[The F*ckhead Guide to Astrology - Fckhead 2005-05](#)

The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Sun in Signs - Saket Shah 2022-02-05

Dear Reader, We always wonder that every sign in Vedic astrology has different meaning and results. So how does the planet sitting in it will behave. So in this book I am describing how Sun will give results in different zodiac signs in most possible and descriptive way. The planet behavior changes along with the sign it sits in and give different results. Every sign itself is a mystery and planet sitting in sign becomes more mysterious and gives results in very different pattern. Planet is nothing but a cosmic energy which in particular location in zodiac during our birth impacts our entire life the way we think and the way we behave and also controls our emotions. The glands in our brain reacts to this cosmic energy and creates a certain characteristic in our life patter and day to day life and we can understand this by understanding our horoscope and by checking which sign the planet is sitting and how it impacts our thinking and life. I hope you will love this book and enjoy reading. Regards, Saket Shah

Born on a Rotten Day - Hazel Dixon-Cooper 2009-12-01

In this wickedly funny guide, professional astrologer Hazel Dixon-Cooper casts off sugar-coated astrology in favor of exploring the maladjusted side of the universe. If you want the inside scoop, the real deal, the lowdown on each sun sign, then look no further. It's time to forget those traditional astrology books where Sagittarians are gregarious, Capricorns are ambitious, and Pisceans are dreamers. Instead, enter a world where Archers are loud-mouthed bores, Goats are pompous social climbers, and Fish are chronically helpless. Dixon-Cooper debunks the myths, reveals the flaws, and examines the dubious virtues of each sun sign. Discover how to use your own inner brat to outwit bullies, outmaneuver manipulators, and win those endless games that lovers play. Learn how to deal with those dysfunctional people you encounter every day, including how to: contain a Ram's oversized ego calm a raging Bull keep a fickle Twin faithful Irreverent, biting, and laugh-out-loud funny, Born on a Rotten Day exaggerates the bad, exorcises the good, and puts a new spin on the age-old question -- what's your sign?

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

To Have, to Hold, and to Never Let Go - Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how To Have a Woman, Hold a Woman, and To Never Let Her Go.
