

# Goddesses In Everywoman

*The Goddess Book* - Nancy Blair 2021-04-08

An illustrated seasonal celebration of goddesses "The Goddess Book is a joyful celebration of perennial goddess wisdom that nourishes, expands, and inspires." —HeatherAsh Amara, author of *Warrior Goddess Training*

This is a book of meditations that celebrate the divine feminine. It is an exploration of representations of the goddess throughout history. Here are heroines, queens, witches, healers, proud princesses, courageous daughters, and cranky crones. Organized by the four seasons, author Nancy Blair groups these goddesses according to the seasons in which their energies are most potent. These meditations and affirmations challenge readers to: Awaken the divine feminine Join the seasonal circle of goddesses Create meaningful, simple, heart-nourishing rituals Let the goddess inform daily life Create the life you want Here is a book of earth-based spirituality, informed by perennial goddess wisdom. The words and the stunning art of artist Thaila Took create a sacred space that will nourish women around the world. From Aphrodite, Brigit, Hekate, and Lilith to Baba Yaga, Kuan Yin, Oshun, and Sekmet this is a treasury to let the goddesses empower and inspire you. "Every woman needs this book on her bedside table. An active and animated must-read."—Emma Mildon, bestselling author of *The Soul Searcher's Handbook* and *Evolution of Goddess*

*Goddesses in Older Women* - Jean Shinoda Bolen 2001-03-06

At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted territory -- one that is generally uncelebrated in popular culture -- she can choose to mourn what has gone before, or she can embrace the juicy crone years. In this celebration of Act 3, Jungian analyst Jean Shinoda Bolen names the powerful new energies and potentials, or archetypes, that come into the

psyche at this momentous time, suggesting that women getting older have profound and exciting reasons for welcoming the other side of fifty. As Bolen has explained in her remarkable body of work, there are goddesses in every woman, deep archetypal sources of wisdom, authenticity and spirituality that, once tapped, energize us and give us a sense of meaning and self-acceptance. The knowledge of which archetypes are active within us at each phase of life—maiden, mother (or matron), and crone—supports us in making choices that are true to who we are instead of conforming to others' ideas of who we should be. In Bolen's bestselling *Goddesses in Everywoman*, the classic work of the women's spirituality movement, the Greek goddesses personified these archetypes as they affected the first two phases of a woman's adult life. Now she explains that in the third stage, marked physiologically by menopause, there emerges a whole new cast of inner archetypes that a woman can draw on for guidance, creativity, personal integration, and joy. Once we learn to recognize these forces, we can feel empowered and wise, introspective and spiritual, sexually bold and full of mirth. For it is in the "wisewoman" years, when a woman has lived long enough to resolve the tasks of younger and middle adulthood, that she can fully and authentically become who she deeply is. The generation of women who are approaching or who have reached the crone years is historically unique. Influenced by the women's movement, they have benefited from educational opportunities, women's support networks, and economic resources as excellent preparation for decades of active postmenopausal life. By recognizing the goddess archetypes that emerge in this phase, women of this special generation will be enabled to transform the crone years into the best years of their lives.

**Close to the Bone** - Jean Shinoda Bolen 1998-04-03

Communication with those we love and with ourselves.

**You Are a Goddess** - Sophie Bashford 2018-11-20

Discover the Goddess energies that lie within you through nine Goddess archetypes—an empowering guide on finding healing, strength, and transformation, for readers of Warrior Goddess Training The Goddess is guiding your life . . . You know 'the Goddess' as a divine feminine figure of myth, art and faith—but are you aware that, in truth, the Goddess is a life force that lives in you? Did you know that your multi-faceted experiences of life as a woman are influenced by Goddess consciousness? Do you sense that you have a hidden feminine energy that longs to be seen, accepted, valued—and used for a healing purpose? In this highly engaging and stirring book, leading intuitive Sophie Bashford takes you on a journey to meet nine Goddess archetypes, which will help you to:

- Understand the many ups and downs, emotions and cycles of your life through the 'eyes of the Goddess'
- Discover how the Goddesses can ignite your spiritual growth and uncover your feminine healing gifts
- Learn how to work with each Goddess for self-healing, positive inner change and empowerment
- Get in touch with a divine feminine support and healing system comprising nine archetypes, including Kali, Mary Magdalene, Aphrodite and Isis

Sharing intuitively channeled messages, beautiful guided meditations and moving personal experiences, Sophie leads you into safe territories where your darkest fears can be healed, your deepest dreams awakened and your entire life transformed.

*Goddesses in Everywoman* - Jean Shinoda Bolen, M.D. 2009-10-13

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when *Goddesses in Everywoman* was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of

powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

**Artemis** - Jean Shinoda Bolen 2014-09-01

"Jean Shinoda Bolen provides ancient and modern ways to be our authentic, courageous, and passionate selves. Jean herself is an Artemis."—Gloria Steinem  
Worshiped in Ancient Greece as a protectress of young girls, Artemis was the goddess of hunting, nature, and chastity—the original "wild woman." In *Artemis*, Jungian analyst and bestselling author, Jean Shinoda Bolen, revives the goddess Artemis to reclaim the female passion and persistence to survive and succeed. But an indomitable spirit isn't just reserved for the gods. In her book, Dr. Bolen revives the myth of Atalanta, an archetypal Artemis and mere mortal. To Atalanta, fate was no obstacle. Left to die because she was born a girl, she faces the Calydon Boar and outruns any man attempting to claim her as his wife. In *Artemis*, women are encouraged to discover their inner heroine—the activist who never gives up, who cannot be subdued. Whether women's rights activists or Princess Merida from *Brave*, the Artemis personality is embodied in the modern women. Hailed by Isabel Allende, as a "beautiful, inspiring book," *Artemis* is dedicated to all women and girls who discover her unconquerable spirit in themselves or others. Inside find:

- Examples of Artemis in real-life and popular culture
- Ancient and modern ways to be your authentic self
- A

source of strength, power, and integrity “Bolen connects Artemis to contemporary figures such as environmental activist Julia Butterfly Hill, author Cheryl Strayed, and journalist Lara Logan . . . Bolen also discusses other goddess archetypes, including the romance-oriented Aphrodite, contemplative Hestia, and Hecate, the wise crone. The exploration of Artemis and Atalanta as feminist icons is compelling.”—Publishers Weekly

*Goddesses for Every Day* - Julie Loar 2011

Throughout time, people have turned to goddesses as symbols of what they seek -- from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need.

*Conversations With the Goddesses* - Agapi Stassinopoulos 1999-10-13

This book explores the myths, revealing the personalities of seven female divinities, & helping women grow to understand their own inner-feminine patterns & learn to balance & navigate their existence.

*When God Was A Woman* - Merlin Stone 2012-05-09

Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

**Gods in Everyman** - Jean Shinoda Bolen, M.D. 2009-10-13

In this challenging and enlightening companion volume to the bestselling *Goddesses in Everywoman*, Jean Shinoda Bolen turns her attention to the powerful inner patterns--or archetypes--that shape men's personalities,

careers, and personal relationships. Viewing these archetypes as the inner counterparts of the outer world of cultural stereotypes, she demonstrates how men and women can gain an invaluable sense of wholeness and integration when what they do is consistent with who they are. Dr. Bolen introduces these patterns in the guise of eight archetypal gods, or personality types, with whom the reader will identify. From the authoritarian power-seeking gods (Zeus, Poseidon) to the gods of creativity (Apollo, Hephaestus) to the sensual Dionysus, Dr. Bolen shows men how to identify their ruling gods, how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes in order to enrich and strengthen their lives. She also stresses the importance of understanding which gods you are attracted to and which are compatible with your expectations, uncovers the origins of the often-difficult father-son relationship, and explores society's deep conflict between nurturing behavior and the need to foster masculinity. In *Gods in Everyman* Dr. Bolen presents us with a compassionate and lucid male psychology that will help all men and women to better understand themselves and their relationships with their fathers, their sons, their brothers, and their lovers.

**Urgent Message from Mother** - Jean Shinoda Bolen 2008-04-01

In its original edition, this culmination of Jean Shinoda Bolen's life's work sold over 25,000 copies. Now in paperback for the first time *Urgent Message from Mother* is a call to action for all the women of the world. This unique combination of visionary thinking and practical how-to seeks to galvanize the power of women acting together in order to save our world. Bolen outlines the lessons we can learn from the women's movement, draws on Jungian psychology and the sacred feminine, and gives powerful examples of women coming together all over the globe and making a significant impact.

*Goddesses in Everywoman* - Jean Shinoda Bolen 2004-03-02

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in

the early 1980s when *Goddesses in Everywoman* was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

*Be the woman you want to be* - Infinite Ideas 2012-03-29

*Be the woman you want to be* contains 150 inspiring ideas to help today's women be smarter, sexier, more charismatic and endlessly creative.

Whether it's getting her way in the boardroom, finding ways to feel healthier and more energetic or pursuing a greener lifestyle for a simpler, more fulfilling, more successful, more exciting life, this book is the ultimate empowering tool.

*Goddesses in Everywoman: Thirtieth Anniversary Edition* - Jean Shinoda Bolen, M.D. 2014-07-01

Jean Shinoda Bolen's celebrated work of female psychology that uses seven archetypal goddesses to describing behavior patterns and personality traits, as relevant and timeless today as when it was first published thirty years ago. Myths are fascinating stories that become even more intriguing when we realize that they can reveal intimate truths about ourselves and others. Jean Shinoda Bolen brings the Greek pantheon to life as our inner archetypes and applies the power of myth to our personal lives. Once we understand the natural progression from myth to archetype to personal psychology, and realize that positive gifts and negative tendencies are qualities associated with a particular goddess within, we gain powerful insights. Depending on which goddess is more active within, one woman might be more committed to achieving professional success, while another more fulfilled as a wife and mother. From the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, she teaches women how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in their own life story.

***Goddesses in Everywoman*** - Jean Shinoda Bolen 2008-02-05

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when *Goddesses in Everywoman* was published.

Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their

interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

*The Heroine's Journey* - Maureen Murdock 2020-08-18

The Heroine's Journey describes contemporary woman's search for wholeness in a society where she has been defined according to masculine values. Drawing on cultural myths and fairy tales, ancient symbols and goddesses, and the dreams of contemporary women, Murdock illustrates the need for—and the reality of—feminine values in Western culture. This special anniversary edition, with a new foreword by Christine Downing and preface by the author, illuminates that this need is just as relevant today as it was when the book was originally published thirty years ago.
