

Conscious Loving Ever After How To Create Thriving Relationships At Midlife And Beyond

Falling Upward - Richard Rohr 2013-01-22

A valuable new companion journal for the best-selling *Falling Upward*. Fr. Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen, failed, or "gone down" are the only ones who understand "up." The Companion Journal helps those who have (and those who have not) read *Falling Upward* to engage more deeply with the questions the book raises. Using a blend of quotes, questions for individual and group reflection, stories, and suggestions for spiritual practices, it provides a wise guide for deepening the spiritual journey. . . at any time of life. Explains why the second half of life can and should be full of spiritual richness Offers tools for spiritual growth and greater understanding of the ideas in *Falling Upward* Richard Rohr is a regular contributing writer for *Sojourners* and *Tikkun* magazines This important companion to *Falling Upward* is an excellent tool for exploring the counterintuitive messages of how we grow spiritually.

The Genius Zone - Gay Hendricks, PH.D. 2021-06-29

Too often we live lives that we find unfulfilling, fail to reach our own potential, and neglect to practice creativity in our daily routines. Gay Hendricks's *The Genius Zone* offers a way to change that by tapping into your own innate creativity. Dr. Gay Hendricks broke new ground with his bestselling classic, *The Big Leap*, which has become an essential resource for coaches, entrepreneurs, executives, and health practitioners around the world. Originally published as *The Joy of Genius*, *The Genius Zone* has been updated and expanded throughout, making it the essential next step beyond *The Big Leap*. In *The Genius Zone*, Hendricks introduces his brilliant exercise, the Genius Move, a simple, life-altering practice that allows readers to end negative thinking and thrive authentically. By using the Genius Move, readers will learn to spend more of their lives in their zone of genius—where creativity flows freely and they are actively pursuing the things that offer them fulfillment and satisfaction. Filled with hands-on exercises and personal stories from the author, *The Genius Zone* is an essential guide to creative fulfillment. If you are committed to bringing forth your innate genius and making your largest possible creative contribution, *The Genius Zone* will become a trusted companion for the journey.

Learning to Love Yourself - Gay Hendricks 2011

An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of *Learning To Love Yourself*. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

New Self, New World - Philip Shepherd 2011-05-31

In the tradition of *Quantum Healing and Guns*, *Germes and Steel*, Philip Shepherd's *New Self, New World* makes an intellectual inquiry into how we might restore freedom, creativity, and a sense of presence in the moment by rejecting several fundamental myths about being human. *New Self, New World* challenges the primary story of what it means to be human, the random and materialistic lifestyle that author Philip Shepherd calls our "shattered reality." This reality encourages us to live in our heads, self-absorbed in our own anxieties. Drawing on diverse sources and inspiration, *New Self, New World* reveals that our state of head-consciousness falsely teaches us to see the body as something we possess and to try to take care of it without ever really learning how to inhabit it. Shepherd articulates his vision of a world in which each of us enjoys a direct, unmediated experience of being alive. He petitions against the futile pursuit of the "known self" and instead reveals the simple grace of just being present. In compelling prose, Shepherd asks us to surrender to the reality of "what is" that enables us to reunite with our own being. Each chapter is accompanied by exercises meant to bring Shepherd's vision into daily life, what the author calls a practice that "facilitates the voluntary sabotage of long-standing patterns." *New Self, New World* is at once a philosophical primer, a spiritual handbook, and a roaming inquiry into human history.

At the Speed of Life - Gay Hendricks 2017-05-23

Organizational Culture and Leadership - Edgar H. Schein 2010-07-16

Regarded as one of the most influential management books of all time, this fourth edition of *Leadership and Organizational Culture* transforms the abstract concept of culture into a tool that can be used to better shape the dynamics of organization and change. This updated edition focuses on today's business realities. Edgar Schein draws on a wide range of contemporary research to redefine culture and demonstrate the crucial role leaders play in successfully applying the principles of culture to achieve their organizational goals.

Conscious Loving Ever After - Gay Hendricks, Ph.D. 2016-10-25

Are you passionately dedicated to experiencing your full capacity for love? If so, you are in for a thrilling ride on the greatest journey imaginable. If that sounds like a tempting invitation, keep reading, and prepare to take in some life-altering truths: That as you get older, your love life can get better. That instead of

fading, your relationships can flourish. That you can have more exquisite love and more passionate sex in the second half of life than you ever had before. Kathlyn and Gay Hendricks, the pioneering authors of the original best-selling book *Conscious Loving*, show you how in this guide to creating vibrant and joyful connections from your mid-40s onward. Midlife is a time when we all face a choice: to settle into fixed routines and beliefs or to expand toward new horizons. With candor, compassion, and plenty of humor, drawing on experiments in the "living laboratory" of their own marriage as well as stories from their clients and colleagues, Katie and Gay offer insights and practices to help you: • Expand and enrich love by making your own creative essence your top priority • Take blame and criticism out of your communication with those you love • Attract new love into your life • Enjoy the best sex ever Whether you're partnered or single, *Conscious Loving Ever After* can light your way through the layers of unconscious relating that so many of us get caught in. From a Ten-Minute Stuff Talk and a Ten-Minute Heart Talk to a range of whole-body learning processes designed to translate ideas into action, here are the tools you need to transform your romantic life so you can thrive in your full capacity for love.

Five Wishes - Gay Hendricks 2010-09-04

How do dreams come true? Two decades ago, before he was an internationally acclaimed author and teacher, Gay Hendricks didn't know. In fact, he didn't even know what his deepest desires were. Then, when he least expected it — at a cocktail party — a question prompted an epiphany. The opposite of the small talk he dreaded at such gatherings, the simple question of a fellow partygoer was big enough to alter the course of Hendricks's personal, professional, and spiritual life. Hendricks shares that catalyzing conversation here, turning it into a powerful, step-by-step process that anyone can use to clarify their dreams, overcome the obstacles that stand in their way, and experience their joyful fulfillment.

Solemate - Lauren Mackler 2010

In *Solemate*, Lauren Mackler provides a groundbreaking road map to help people achieve mastery of their lives. Drawing from her own experiences; those of her clients; and the fields of psychology, physiology, sociology, holistic healing, and strategic business practices, Mackler provides the practical information, tools, and exercises to show you how to be independent and stand on your own two feet. Mastering the art of aloneness is about becoming the person you were meant to be, treating yourself well, and shedding the old beliefs and behaviors that limit your ability to live a healthy, happy, secure, and satisfying life. Quizzes and guided journaling help you identify the core limiting beliefs and fears that keep you from being whole and happy with yourself. Mackler teaches you to overcome these beliefs through deliberate living exercises that help align your actions with your desired results. She then helps you liberate your authentic self, so you know exactly who you are. Finally, she leads you through the process of creating a life vision to help you achieve any goal you set for yourself. *Solemate* is not about being alone, it is about developing the self-awareness, life skills, and emotional intelligence needed to live a full, happy, successful, and financially secure life.

The New Relationship Blueprint - Nancy Levin 2018

"Nancy's latest book takes a fresh look at relationships, showing you how to build them better from the ground up - or perform some skillful renovations where needed. This book is for you if you're ... - single and craving a new relationship that's beyond what you've experienced before - divorced and determined never to do that again - recovering from the death of a partner and unsure how to move on to other relationships - in a relationship you're not sure you can salvage - looking to refresh and restore your relationship - in a relationship that you recognise as being the right teacher for you, even if it's not easy Whatever your relationship status, if you're looking for more, this book is for you. Working from the essential truth that relationship is first and foremost where we learn to love ourselves, Nancy will walk you through a 10-step process to overcome your emotional and psychological roadblocks to self-love and the relationship you truly desire."--Publisher's description.

Theorists Gay and Kathlyn Hendricks, reveal what saps vitality from long-term relationships and what you can do to make vitality surge again.

Rewire Your Brain - John B. Arden 2010-03-22

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Real Sex - Mike Lousada 2017-05-30

The more modern culture shines its light on sex, the longer the shadow it casts. This shadow is commercialism, pornography and shame. This approach to sexuality distorts it to create performance pressure, increasing numbers of sexual 'dysfunctions' and a fundamental disconnect from ourselves and others. Yet sexuality is one of the most important paths to happiness, simply because it requires us to engage all the other aspects of ourselves. To have deeply satisfying sex we must engage the mind, the body and our feelings. *Real Sex* will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong. *Real Sex* is a journey into the heart of your sexual self; a way of creating meaningful and fulfilling intimacy. It sets out seven keys that will teach you how to love and accept your mind, body, feelings, desires and sexuality at a deeper level, leaving behind feelings of guilt, insecurity and shame. *Real Sex* offers a new, integrated idea of sexuality that holds a positive perspective of the sexual beings that we are; longing for intimacy and aliveness that we know deep down makes our lives meaningful.

The First Rule of Ten - Gay Hendricks 2014-02-03

"Don't ignore intuitive tickles lest they reappear as sledgehammers."That's the first rule of Ten. Tenzing Norbu ("Ten" for short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In *The First Rule of Ten*, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles. Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows. Set in the modern-day streets and canyons of Los Angeles, *The First Rule of Ten* is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story with intriguing life-lessons for us all.

Positive Relationships - Sue Roffey 2011-11-11

Relationships are at the heart of our lives; at home with our families, with our friends, in schools and colleges, with colleagues at the workplace and in our diverse communities. The quality of these relationships determines our individual well-being, how well we learn, develop and function, our sense of connectedness with others and the health so society. This unique volume brings together authorities from across the world to write about how relationships might be enhanced in all these different areas of our lives. It also explores how to address the challenges involved in establishing and maintaining positive relationships. This evidence-based book, primarily grounded in the science of positive psychology, is valuable for academics, especially psychologists and professionals, working in the field of well-being.

Women Writers and Old Age in Great Britain, 1750-1850 - Devoney Looser 2008-08-01

This groundbreaking study explores the later lives and late-life writings of more than two dozen British

women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.
