The Girl in the Yellow Dress - Jane A. Adams 2023-02-23

Was the wrong man hanged for a young woman's murder, or is a copycat killer on the loose? DCI Henry

Johnstone and DS Mickey Hitchens must crack a darkly complex case when the community close ranks.1930, Leicestershire. Everyone in the quiet market town of East Harborough is convinced that local

miscreant Brady Brewer is responsible for the brutal murder of Sarah Downham. Despite Brewer's protestations of innocence, and his sister's pleas for help from DCI Henry Johnstone and DS Mickey Hitchens, he is convicted and hanged. Two weeks after the hanging, a farmworker finds the body of another young woman less than a mile from where Sarah was found - and there are other disturbing similarities between the two murders. Is a copycat killer on the loose, or was Brewer innocent after all? Where is the missing yellow dress that Sarah wore the night she was murdered? As the locals close ranks, Henry and Mickey soon discover that reputations - and the truth - are all on the line . . .

The Girl in the Yellow Dress - Craig Higginson 2010

The Girl in the Yellow Dress - Craig Higginson 2011-05-17

South African writer Craig Higginson's powerful new play is a dark, witty and sexually-charged psychological drama told through the eyes of a beautiful English teacher and her French-Congolese pupil. A 'state of the nation' exploration of the tensions between the first and third worlds the play explores issues around language, power, identity, sex, past trauma, class, exile and refugees. An exciting new co-production from the internationally-renowned Market Theatre from South Africa and two of the UK's most prestigious theatre companies.

Playbill - 2004

Synchronicity and the Other Side - Rob MacGregor 2018-01-20

You see your grandmother's favorite bird outside your window not long after her death. You inexplicably feel drawn to vacation at a remote location you've never been to, only to discover that your ancestors lived there hundreds of years ago. Everywhere you look, you notice the numbers 1111—on clocks, license plates, odometers. Signs from the afterlife are everywhere—if you only know how to look. In this groundbreaking book, you'll discover how meaningful coincidence—synchronicity—is key to your connecting with loved ones who have passed on. Such contact can come to you through dreams and meditation, mediums and signs, and more. From the unexpected appearance of familiar animals, images, and sounds to clusters of numbers and objects, you'll learn how to recognize when and how people from the other side are trying to connect with you.

The Girl in the Yellow Dress - Jane A. Adams 2022-08-02

Was the wrong man hanged for a young woman's murder, or is a copycat killer on the loose? DCI Henry Johnstone and DS Mickey Hitchens must crack a darkly complex case when the community close ranks. 1930, Leicestershire. Everyone in the quiet market town of East Harborough is convinced that local miscreant Brady Brewer is responsible for the brutal murder of Sarah Downham. Despite Brewer's protestations of innocence, and his sister's pleas for help from DCI Henry Johnstone and DS Mickey Hitchens, Brewer is convicted and hanged. Two weeks after the hanging, a farmworker finds the body of another young woman less than a mile from where Sarah was found - and there are other disturbing similarities between the two murders. Craig Higginson: Three Plays - Craig Higginson 2016-05-06

The first collection of plays from the acclaimed author and playwright. Includes *Dream of the Dog*, *The Girl in the Yellow Dress*, *The Imagined Land* and *The Red Door*.

The Little Girl in the Yellow Dress - Marty Warner 2005-05

A children's Christmas story about the magic of Santa Claus and how he can get all over the world on the same night, and get down chimneys without falling, and get into apartments without fireplaces at all.

She Wore a Yellow Dress - John Cammidge 2021-02-16

JOHN is brought up on an isolated farm near York, spends his spare time birdwatching, lives with an unsympathetic stepfather and loving mother, and attends Hull University as the government pays his expenses. He worries about serious relationships with girls and has no idea of what career to follow. His experience so far is as a farm hand and a hospital porter. A letter he finds at home confirms his biological father is alive but has no intention of helping him. On Bonfire Night 1965 (Guy Fawkes Night), during his

final undergraduate year, he meets a fellow student, JEAN-LOUISE, and a romantic relationship develops. In many ways she is different from John; she is a town girl, brought up by loving parents, is an only child, has opposing politics and knows what she wants to be - a fashion buyer for Marks & Spencer. The obstacle is her mother is ill with muscular dystrophy and she must help take care of her parents. She surprises John by encouraging his birdwatching. John joins Ford of Britain as a graduate trainee and after an uncertain start, is placed in industrial relations and decides to study for a graduate degree with the Institute of Personnel Management. He also discovers more about his real father. What happens to the couple during the subsequent 10 years as they navigate their careers, have to deal with events that take place in Britain during the period and manage personal issues at home, are the subjects of this book. There is panic buying during the 1974, 3-day working week, the affects on home life of Britain's entry into the Common Market, annual inflation driven above 25 percent in part because of trade union militancy, and many other national incidents. A unique feature of the novel is the use of bird species to illustrate human behavior and character. At the end of each chapter there is an illustration of the featured bird from that chapter to provide a summary of the bird's appearance and habitat in case the reader is interested. The novel blends British history, ornithology, success at work, discrimination against women and the challenges of home life into a single story.

THE TRUE TALE OF THE GIRL IN THE YELLOW DRESS - Lienner Bankole 2019-07-26

"The story I am to tell you, are words that should never be told to anyone. Songs of despair and anguish - nothing more than silent screams from a secret world that was once sickened by all; has now risen up to rule our society. Like so much of my existence and those like me, our story begins at the moment of inception - the inauguration of the brotherhood, and carried forward through the curvature of our pain." - The girl in the yellow dress A dystopian fantasy set within a society barren of any reason.

Broadway Yearbook, 1999-2000 - Steven Suskin 2003-04-24

Broadway Season 1999-2000 is a unique and detailed guide to the theatrical year presenting 46 different shows. The volume features a comprehensive discussion of every show that opened on Broadway during the 1999-2000 season as well as several non-Broadway productions of importance or general interest. Each entry is accompanied by credits and cast lists, scorecards summarizing overall critical reception for each show, and a recap of each show's financial performance. A new kind of theatre annual, this distinctive volume discusses what the shows are actually like (instead of merely relying on plot synopses or photographs). It is an interpretive record, featuring not only dates and names but also the stories behind the statistics. Opening night title pages illustrate each show discussion. Appendices include a roundup of the season's major awards, memorable performances of the year, obituaries, long run leaders, shows still running from prior seasons, scheduled shows that never reached Broadway, and a comprehensive index. Steven Suskin has provided a relevant and irreverent record of the year's memorable high points (and low points). Written from an insider's perspective, the book is knowledgeable, intriguing, provocative, and entertaining.

The girl in The Lemon Yellow Dress - Greg Spicka 2022-06-08

It is the mid 1980s and Wayne is an IT specialist. He has a set way of life , with everything planned and in order. Until one day he runs into a girl wearing a lemon yellow dress. He starts to see her everywhere but cannot reach her, and when he does get close to her, something blocks his view and she disappears. With his head starting to hurt and memories rush back from his past, he must be going crazy. Somehow the girl and memories are tied together and Wayne seeks out help as to why. A good short story thriller to pass the time away and make you think of your own past.

Creating Musical Theatre - Lyn Cramer 2013-09-12

Featuring interviews with top directors and choreographers, *Creating Musical Theatre* is the first book to give a fascinating insight into the creative processes driving the musical theatre revival.

The Girl in the Yellow Dress - Sonia Phillips 1977

The Advocate - 2000-09-26

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Three Plays - Craig Higginson 2016

"Craig Higginson's first three plays for adult audiences--collected here in one volume for the first time--represent one of the strongest debuts in the history of South African theatre. Although each can be seen as a variation on the theme of the post-apartheid state of the nation play, they are also engaged with realities in Zimbabwe, the Congo and contemporary Europe."--

Girl in the Yellow Dress - Marisa Mackle 2010-04

Lucy Weatherlake is very excited about her new school. Clifton House, however, is no ordinary boarding school and Lucy soon discovers that some of her school friends are not so ordinary either.

The Girl with the Yellow Dress - Giancarlo Gabbrielli 2013-03

This is the story of a man and a woman who knew each other as adolescents and meet again after many years. At their fortuitous encounter, they realize they still love each other, but they must fight destiny and distance to be together again in the face of personal differences and social expectations. The writing has a particular stylistic flare and romantic sense. The flowing narrative and poetic language make this novel a most enjoyable read.

The Girl in the Yellow Dress - B. W. Beynon 1986-01-01Off Broadway Musicals, 1910-2007 - Dan Dietz 2010-03-10

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
