*The Friend Zone: the most hilarious and heartbreaking romantic comedy* - Abby Jimenez  
2019-06-11

'A deliciously hot, sweet debut. This book is an absolute treat.' L. J. SHEN, USA TODAY  
BESTSELLING AUTHOR '5 stars isn't enough for this laugh out loud, beautifully honest, and sometimes heart-breaking novel' Goodreads reviewer \_\_\_\_\_  
He's the best man . . . and that's the problem. Kristen Petersen is perfectly fine. She has friends she'd fight to the death for and the very best dog in the world: Stuntman Mike. In fact, everything's calm in the world of Kristen, until she starts to plan her best friend's wedding and meets the best man, Josh Copeland. Josh is funny, sexy, stands up to her

sarcasm, and is always one snack ahead of her hangry. Even Stuntman Mike adores him. But he wants a big family, and Kristen knows children are probably not a part of her future. She's sure he'd be better off with someone else, someone who can give him everything he wants, so Kristen keeps him at arm's length: in the Friend Zone. But as their attraction grows, it's harder and harder to resist falling for the man who seems to be everything she's not allowed to have . . . The Friend Zone will have you laughing one moment and grabbing for tissues the next as it tackles the realities of infertility and loss with wit, heart, and a lot of sass. Perfect for fans of Christina Lauren, Helen Hoang, Sally Thorne, Jo Watson and Sophie Kinsella. \_\_\_\_\_

WHAT READERS ARE SAYING ABOUT THE FRIEND ZONE: 'Harnessing sass, heartfelt struggle, and unapologetic sexuality, Jimenez's debut is as hysterical as it is tear-jerking' Publishers Weekly 'Let's get one thing straight, Abby Jimenez is hilarious' Goodreads 'Anyone who thinks they don't like romance needs to read The Friend Zone. *Friend Zone to End Zone* - Judy Corry

Dating Coach Rule Number 1: Don't fall for your client, especially if he's your best friend. Cole I don't suck at dating. I suck at getting over the girl who friend-zoned me back in college. But I have a plan: Let her set me up. Bomb the dates. Then she can be my dating coach and I can finally show her I'm the one for her and not that jerk boyfriend she's always crying on my shoulder about. Arianna I've had the same

boyfriend for three years, which practically makes me a relationship expert. So when my famous best friend asks for my help, I know turning him into boyfriend material will be a piece of cake. I'll tell him to get a haircut, maybe open a few doors here and there and the guy will be golden. I mean, with all those muscles and jaw-dropping good looks, it really should be no problem. There's just one thing I didn't expect: to want him for myself.

"I like you. I like you as a friend." Have you ever heard this before? Of course you have! Every single guy on this planet has been placed in the friend zone before. Guess what? It's okay. It's not the end of the world. I'm going to show you how you can avoid the friend zone for the rest of your life.

The Game Plan - Kristen Callihan 2015-11-01  
A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else. Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's

left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

**Fabio vs the Friend Zone** - Kelsie Stelting  
Since when did Fabio not get the girl? Grace Fabio's always been there for me. No matter what. Now I'm a senior, still dateless and never-been-kissed. But he doesn't seem to mind. Me spending the summer away, teaching English in China doesn't have to change our friendship. But his unrequited feelings for me might. Fabio I'm named after the world's most popular romance cover model, but I can't get my best friend to fall in love with me. Video game binges and Harry Potter movie marathons might be fun, but to get out of the friend zone, I have to do something BIG. Confessing my feelings for her in the airport terminal was not what I had planned.

Copper? The woman is capable of bringing me to my knees. I know this about five minutes after getting naked for her. No one is more surprised than me. The prickly photographer my team hired to shoot our annual charity calendar isn't my usual type. She's defense to my offense, a challenge at every turn. But when I'm with her, all the regrets and darkness goes away. She makes life fun. I want to know Chess, be close to her. Which is a bad idea. Chess is looking for a relationship. I've never given a woman more than one night. But when fate leaves Chess without a home, I step up and offer her mine. We're roommates now. Friends without benefits. But it's getting harder to keep our hands off each other. And the longer we live together the more I realize she's becoming my everything. Trick is... Now that I've made her believe I'm a bad bet, how do I convince her to give this player a true shot at forever?
