Afterglow: Erotic Short Stories for Dull and Dark Autumn Days Amanda Backman 2023-11-06 "... the sight of him was making me feel confused and dizzy. Heeding a sudden impulse, I pulled my dress over my head and threw it to the floor. My knickers were wet with sweat and desire. **Boss Me** Roxy Jordan 2019-10-31 I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees, the light just sparkling through the leaves like shiny copper pennies falling from heaven. Of course, I know Copper Ridge Ranch was named for the natural element once found in its soil, and if anything rains down on Marcus Elliott - it's not copper. It's thousand dollar bills. Do they even make those? If they do, I'm sure Mr. Elliott uses them like tissue paper. I take the corner a little too fast and hear the rattle of the food trays in the back. Great, that's all I need! On the day Marcus welcomes August Kalle into his home, I'm going to show up with a cheesecake covered in road rash! I'm lucky though. Not too much to unload on this trip. I started Carrie's Catering because I liked to cook and I needed a job. Little did I know I'd spend most of my time being a roadie - spending more time loading and unloading the van than mixing, baking or frosting all together. But, Copper Ridge Ranch is my flagstone client. They spend so much money and time on catering Mr. Elliott once asked me to consider moving into a guest house and just living here.
