Flirty Dancing Jenny McLachlan 2015-06-22 "Du lässt den Arm auf der Schulter deines Partners ruhen und er legt seine Hand auf deinen unteren Rücken. Dann haltet ihr euch an den Händen. Ihr steht ganz nah zusammen. Praktisch verschmelzt ihr miteinander." Eine Teilnahme beim landesweiten Tanzwettbewerb Starwars? Das ist für die schüchterne Bea ja schon aufregend genug, aber ihr Tanzpartner ist ausgerechnet Ollie Matthews, der heißeste Junge der Schule. Natürlich ist Jenny McLachlans Debütroman eine Verbeugung vor *Dirty Dancing*, dem Kultfilm der Achtzigerjahre. Emily's Sister Michele Gianetti 2017-01-31 Emily's sister is different from other children she knows. She seems to struggle with things most of us just do naturally. In this delightfully illustrated story, based upon real family experiences, Emily discovers how to understand and help her sister live a happier life. This story, written by the parent of a child with Dyspraxia and Sensory Processing Disorder (SPD), paves the way for parents, teachers and medical professionals to discuss these specific learning difficulties with children (aged around 7-9). Unlike most other books on the subject, this book has been written from a child's perspective: enabling young people to ask questions of the story in a non-threatening way and encouraging them to discover how it relates to them. This book can be shared with children having special needs, their family, or their classmates. As with all of its books, the publisher - Your Stories Matter - aims to help people know they are not alone with what makes them different. If a young person or adult can relate to a story, it gives them hope and encourages them to share their concerns. The publisher aims to provide free teaching resources for all of its books that can be used in schools, to help improve understanding and celebrate differences.

It's a Wrap Honor Cargill 2018-05-31 'Glows with warmth and wit' Jenny McLachlan, author of *Flirty Dancing* 'A witty, feel-good romp of a book' Emma Carroll, author of *Letters from the Lighthouse* 'So warm and funny with characters who feel like friends' Keris Stainton, author of *Starring Kitty Elektra* James is back and her life is more hilariously chaotic than ever! Elektra is hoping for BIG things this year... She's finished her first feature film (even if her character was unexpectedly killed off half-way through filming), hosted the party of the year (well, before her mum arrived and threw everyone out - how embarrassing!) and managed to become Archie Mortimer's Actual Real Life girlfriend (for now anyway...), so things are most definitely moving in the right direction. Replete with lists of Canada's top bands, television shows and athletes, as well as random observations about everything this country has to offer, *Canadianity* is often provocative and always hilarious. Drawing on their combined experiences as a legendary drummer (*Our Lady Peace*) and a veteran talk-show host (*Jonovision*) respectively, Taggart and Torrens have infused their first book with equal parts beer and pop culture and added a heaping helping of irreverence.
