Crush - Kwame Alexander

2008-05-07

From Kwame Alexander, the 2015 Newbery Medalist, a collection of poetry for young people. STARRED REVIEW: Gr 8 Up: Alexander offers a cosmopolitan menu of tanka, haiku, long titles that lead into short first lines, verbal formulas that lead to sung discoveries, French phrases, prose poems, and poems written in Spanglish. The book is divided into three sections with various speakers, and a fourth section that includes poems by Sherman Alexie, Pablo Neruda, Nikki Giovanni, and the title poem, "Crush," by Naomi Shihab Nye. A poem in the first section, "What Makes Me Feel Good," begins with one word, "isn't/the way you style your hair or/how all the other girls stare/it's not even

the way you kneel/in church, unafraid of prayer...." Many of the poems lend themselves to pairing with the classics. In "He Says He Loves Me," the speaker responds to her paramour's advances (think Marvel's finessing in "To His Coy Mistress"). When he tells her he has "protection," she asks "does he have enough of it/To guard my heart/To give shelter to my soul/in case of emergency." This well-crafted anthology will capture the interest of teens and possibly encourage them to submit their own "crush" poems to an appended Web site for a contest. This sweet, funny holiday romance from the author of *Romeo And What's Her Name* features cute boys, plenty of rom-com mishaps, and a determined heroine readers are certain to fall for. Charlotte "Charlie" Donovan knows exactly what she wants for Christmas: Teo Ortiz. He's a star athlete, a National Honor Society member, and the most popular guy in school. Plus he contributes to the school paper, where Charlie is a co-editor. Basically, he's exactly the type of guy Charlie's looking for. The only problem is—he barely knows she exists. But Charlie has a plan: rig the paper's Secret Santa and win his heart with the perfect gift. The catch? She has no idea what to get him. Enter J.D. Ortiz—Teo's cousin, and possibly the most annoying person on the planet. He's easy going, laid back, disorganized, and spontaneous—the exact opposite of Charlie (and Teo). But he knows what Teo wants, so she's stuck with him. Yet, the more time Charlie spends with J.D., the more she starts

to wonder: Does she really know what, or rather who, she wants for Christmas? Shani Petroff's newest young adult comedy of errors, *My New Crush Gave to Me*, is the perfect read for those searching for some love and laughter along with their holiday spirit. Praise for *My New Crush Gave to Me*: "Fans of holiday movies, rom-coms, and "All I Want for Christmas Is You" will enjoy *My New Crush Gave to Me*.... Crushing Codependency and Relational Idolatry - Mary

Lehman 2019-01-15

After years of living behind walls to hide her guilt and shame, author Mary Lehman describes her journey from shame-based religion to a grace-based relationship with the Three In One. For God to get her attention, it took the

death of her husband and the separation from someone with whom she had developed an unhealthy codependent friendship. Because, in the past, Mary had fallen into an inappropriate relationship, she recognized the slippery slope she was on. Amid the months of grief and desperation, she made the decision to never go down that road again. Seeking God, she came to realize He had put her on a path where she could receive His deliverance from codependency and relational idolatry. Since then, Mary has overcome the spiritual abuse, internalized shame, and habits of risk-taking that kept her in bondage for decades; she has renewed her mind with the gospel of grace. As her new identity, she has put on Christ. Now, applying the story of David and Goliath, Mary shares her journey in detail and describes her newfound peace and freedom. This is the narrative of a woman who has found transformation within her faith, escaping the mental and emotional traps that had

and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more

Aphrodite's Daughters - Maureen Honey 2016-08-31

female self-expression. Maureen Honey paints a vivid portrait of three African American women—Angelina Weld Grimké, Gwendolyn B. Bennett, and Mae V. Cowdery—who came from very different backgrounds but converged in late 1920s Harlem to leave a major mark on the literary landscape. She examines the varied ways these poets articulated female sexual desire, ranging from Grimké’s invocation of a Sapphic goddess figure to Cowdery’s frank depiction of bisexual erotics to Bennett’s risky exploration of the borders between sexual pleasure and pain. Yet Honey also considers how they were united in their commitment to the female body as a primary source of meaning, strength, and transcendence. The product of extensive archival research, *Aphrodite’s Daughters* draws from Grimké, Bennett, and Cowdery’s published and unpublished poetry, along with rare periodicals and biographical materials, to immerse us in the lives of these

remarkable women and the world in which they lived. It thus not only shows us how their artistic contributions and cultural interventions were vital to their own era, but also demonstrates how the poetic heart of their work keeps on beating.

One Hot Crush - Anna Durand
2020-07-20

Faking it never felt so good. How can a man who designs sex toys for a living be so awkward around women? My boss, Dane Dixon, is hot and British, a killer combination, but he can't look me in the eye and has never said more than five consecutive words to me. Until the day he calls me into his office and asks me to be his fake girlfriend. Um... what?! This is strictly for publicity purposes, Dane says. We fake date until after his company re-launches. For two months, I'll have to pretend to be hot for him, pretend to adore him, pretend to love making out with him. Wait... I'm pretty sure I'm not supposed to be kissing him. But the line between pretend attraction and

real, sizzling-hot lust starts to blur — and then it disappears completely. I'm in so much trouble. One Hot Crush is the third book in the Hot Brits series of romantic comedies from Anna Durand, author of the bestselling Hot Scots series. Don't miss the audiobook featuring Shane East & Vanessa Edwin!

God Doesn't; We Do - James A. Lindsay 2012-09-15

Does God exist? Does He do anything in this world? Famous authors like Richard Dawkins suggest strongly that it is very unlikely, but how unlikely is it? *God Doesn't; We Do* brings James A. Lindsay's mathematical expertise to the question and is able to put the matter under a microscope only available through an understanding of abstract mathematics, which he makes accessible to any reader. Because of that, this book will change the conversation about the existence of God. The central theme of this book, though, points out that even if there were a God, we have no reason to believe He does

anything at all in this world.

Thus the responsibility is on us, as it always has been, to make our world what it will be. From the back cover: Our world is one that is full of difficult challenges, and many people still turn to God for solutions or credit Him with ones that they find. The time for that kind of superstition is long passed.

God Doesn't; We Do seeks to address the topic on philosophical grounds, making appeals to a scientific mindset and evidence-based decision making in fields where religion has dominated for centuries, including morality, politics, and even spirituality. The title really says it all—*God Doesn't; We Do: Only Humans Can Solve Human Challenges*.

"You showed me love through your hand that never lets go of mine and taught me how to endure painful goodbyes through the smiles you give me before leaving" *The Art of Falling* is a queer poetry collection that deals with falling in love and the challenges and questions that arise therefrom. Exploring the different aspects of love, hurt and joy, this collection of selected poems illustrates the intricate ways in which past experiences can influence one's emotions and attempts to put into words the most complicated, contradictory feelings. No one chooses who they fall for, and with themes

of yearning, trauma and the pain of a broken heart, *The Art of Falling* is a profound exploration of the wonder of getting to know a person in the most fascinating way: falling in love.

Politiquette - Nadia Asencio
2015-11-12

Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn

things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that we're part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories,

and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples

The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Love Costs More Than You Think - Honey Dobe 2011-02-01
The way we think and feel is different and as a poet writer. I have my own different view of the world, life, people, and what goes on around me.
