Woman Rise - Woman Rise Movement 2020-03-10

In this world of instant gratification, we're craving connection, depth and authenticity. To be seen, heard, and expressed - unfiltered and unashamed. We have long known the power of a story, one that moves you, finds you in the moments where you feel alone, and invites you to rise courageously to the next chapter of your own story. You'll find that here, in the raw, deeply impactful stories of 9 women who rose through extraordinary challenges. Who speak to you wherever you are at, and remind you of your power, the woman's power to RISE. When they came together, their words inspired something far greater than themselves... Their stories became a movement. Daring you to share your stories, and your voice so that others may rise and share theirs. A movement celebrating sisterhood and individual success, and the rising of feminine, compassionate leadership. Their words take your hand, leading the way. Igniting your passions, showing you how to blend these powerful lessons into your own life. Their stories, your stories will weave the new social fabric for future generations. 10% of the profits from each book sold will go to intentionally chosen charities each year.

[Lift as You Climb](#) - Viv Groskop 2020-03-05

'Empowers, enlightens and entertains with every sentence.' Elizabeth Day We all have difficult moments at work, times when we feel awkward, when our daily micro interactions make us uncomfortable, perhaps when we have to say no or assert ourselves in a way that makes us feel less like ourselves, less 'sisterly'. Part self-help guide, part master class in survival skills for life and work, *Lift as You Climb* examines what sisterhood looks like these days, asks what you can do to make things better for other women and considers how to do that without disadvantaging yourself. It's the ultimate confidence bible for women who want to plan a career in a fast moving world, but without leaving anyone else behind. And it addresses one of the biggest issues women face in the workplace - how to be ambitious without losing your sense of self. It must be possible, right? Full of tips, takeaways and invaluable insights, this is everything you need to know about making life better for yourself - without making it worse for others. _____ Praise for *How to Own the Room*: 'I recommend Viv Groskop's *How to Own the Room* to anyone wanting more self confidence. Full of helpful concepts you can get your head round and embody. I'm finding it very useful.' - Philippa Perry 'Plenty of tips and tricks... The most valuable lesson is that, in Groskop's words, "You don't have to be a great speaker to give an amazing speech."' - Style 'The ultimate guide to public speaking. Inspirational.' - Mary Portas 'Demystifies the art of talking to people and winning them round to your cause.' - The Times 'This book is going to help so many people. It's brilliant.' - Emma Gannon 'An excellent, truly useful guide to getting more women front and centre, encouraging us to take part, noisily, in public life. (The podcast is also fabulous.)' - Daisy Buchanan

From Clueless to Class Act: Manners for the Modern Woman - Jodi R. R. Smith 2015-04-07

Every woman wants to put her best foot forward—and avoid those dreaded faux pas that turn off employers and co-workers, dates and friends. Written with zest and humor, this female-centered guide makes good behavior simple and fun. It explains everything a lady needs to know to feel at ease no matter where she goes—from a business meeting to a romantic dinner, from a rock concert to a fancy wedding. What's more,

this unstuffy rule book enlightens its audience on issues specifically confronted by women, such as how to ask out a guy; how to navigate the world of women's wear, from sensible work suits to the little black dress; and what the proper protocol is for applying makeup when in public.

From Seed to Fruit (Revised and Enlarged Second Edition) - J. Dudley Woodberry 2008-06-01

The revised and enlarged second edition of J. Dudley Woodberry's *From Seed to Fruit* expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims. Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness, including a new chapter on building Christlike relationships with Muslims. The Global Trends Research Group has continued to update the demographic materials on Muslim people groups, their access to Christian witness, and when and how Christian groups covenant to provide meaningful access. *From Seed to Fruit* presents the most recent worldwide research on witness to Christ among Muslim peoples, using biblical images from nature to show the interaction between God's activity and human responsibility in blessing these peoples.

How to Own the Room - Viv Groskop 2018-11-01

A powerful book about what happens when women find their voice. INCLUDES A NEW INTRODUCTION AND BONUS CHAPTER ON 'HOW TO OWN THE ZOOM' 'The ultimate guide to public speaking. Inspirational.' Mary Portas 'I recommend Viv Groskop's *How to Own the Room* to anyone wanting more self-confidence.' Philippa Perry _____ Most books about public speaking don't tell you what to do when you open your mouth and nothing comes out. And they don't tell you how to get over the anxiety about performance that most people naturally have. They don't tell you what to do in the moments when you are made, as a woman, to feel small. They don't tell you how to own the room. This book does. From the way Michelle Obama projects 'happy high status', to Virginia Woolf's leisurely pacing and Oprah Winfrey's mastery of inner conviction, what is it that our heroines do to make us sit up and listen - really listen - to their every word? And how can you achieve that impact in your own life? Here's how. _____ ***** 'Easy to grasp practical tips... all served up with lightness and generosity.' ***** 'It has made me realize I don't even need to be good, but I can be brave.' ***** 'Brilliant, engaging, honest, vulnerable, often damn funny.'

Etiquette For Dummies - Sue Fox 2011-02-14

Life is full of moments when you don't know how to act or how to handle yourself in front of other people. In these situations, etiquette is vital for keeping your sense of humor and your self-esteem intact. But etiquette is not a behavior that you should just turn on and off. This stuffy French word that translates into getting along with others allows you to put people at ease, make them feel good about a situation, and even improve your reputation. Etiquette For Dummies approaches the subject from a practical point of view, throwing out the rulebook full of long, pointless lists. Instead, it sets up tough social situations and shows you how to navigate through them successfully, charming everyone with your politeness and social grace. This straightforward, no-nonsense guide will let you discover the ins and outs of: Basic behavior for family, friends, relationships, and business Grooming, dressing, and staying healthy Coping with unexpected stuff like sneezing or feeling queasy Maintaining a civilized relationship Making friends and keeping them Building positive relationships at work Communicating effectively This book shows you how to take on these situations and make them pleasant. It also gives you great advice for tipping appropriately in all types

of services and setting stellar examples for your kids. Full of useful advice and written in a laid-back, friendly style, Etiquette For Dummies has all the tools you need to face any social situation with politeness and courtesy.

Joshua, Judges, and Ruth - Carolyn Pressler 2002-01-01

Who is God? How does God act in our lives? How are we to act as God's faithful people? Joshua, Judges, and Ruth represent a chorus of voices reflecting on Israel's earliest days in its land. In Joshua, God empowers an obedient Israel to conquer the promised land. In Judges, Israel's faithlessness and God's wrath lead to a downward spiral of sin, subjugation, and social disintegration. Ruth narrates a story of divine blessing worked out through human loyalty. Within these plots, the characters wrestle with a range of issues including faithfulness versus faithlessness, identity, leadership, and the nature of providence. Pressler explores these themes in their historical context while also presenting their relevance for the church today. --From publisher's description.
