorises Mumbai. No one understands the connection or motive. Inspector Shaktawat must battle against time and the increasing body count of retired officers if he's to succeed. Now with time running short, a tough Special Branch officer from Delhi monitors his activities. Meanwhile, Shaktawat's life is in shambles: his wife has left him four months ago along with his two teenage children. He's struggling to win her back. His mother, a robust seventy year-old, barely tolerates him. Loneliness has cut into his life. He works tirelessly, has gained weight and drinks most nights away. Will he be able to get his life back on track? Will Shaktawat catch the elusive murderer before he strikes again?

comfortable around books than people. Although an expert in the Hitler Youth, she's a novice in love. Her former lesbian lover is blackmailing her, and not even those closest to Lizzie know the full story of their abusive relationship. When visiting high school English teacher Sarah crosses Lizzie's path at the campus, their attraction is instant, but not without complications. As they start to spend more time together, suspicions arise from both women in this sexy piece of LGBT fiction. Plenty of good-natured teasing takes place between lovers as well as between PhD students in this lesbian contemporary romance. No relationship path ever runs smoothly, and oftentimes, those who can't keep their mouth shut hasten necessary confrontation. Lizzie finds herself buried in a mess of lies in this romantic comedy. The harder she tries to keep Sarah and the rest of her friends from finding out the truth about her first girlfriend, the more endearingly clueless she becomes.

The Woman who Lost Her Skin (and Other Dermatological Tales) - Robert A. Norman 2004
Based on real-life experience Dr Norman explains ailments of the skin, including melanoma, warts, albinism and toxic epidermal necrolysis, exploring the condition's history and etiology, and talks us through diagnosis with his patient stories.

The Book of Lost Names - Kristin Harmel
2021-05-25

Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the Book of Lost Names. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was

forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the Book of Last Names will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

Lost Woman - Ann Brooks 2023

[Programmed Inequality](#) - Mar Hicks 2018-02-23

This “sobering tale of the real consequences of gender bias” explores how Britain lost its early

dominance in computing by systematically discriminating against its most qualified workers: women (Harvard Magazine) In 1944, Britain led the world in electronic computing. By 1974, the British computer industry was all but extinct. What happened in the intervening thirty years holds lessons for all postindustrial superpowers. As Britain struggled to use technology to retain its global power, the nation’s inability to manage its technical labor force hobbled its transition into the information age. In *Programmed Inequality*, Mar Hicks explores the story of labor feminization and gendered technocracy that undercut British efforts to computerize. That failure sprang from the government’s systematic neglect of its largest trained technical workforce simply because they were women. Women were a hidden engine of growth in high technology from World War II to the 1960s. As computing experienced a gender flip, becoming male-identified in the 1960s and 1970s, labor

problems grew into structural ones and gender discrimination caused the nation's largest computer user—the civil service and sprawling public sector—to make decisions that were disastrous for the British computer industry and the nation as a whole. Drawing on recently opened government files, personal interviews, and the archives of major British computer companies, *Programmed Inequality* takes aim at the fiction of technological meritocracy. Hicks explains why, even today, possessing technical skill is not enough to ensure that women will rise to the top in science and technology fields. *Programmed Inequality* shows how the disappearance of women from the field had grave macroeconomic consequences for Britain, and why the United States risks repeating those errors in the twenty-first century.

[The Lost Woman](#) - Sara Blaedel 2017-02-07
 #1 INTERNATIONAL BESTSELLER Following the incredible success of Sara Blaedel's #1 international bestsellers *The Forgotten Girls* and

The Killing Forest, Louise Rick--head of the police department's elite Special Search Agency charged with missing persons cases--returns in Sara's latest twist-filled suspense novel... A housewife is the target of a shocking, methodical killing. Shot with a hunting rifle through her kitchen window, the woman is dead before she hits the ground. Though murdered in England, it turns out that the woman, Sofie Parker, is actually a Danish citizen who's been on the Missing Persons list for almost two decades--so Louise Rick is called on to the case. Then, in an unexpected twist, the police discover that Sofie had been reported missing eighteen years ago by none other than Eik, Louise Rick's police colleague and lover. Impulsive as ever, Eik rushes to England, and ends up in jail on suspicion of Sofie's murder. Completely blindsided by Eik's connection to the case, Louise is thoroughly unsettled and sick with worry, yet she must set aside her own emotional turmoil if she hopes to find the killer in what will

become her most controversial case yet...

"Crime-writer superstar Sara Blaedel's great skill is in weaving a heartbreaking social history into an edge-of-your-chair thriller while at the same time creating a detective who's as emotionally rich and real as a close friend." -- Oprah.com "One of the best I've come across." -- Michael Connelly "Sara Blaedel is a force to be reckoned with. She's a remarkable crime writer who time and again delivers a solid, engaging story that any reader in the world can enjoy." -- Karin Slaughter "Leads to...that gray territory where compassion can become a crime and kindness can lead to coldblooded murder." --New York Times Book Review

The Woman Who Lost Her Soul - Bob Shacochis 2014-12-04

Shacochis returns to occupied Haiti in *The Woman Who Lost Her Soul* before sweeping across time and continents to unravel tangled knots of romance, espionage and vengeance. In riveting prose, Shacochis builds a complex and disturbing story about the coming of age of America in a pre-9/11 world. Set over fifty years and in four countries facing different wars, *The Woman Who Lost Her Soul* is National Book Award winner Bob Shacochis' magnum opus that brings to life, through the mystique and allure of history, an intricate portrait of catastrophic events that led up to the war on terror and the America we know today.
